service or troubles from defective equip-
ment should be promptly reported to the
Main Office or the Department Superin-
tendent or the Chief Operator.

REPAIR SERVICE

Unless otherwise indicated by contract,
the customer shall sell the electric
energy, water, telephone service fur-
nished under this contract for use on the
premises owned by the customer order-
ing such service.

CONDITIONS

These conditions are subject to prop-
er interpretation by the utility for any
dispute to compensate for any
gross negligence, willful act or other
act not covered by any municipal,
state or federal taxing body.

RATES

Copies of all rate schedules are on file
at our Business Office and are open dur-
ing office hours to public inspection
upon request.

These rates are based on twelve
months service provided to serv-
ice will be accepted for less than three
(3) months except as provided by ap-
proved schedules. The rates charged
upon the premises of the customer at a
reasonable time for the purpose of in-
specting, repairing or remodeling are

and/or all of the equipment and/or
city limits of Ketchikan.

All monthly bills for service rendered
and minimum charge shall be pay-
able within 30 days of the date of the
bill. If not so paid, the utility shall
failures of the utility or before the
or before the utility is deemed in
5% will be added to the bill. The
be discontinued. The utility is re-
served to reserve the right to discon-
who is indebted to the utility for
to receive mail or to receive a valid
a valid excuse for non-payment.
When the utility is notified by mail or
either by mail or by the utility's
ness Office. All bills are subject to
compensation by the utility for proper
proper identification of the bill and
garding bills. The utility shall be
additional service rendered. The utility
tained at the utility's expense.

The customer shall obtain and grant
all necessary permission to enable the
utility to install the service and per-
form the contract. All wiring, entrance
switches and cabinets shall be of approv-
ed design and shall be installed in ac-
cordance with the utility's rules and
and passed by the utility's engineer or
specting or a representative of the utility.
The utility shall have the right, through
its agent or authorized employee to enter
upon the premises of the customer at a

General Information

All monthly bills for services rendered and minimum charges are due and payable within 20 days from their date, and if not so paid, become delinquent. Upon failure of the customer to pay his bill on or before the delinquent date he shall be deemed in default, and a penalty of 5% will be added and the service may be discontinued without notice. The right is reserved to refuse service to anyone who is indebted to the Utilities. Failure to receive mail will not be recognized as a valid excuse for failure to pay bills when due. Payment should be made either by mail or in person at the Business Office. All payments should be accompanied by the bill stubs to permit proper identification. Information regarding bills, or of regulations, or of any additional service or rates may be obtained at the Business Office.

SERVICE REQUIREMENTS

The customer shall obtain and grant all necessary permission to enable the Utility to install the service and perform its contract. All wiring, entrance switches and cabinets shall be of approved design and shall have been inspected and passed by the local Electrical Inspector or a representative of the Utility. The Utility shall have the right, through its agent or authorized employee to enter upon the premises of the customer at all reasonable times for the purpose of inspecting, repairing or removing any and/or all of the equipment, appliances and wiring of the Utility.

TROUBLE CALLS

For reporting "Lights Out" or similar trouble call phone "10" between the hours 8 a.m. to 5 p.m. At other times call

2271. If the trouble is found on the customer's premises a charge will be made for labor and materials.

Specific instances of unsatisfactory service or troubles from defective equipment should be promptly reported to the Main Office or the Department Superintendent or the Chief Operator.

RESALE OF SERVICE

Unless otherwise provided by contract, the customer shall not resell the electric energy, water, or telephone service furnished under this tariff for use on the premises occupied by the customer ordering such service.

TAX ADDITIONS

All service bills are subject to proportional increases to compensate for any gross revenue, kilowatt hour or other form of tax imposed by any municipal, territorial or federal taxing body.

RATES

Copies of all rate schedules are on file at our Business Office and are open, during office hours, to public inspection upon request.

Terms—The rates are based on twelve months continuous service. No service will be accepted for less than three (3) months except as provided by appropriate schedules. The rates charged in these schedules may be obtained at the office.

Unless otherwise stated all rates listed herein are applicable only within the city limits of Ketchikan.

A condensed schedule of rates within the limits of Ketchikan covering the most commonly used classes of services are listed on following pages.

Telephone Information

In order to assist us in giving prompt and efficient service our customers are requested to comply with the following regulations and suggestions:

Obtain telephone numbers from the latest Telephone Directory.

CALL BY NUMBER ONLY. When an operator is required to look up a name and number the service both to you and to others is delayed.

If the name is not found in the directory ask for "Information" and note the number in the directory for future reference.

Speak directly into the mouthpiece of your telephone with your lips close to it.

If the line you are calling is busy you will hear an instrument buzzing at regu-

lar intervals. This signal is known as the "Busy Back." Hang up and call later.

On calls to party lines the "busy back" report does not necessarily mean that the particular telephone called is busy but that some telephone on that line is in use.

LIMIT CALLS TO THREE MINUTES.

ORDERS FOR SERVICE

To arrange for the installation of new service please call at the Business Office where the proper application blanks will be provided for signature. If you wish telephone instruments moved from one location or address to another, or service discontinued, please notify the Business Office, preferably sufficiently in advance

so that the work may be performed at the time you require it done.

NUMBER CHANGES

Changing telephone numbers is often unavoidable and we appreciate that it often results in some inconvenience to our customers. However, to meet the increasing demands for service it is sometimes necessary to make certain rearrangements in our equipment. Your co-operation in such adjustments is appreciated.

INSTALLATION AND MOVING CHARGES

All rates are service rates and do not include any charge for labor or material for installing, moving or connecting of any telephone.

For these charges inquire at the business office.

SERVICE CALLS

It is our aim to give satisfaction at all times, but we realize that difficulties will sometimes occur despite our efforts to avoid them. Your co-operation in this regard is always highly appreciated.

To report telephone out of order, call Main Office _____ 10

For numbers not listed in Directory, Call _____ Information

The time will not be given by the telephone operators between 9 a.m. and 6 p.m.

Boat sailings and arrivals are not available and no information can be given.

For moving phones, directory listings, orders for service, bills, etc., call _____ 10

USE OF INSTRUMENTS

The Utility will at all times endeavor to install and maintain its equipment in good operating condition, and the user is requested to observe due care in the use of same.

The moving, adjusting, painting, and/or otherwise marking any of the property of the Utility is forbidden. Any damage to receivers, transmitters, cords and/or any other part of any instrument through use, abuse, and/or accident will be billed the customer at the cost of such repairs.

Ordinary conversations are limited to three minutes and the right is reserved to interrupt or discontinue any use exceeding that time.

ERRORS IN DIRECTORY

The Utility cannot and does not assume any liability because of errors or omissions in compiling this book. Errors creep in despite the most exacting care. Please check your listing. If not correct, phone the Business Office so it may be corrected in the next issue.

OWNERSHIP OF DIRECTORIES

The Directories are the property of Ketchikan Public Utilities and are given to the subscriber. Old issues should be destroyed.

DIRECTORY LISTINGS

For each customer one listing is included in the alphabetical directory without charge. Customers may arrange for additional listings under the regulations applying to such—which will be placed in the alphabetical directory.

The installation of an Extension Telephone on any subscriber's line does not include the listing of an additional or different name than that of the original subscriber.

The listing of another person or business on a line or number assigned to the original subscriber will be billed \$1.00 per month for each additional listing.

The listing of "Night Numbers" constitute additional lines and are subject to a printing charge for each additional line. This charge will not be in excess of the cost of such work.

For listings in the classified section or for other advertising, call the publisher 330.

TELEPHONE SERVICE

City Zone

Residential Service—Schedule A

	Per Mo.
Main line (1 party) wall or wall monophone	\$4.50
Party line (4 parties) wall or wall monophone	3.00

Residential Service—Rural—Schedule A—(Not including Pennock or Gravina Islands).

For Rural Residential Telephone service a Zone System of rates is established. The first or basic Zone is the first mile outside of the city limits. Each additional mile beyond the basic Zone constitutes an additional Zone.	
Basic Rate—Zone 1	Per Mo.
Party line, wall or wall monophone	\$3.50
For each additional Zone add	.25
For desk monophone add to rate	.25
Private line residence wall or wall monophone add per Zone per month over corresponding party line rate	2.00

Rate:
 First 100 KWH per month @ 6c per KWH
 Next 300 KWH per month @ 3c per KWH
 All Over 400 KWH per month @ 2c per KWH

Minimum Charge: \$1.00 per meter per month

ELECTRIC SCHEDULE "C"—Commercial Lighting, Heating, Cooking, Refrigeration and Appliance Service

Availability: This schedule is available within the city limits of Ketchikan. This service covers energy supplied for lighting, heating, cooking, refrigeration and appliance service in commercial establishments where capacity of the permanently connected energy consuming equipment, other than lighting, is in excess of 10 KW and the average load factor is 20% or more based on a demand of 50% of such capacity.

Character of Service: Energy delivered under this schedule shall be single, two, or three phase, 60 cycles, A.C., at nominal 115/230 volts at the option of the Utilities, depending upon the class of service available.

Rate:
 First 200 KWH per month @ 6c per KWH
 Next 200 KWH per month @ 3c per KWH
 All over 400 KWH per month @ 1c per KWH

Minimum Charge: \$.50 per month per KW of connected capacity.

ELECTRIC SCHEDULE "D"—General Power

Availability: This schedule is available within the city limits of Ketchikan wherever system facilities are adequate. This service covers energy supplied for general power of one horsepower or over.

Character of Service: (1) Energy delivered under this schedule shall be single, two or three phase, 60 cycles, A.C., at nominal 115/230, 460 or 4160 volts at the option of the Utilities, depending upon the class of service available.

(2) This schedule is based on twelve months continuous service.

Rate:
 First 75 KWH per H.P. of monthly demand per month @ 4c per KWH
 Excess @ 1c per KWH

Demand: The determination of demand shall be:

One motor—100 per cent of connected horsepower
 Two or more motors—75 per cent of connected horsepower

Minimum Charge:
 The minimum bill per month connected horsepower \$0.50
 But in no case shall the minimum be

less than \$1.00

Discount:
 A quantity discount will be allowed based on connected load as follows:

From one to 20 H.P. connected load	5%
From 21 to 100 H.P. connected load	10%
From 101 to 200 H.P. connected load	20%
From 201 to 300 H.P. connected load	30%
From 301 to 500 H.P. connected load	40%
From 501 to 650 H.P. connected load	45%
Over 650 H.P.	50%

Note: The quantity discount will not apply if the gross billing less the quantity discount is less than the minimum bill.

ELECTRIC SERVICE SCHEDULE "R"—Residential Service—Rural

Availability: This schedule is available outside the city limits of Ketchikan for residential service.

Character of Service: Energy delivered under this schedule shall be single phase, 60 cycle, A.C., at nominal 115/230 volts.

Rate:
 First 7 KWH per month \$1.00
 Next 33 KWH per month @ 8c per KWH
 Next 110 KWH per month @ 4c per KWH
 All over 150 KWH per month @ 1c per KWH

Minimum Charge: \$1.00 per meter per month.

General Provisions: (1) On and after November 1, 1941, in the area North or beyond Mile 7, North Tongass Highway, and beyond or South of Mile 7, South Tongass Highway, no modification of this schedule will be made nor any other rate applied for residential electric service.

(2) This schedule is based on twelve months' continuous service. If applied to service six months or less, a connection charge of \$3.00 will be made. No application will be accepted for less than six months service.

ELECTRIC SCHEDULE "RC"—Commercial General—Rural

Availability: This schedule is available outside the city limits of Ketchikan for general commercial service.

Character of Service: Energy delivered under this schedule shall be single phase, 60 cycle, A.C., at nominal 115/230 volts.

Rate:
 First 200 KWH per month @ 7½c per KWH
 Next 200 KWH per month @ 3½c per KWH

All over 400 KWH per month @ 2½c per KWH

Minimum Charge: \$3.00 per meter per month.

ELECTRIC SCHEDULE "RP"—General Power—Rural

Availability: This schedule is available outside the city limits of Ketchikan wherever system facilities are adequate. This service covers energy supplied for general power purposes.

Character of Service: Energy delivered under this schedule shall be single or three phase, 60 cycles A.C., at nominal 230, 460 or 4160 volts at the option of the Utilities, depending upon the class of service available.

Rate:
 First 75 KWH per H.P. of monthly demand @ 6c per KWH
 Excess @ 1c per KWH

Demand: The determination of demand shall be:

Water Service

Residential or Domestic Service—Schedule A

Applicable to one customer at one premise. Establishments jointly occupied by more than one family shall be billed proportionately.

Rate—One person: First tap, per month \$1.00
 Each additional cold water tap, bath, lavatory, sink or faucet .25

Family—One or two taps per mo. 1.50
 With full service, consisting of one bath, one toilet, one lavatory, one sink and one laundry tub 2.00

Each additional cold water tap, bath, lavatory, sink or faucet .25

Minimum—Monthly charge 1.00

Applicable to apartment houses only.
 1 to 4 apartments inclusive, full service per apartment per mo. \$2.00
 5 to 9 apartments inclusive, full service per apartment per mo. 1.85
 10 to 15 apartments inclusive, full service per apartment per mo. 1.70
 16 to 19 apartments inclusive, full service per apartment per mo. 1.55
 20 to 24 apartments inclusive, full service per apartment per mo. 1.40
 25 to 29 apartments inclusive, full service per apartment per mo. 1.25
 30 and over apartments, full service per apartment per mo. 1.05

Minimum—Minimum monthly charge—the rate.

Note: The above schedule applies only if the entire water service is billed to and paid by one customer whether the entire service is used or not.

One motor—100 per cent of connected horsepower.

Two or more motors—75 per cent of connected horsepower.

Minimum charge:
 The minimum bill per month per connected horsepower \$1.25

Discount: A quantity discount will be allowed, based on connected load as follows:

From 1 to 20 horsepower connected load	5 per cent
From 21 to 100 horsepower connected load	10 per cent
From 101 to 200 horsepower connected load	20 per cent
Over 200	30 per cent

Apply to the office for additional rates and services.

Note: The quantity discount will not apply if the gross billing less the quantity discount is less than the minimum bill.
Terms: This rate is based on twelve months' continuous service.

Business and Miscellaneous Service—Schedule B

Applicable to business and miscellaneous service

Rate	Per. Mo.
Bakery	\$1.00
Barber Shop—one chair	1.00
Each additional chair	.50
Bath (public)—one tub	1.00
Each additional tub	.50

1-inch service	3.00
1½-inch service	5.00
Office buildings—each office or office suite	1.00
Syphons and hydraulic pumps	2.00
Theaters	2.00

All other classifications not specified shall be \$1.00 base charge plus 25 cents for each tap, fixture or faucet pair. The above rates are base charges only to

which will be added, unless otherwise provided, a charge of 25c for each tap, fixture or faucet pair. The base charge includes only the first tap or faucet pair.
Minimum—Rates as above covering service to one customer at one premise through one faucet or faucet pair. Each additional fixture takes additional charge.
Condition—All rates are for service only and do not cover any charge which will be made for installing, discon-

necting, or reconnecting any service furnished under this schedule. The right is reserved by the Utility to refuse service to anyone who is indebted to the Utility. For rates for water construction purposes, see schedule "G." All rates, except where otherwise specified, apply to service connections not over 3/4 inch.
Terms—The above rates are based on twelve months continuous service except for public schools.

Coded Fire Signals

Ketchikan Fire Department

When hearing signals count the blasts to determine location of fire.
Do not ask the phone operator.

22-22-22 is a telephoned alarm and not a box call.

Do not make unnecessary phone calls when the Fire Alarm sounds. It adds confusion to an already busy board and hinders the operators.

Obey the traffic ordinances! Sections 43 and 44 require you to place your car against the curb and to stop until the fire alarm and street sirens have ceased to sound.

Watch out for the second section or following fire apparatus.

MAP OF THE CITY OF KETCHIKAN

These two half-sections of the city map show principal points of interest. The channel, Tongass narrows, is at bottom of each half section. North is at left corner and south to right lower corner.
