For her years of service to education  
For her inspiration and dedication  
For her friendship and cooperation  
For her sincere human compassion  
For her devotion to students, other  
teachers  
And the administration  
For all these things and more  
We, the Class of '68,  
Dedicate this book to you,

## ANNUAL QUEEN

Congratulations to Sonja Whitton on being elected this years WILLIWAW Queen.

Sonja has lived in Ketchikan all her life, and while she considers her home town rather small, she is ever impressed with the friendliness of the people.

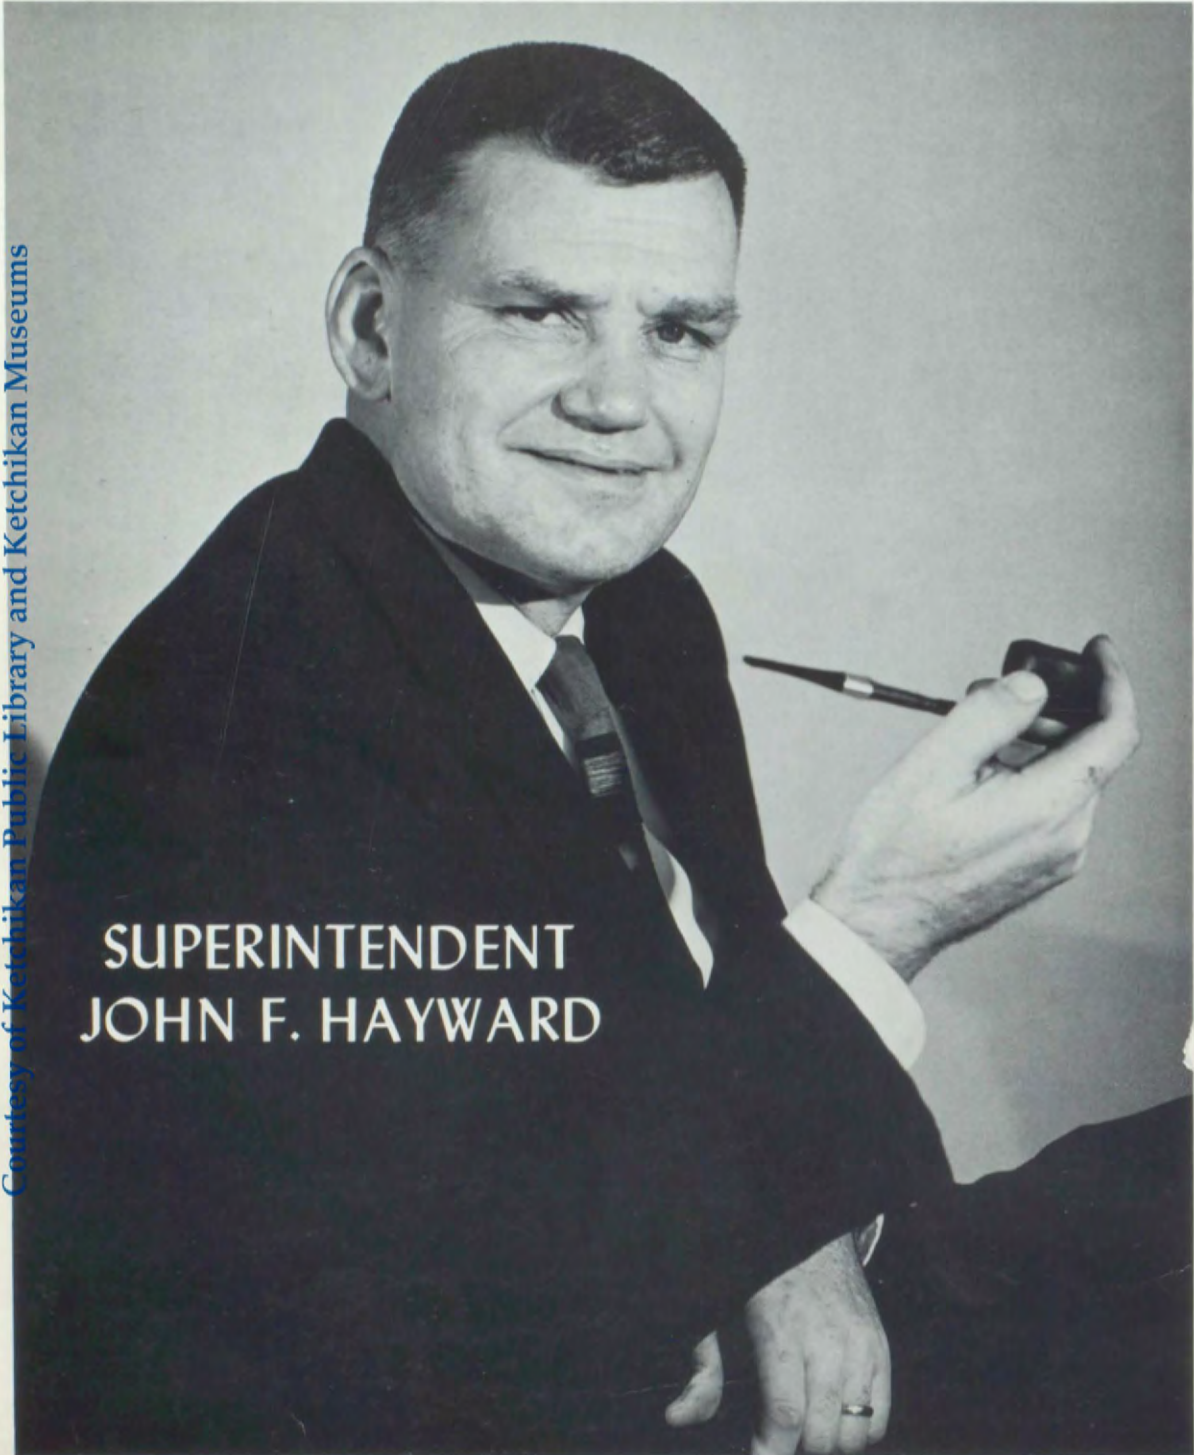

Ballet is among Sonja's many hobbies. Since first grade she has studied this art and has become quite proficient at it. Water skiing is another of her favorite hobbies.

Always an active member in school affairs, Sonja served as Freshman Class Treasurer and took part in the Freshman Frolic, "Happiness Is." Other activities she has been involved in during her three years at Kayhi include: Pep Club, Drill Team, Kay-tones, GAA, Chorus, Junior Varsity Pep Squad, Spanish Club, Varsity Cheer Leader, and Thespians. Moreover, she has always been a most willing helper whenever called upon.

A black and white portrait of a middle-aged man with short, dark hair, wearing a dark suit, white shirt, and patterned tie. He is smiling slightly and looking towards the camera. He is holding a dark, rectangular object, possibly a camera or a small box, in his right hand. The background is a plain, light-colored wall.

ENGLISH--that ever growing ever changing mass of symbols that make up our language. It's power is almost unlimited. In a whisk it can take you to strange foreign lands; it can take you through billions of light years of space to unheard of galaxies and other planetary systems. Time is no hindrance. It can be transcended with a word, a sentence, a paragraph, a book. It enables one to visit with the great men of all time and to view the world as they viewed it. One can sojourn through an odyssey of creative and imaginative minds. Time and space are infinite yet within the reach of anyone who reads. Your language, English, gives you this gift.

## Social Studies

HISTORY is mankind's memory. Reaching back to the primordial dawn we see a gradual evolution from the painted walls in the caves of Spain to glittering temples adorned with smooth, marble sculpture to the tumbling ruins of Montezuma's castle to the bustling metropolises of our present day, teeming and writhing with complexity. All this and more is history.

Mathematics possesses not only truth, but supreme beauty--a beauty cold and austere, like that of sculpture, without appeal to any part of our weaker nature, sublimely pure, and capable of a stern perfection such as only the greatest art can show.

## Science

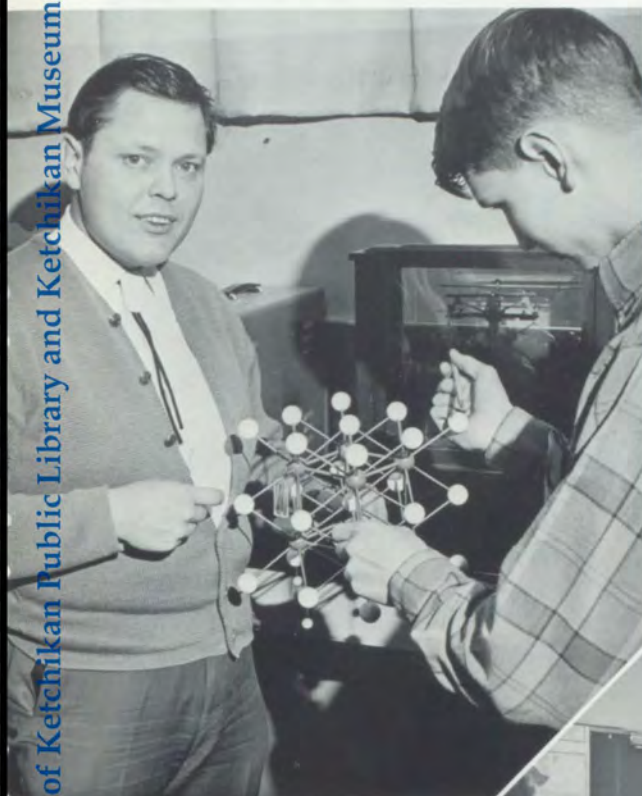

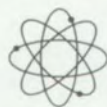

Science is a method  
By which investigation  
Of a question  
Leads to an intelligent guess  
Called an hypothesis.

Then

The hypothesis undergoes  
Thorough experimentation.  
If the conculsions agree  
Consistantly  
The hypothesis becomes a theory  
Which may one day become a law  
If no one discovers a flaw.

The contemporary home is a laboratory and the lady who runs it (if it is to be run successfully) will have to know how to run as many machines as are found in a small factory. She will be a dietician, cook and bottlewasher. She will have to know pediatrics and psychology. She will have to be as versatile as a renaissance scholar.

Do not grieve the death of the craftsman, for he is not dead. He has become a specialist and the user of intricate tools. Unlike his predecessor he has the power to manufacture and to deliver into the hands of the average person goods that would have dazzled the eyes of the wealthiest a mere century ago.

# Physical Education

Man is a physical and mental being. He lives best when both of these qualities are properly exercised. The body, being the temple of the mind, must be kept in good repair if the mind is to function to its maximum. One compliments the other. The body requires three main things--proper food, adequate rest, and exercise. With these needs satisfied, your body will serve you better than the most efficient machine ever built.

## NATIONAL HONOR SOCIETY

Being offered membership in TORCH is an honor reserved only for those who have demonstrated excellence academically and socially. Let the flaming torch continue to guide your step along the pathway of ever greater wisdom.

# PUBLICATIONS

Courtesy of Ketchikan Public Library and Ketchikan Museums

The PUBLICATIONS DEPARTMENT under the guidance of Mr. James Musson devoted its activities toward widening the scope of communications between the students and the community as a whole.

Responsibilities of the department included the publishing of this annual, Williwaw, and eight issues of Kayhitems. A new addition to the school's publications was a weekly thirty minute telecast, Kayhi Camera. The purpose of this program was to bring Kayhi to the community by reporting on the various activities that were taking place at the school. Each program also featured some activity of interest to student and adult.

The members of the staff also had one of their articles published in the New Alaskan. It was a joint effort. The staff, moreover, had members writing and working for the local Ketchikan Daily News. Another member was a disk jockey over radio station KTKN.

To say the least, it was a busy and productive year for the PUBLICATIONS DEPARTMENT.

Editor Chris Anderson, Allyson Jardine, Jenne Maureen, Gretchen Veerman, Editor-in-Chief Steve Laird, Bookkeeper Kathy Beausoleil, Make-up Les Elde, Jane Silko, Pam Simpson, Jo Ann Elliott.

Our life is like some vast lake that is slowly filling with the stream of our years. As the waters creep surely upward the landmarks of the past are one by one submerged. But there shall always be memory to lift its head above the tide until the lake is overflowing.

BISSON

The annual staff hopes that through the years this annual will often serve to recall pleasant memories of school days.

Out of the chaos, din, and excitement of the newsroom comes Kayhitem. By some miraculous and supernatural act the copy falls into place and its final form comes close to resembling--a paper? Members of the Kayhitem staff are as follows: on the outside track is Enid Elway, Geord Kleinschmidt, Linda Moeser, Rich Eide, Chris Anderson, Bob Burr, Dan Bates, Jane Silko, and Jo Ann Elliott. On the inside track is Don Moore, Frances Langloe, Mabel Skan, Chris Engel, Allyson Jardine, Roslyn Jones, Evelyn Douglas, and Otto Johansen. Frances Langloe and Otto Johansen were co-editors of 1967-68 Kayhitem.

Standing at the head of the Pep Club are Pep Club Officers Les Eide, Treasurer; Enid Elway, President; Chris Anderson, Vice President; and Janet Burns, Secretary.

## PEP CLUB

The Pep Club has the largest Club membership at Kayhi. Its purpose is exactly what its name implies--to generate PEP and school spirit among the Student Body. A school is a healthy organism only when a strong and loyal school spirit exists. And Kayhi's Pep Club exerts every effort to see that this spirit is stimulated and maintained.

By means of a point system a student body member may earn enough points to enable him to accompany the Kayhi Kings to the annual tournament. The point system acts as an incentive for keeping school spirit high by keeping students in active competition with each other to make the activities they are engaged in the very best.

This year tournament was held in Juneau. More than 100 students got to go. Yes, and the Kayhi Kings again won the Southeastern Alaska Championship. The Pep Club played no little part in enthusiastically supporting the Kings and cheering them on to victory.

## ART CLUB

Art is the tangible creation of man's mind  
which often survives its creator.

Officers are President Eva Bishop, Vice President Donna Lorentzen, Secretary Linda Moeser, and Treasurer Patti Bishop.

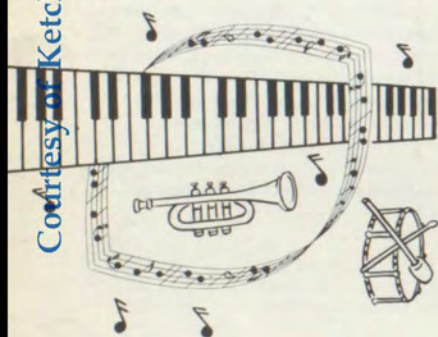

## FIRE SQUAD

The Fire Squad is made up of a group of students devoted toward protecting the school against fire. They are trained to aid in controlling students in the case of evacuation due to fire. They are also responsible in seeing that all precautions are taken to guard against fire. Their responsibilities are great, and they are greatly appreciated by students and faculty.

## THESPIANS

Thespis, a Greek dramatist, after whom the Thespian Society was named, was the creator of tragic drama. He introduced the actor impersonating a legend or an historical person with a speaking part which had previously been done by a chorus. To be a Thespian is to be an actor or

actress. In addition to acting talent, the Kayhi Thespians give members the opportunity to express talents in make-up, staging, back-drop engineering, and the many other talents that go together to produce a successful play. The

main goal of the Thespians is to contribute culture to the community while, at the same time, learning the basics of drama and all of the necessary disciplines that go with drama. Hard work is required, but the gain is priceless.

# CHORUS

Courtesy of Ketchikan Public Library and Ketchikan Museums

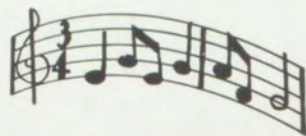

The Kayhi Chorus of 1967-68 was the largest in Kayhi's history--130 members. Under the direction of Miss Levermore, their performance in Christmas Vespers was a sparkling success. The program included Christmas music of M. Praetorius, a fifteenth century composer,

Tupaerum Refugium by Vosquin Des Prez who composed in the thirteenth century. More popular Christmas songs were also included.

## DRILL TEAM

## KINGS KNIGHTS

The Kings Knights is Kayhi's elite corps of students serving Kayhi in many capacities. Their duties include being doormen and ushers at sports events, concerts, and other activities requiring their services. When visiting dignitaries come to take a look at our school, it is the members of the Kings Knights that serve as their hosts. Requirements for membership in King Knights are stiff, as were the requirements for knighthood in the days of old. A Kings Knight must be courteous, cheerful, helpful and be able to maintain above average grades. The Kings Knights help make extra-curricular activities more enjoyable for everyone concerned.

## G.A.A.

G. A. A. (Girls' Athletic Association) met on Wednesdays in the Kayhi gym under the guidance of Mrs. Betty Marksheffel. Girls interested in athletics, from trampoline jumping to badminton, were welcome. In G. A. A. the girls learned many games, but, more important, they learned physical fitness.

# LATIN CLUB

To be a member of the Latin Club, a student must be in the process of completing or have completed two years of Latin. Under the guidance of Miss Margaret Hyde, the Latin Club this year had their traditional slave auction to raise money. Later in the year, they had their banquet.

# SPANISH CLUB

With Mr. Hunsaker at the helm the Spanish Club planned monthly foreign films and slides. They also had a few parties including one big Christmas bash.

## FRENCH CLUB

Parlez-vous français? If you do and have had a least one year of French, you can become a member of the French Club. Mrs. Susan Oliver is the advisor, whose purpose in organizing the French Club annually is to have fun. Just for fun, members play French games and prepare French dishes, which they devour with relish.

Mari Salizar, Karen Pearson, Debbi Taro, April Churchill, Sue Hardesty, and Sonja Whitton.

## VARSITY CHEERLEADERS

The Varsity Cheerleaders were chosen in the spring by the entire student body. Besides their cheerleading they took part in such activities as selling ice cream at noon throughout most of the year. Profits went toward the purchase of pom poms, megaphones and other necessary equipment. New routines were tried this year which included a few dance steps and more emphasized motions.

Jeanie Johnson, Mary Lou Thompson, Tonia Lovett, Debbie Singstad, and Judi Christianson.

## SENIOR CLASS HISTORY

In the fall of 1964 the bewildered and bedraggled students of the class of 1968 met the first turn on their road to independence.

Charles Lasiter was elected president assisted by Jo Ann Elliot, vice-president; Pat McCracken, secretary; Linda Amundsen, treasurer; and Allen Zink, sergeant-at-arms. John Brown representing the Frosh athletic ability was on the varsity team and also in Cross Country. That year Kayhi won the All-Alaska Basketball Championship.

As we approached the second turn in the road, we were now led by Peter Nault, president; Enid Elway, vice-president; Kathy Carlin, secretary; and Jeannene Henley, treasurer. We were proud of the twelve members of our class who proved their scholastic ability when they were tapped for Torch. Our sophomore dance, the "Witch Hop," was an appropriate Halloween theme, and also boosted our small, but growing treasury. David Price and Peter Nault were outstanding runners in track that year. Both Phil Jackson and John Brown represented our gifted class on the varsity team. With those two how could we help winning the State Championship again that year!

As we came to our third turn, we sighed with the sense of accomplishment. At last we were upperclassmen! We started off by electing tip-top officers to guide us. Our president was Steve Boyd; vice-president, Terry Gardiner; secretary-treasurer, Sue Hardesty; Janet Burns and Peter Nault were our representatives at the student council meetings. Our class was well represented in school activities that year. Enid Elway was pep club secretary; Chris Engel was editor of the Kayhi Corner; John Brown, Phil Jackson and Steve Boyd were part of the mighty Kings, and Sue Hardesty, Sharon Caldwell and Mari Salazar were varsity cheerleaders. Linda Amundsen, Terry Gardiner, Carol Ludwig and Steve Amos were the Junior candidates for Homecoming King and Queen. Terry Gardiner and Ron Simpson were top debaters in the debate tournament held in Ketchikan. Enid Elway won the honor of best actress and best supporting actress of the year; that was the first time a Junior received either award. The Junior Jinx, "Love Letters," was a Valentine dance at which everyone enjoyed the sounds of the Glaciermen. In April, the multi-service room was transformed into "A Night of Wine and Roses" for our Junior Prom. It was a tremendous success; the decorations were beautiful, and music by a Sitka band was a special highlight. Of course, we were State Champs that year too!

At last we approached our final turn on the road. We were sorry that David Douglas and Bill Joudrey could not be with us, for we lost them through a tragic drowning those previous summer months. The Student Body Officers were Ron Simpson, Steve Boyd, Sue Hardesty and Jo Ann Elliot. Our class officers were President Bob Burr, Vice-President Doug Thompson, Secretary-Treasurer Mari Salazar and Janet Burns was once again the student council representative. Our first task was the Senior Carnival held in November. Don Serbin, as chairman did an excellent job. It was a major financial success, necessary for our coming events. Again we started off with John Brown, Phil Jackson, and Steve Boyd as senior members of the basketball team to lead us to a fourth All-State Victory. Mari Salazar and Sue Hardesty were the senior cheerleaders. The Homecoming King and Queen candidates representing our class were Linnie Fournier, Mari Salazar, Dale Collins and Peter Nault. In March, we took time out to celebrate another State Championship--a new record! As we traveled forward we paused briefly for Senior White Day, Senior Dress Down Day, Baccalaureate, and our final goal, Commencement. Now, as we reach the intersection of the road to independence, each will choose his own destination.

Mari Salazar  
Secretary-Treasurer, Class of '68

Say cheese!

Upperclassmen, alumnae and their dates all had a terrific time at this year's pink and silver Senior Ball.

Caught in the act!

Western Airlines offers Alaskans one-airline jet service, over 4,000 miles, along the Pacific Coast from Alaska to Mexico.

This means travelers and shippers alike enjoy the convenience of Western's dependable on-time service, experienced North Country flight crews, and friendly en route hospitality.

Next time you travel south, on business or pleasure, make your jet-a-way reservations with Western Airlines.

You'll see why Alaskans who are going places—glamorous, far-away places like Mexico City and Acapulco—go the one-airline way.
