Telephone Information

In order to assist us in giving prompt and efficient service our customers are requested to comply with the following regulations and suggestions:

Obtain telephone numbers from the latest Telephone Directory.

Do not ask the operator for names unless they are not shown in your directory. (When an operator is required to look up a name and number the service both to you and to others is delayed.)

If the name is not found in the directory ask for "Information" and note the number in the directory for future reference.

Speak directly into the mouthpiece of your telephone with your lips close to it.

If the line you are calling is busy you will hear an instrument buzzing at regular intervals. This signal is known as the "Busy Back." Hang up and call later.

On calls to party lines the "busy back" report does not necessarily mean that the particular telephone called is busy but that some telephone on that line is in use.

For numbers not listed in Directory, call _____ Information

Specific instances of unsatisfactory service or troubles from defective equipment should be promptly reported to the Chief Operator or the department superintendent.

ERRORS IN DIRECTORY

The Utility cannot and does not assume any liability because of errors or omissions in compiling this book. Errors creep in despite the most exacting care. Please check your listing. If not correct, phone the Business Office so it may be corrected in the next issue.

OWNERSHIP OF DIRECTORIES

The Directories are the property of Ketchikan Public Utilities and are given to the subscriber. Old issues should be destroyed.
