INTRODUCTION

The '68-'69 Williwaw staff has tried to capture the spirit of Kayhi within the bindings of this annual. We feel people are the most important element of school and therefore of this annual. We salute people as they work, as they play, as they learn to live and live to learn. We doff our hats to the individuals who boldly step out of the certainty of the past to face the unknown of the future. May you always be proud to be an UNCOMMON MAN.

This year's cover was designed with the belief that the reader should have the benefit of unforeseen knowledge when entering the pages; then upon completion of the book, with a conclusion of his own, not subject to the influence of a particular design, he may freely create his own impression.

COLLEEN FLORIAN

ANNUAL QUEEN - '69'

Junior Annual Queen candidate Debbie Singstad was first runner-up.

DEDICATION

Our world was built upon the ideas of the individual who had foresight enough to believe in his ideas. Our knowledge of science has advanced from the idea of a flat world to the prospect of landing on the moon; government has envolved from a feudal system to a democratic government for the people by the people. This has all been accomplished by the uncommon man in society.

Our annual is dedicated to this uncommon man, the man upon whom our future lives will depend, the man who has the strength to stand alone in a crowd and voice his opinion.

In the life you choose, be an individual—be that uncommon man.

THEME

I DO NOT CHOOSE TO BE A COMMON MAN

It is my right to be uncommon - if I can.

I seek opportunity - not security. I do not wish to be a kept citizen, humbled and dulled by having the state look after me.

I want to take the calculated risk, to dream and to build, to fail and to succeed.

I refuse to barter incentive for a dole. I prefer the challenges of life to the guaranteed existence; the thrill of fulfillment to the stale calm of utopia.

I will not trade freedom for beneficence nor my dignity for a handout. I will never cower before any master nor bend to any threat.

It is my heritage to stand erect, proud and unafraid; to think and act for myself, enjoy the benefit of my creations and to face the world boldly and say, this I have done.

- Dean Alfange

PRINCIPAL R.W. STEKL

SUPERINTENDENT OF SCHOOLS

JOHN W. HAYWARD, Superintendent

John F. Hayward was elected Assistant Superintendent of the Ketchikan Gateway Borough School District in 1965. He was appointed superintendent of schools in 1966.

From 1952-1965 Superintendent Hayward worked in Petersburg, Alaska as grade teacher, elementary principal, guidance counselor and high school principal. He was appointed Superintendent of Schools in 1956 and has worked in that capacity continually.

Hayward was educated in Michigan where he attended public schools in Grosse Point, Michigan; Birmingham, Michigan and Detroit, Michigan, the place of his birth.

After leaving Detroit in 1942 he worked as a surveyor in Terre Haute, Indiana and as a truck driver in Edmonton, Alberta, Canada and on the Alcan Highway.

His college career began in Bellingham, Washington at Western Washington State College. After graduation he taught for two years in Conway, Washington before enrolling in the graduate school at Columbia University, New York. Armed with a Masters Degree and supported by Fern, his R.N. wife of three years, he sought his future in Alaska in 1952.

Two lovely children, Christine and Cathy, were born in Petersburg in 1958 and 1960.

Mr. Hayward lives on South Tongass with his family: Fern, Chris and Cathy, father Francis C. Hayward, two Samoyeds, Samantha and puppy.

Guiding students through their most important and impressionable years are their high school counselors. They are the most sought-after officials in the school because of their aids to needful students. Their advice is respected and needed, and usually students look upon them as friends--who are willing to lend a helping hand as well as ear.

Complete involvement in wordly affairs and business ideas lead to complete absolution for objects of adoration and enjoyment. In a time-consuming world, such as the one of today, much time is lost in the concern for progress. Although it is only proper for progress to continually take shape, some time must be allowed for relaxation. A world filled with blithe, carefree, sometimes melancholy tones... music is one to be appreciated and desired. Music can put the mind at ease more than anything else. Students with the talent and endeavor to undertake a position in the world of music are encouraged to take part in any of the three music fields offered at Kayhi...glee club, chorus and band.

Develop, continue, progress, this is the pattern of life; in not only high school, but every time a new effort is encountered. To stand, to walk, to run. It is all a part of the pattern to which our life is forever bound. In high school the developing stage is found in the sophomores. Here the nine previous years start to show results. The junior year is merely a continuation of this development yet unique in itself. Progress is rewarded in the senior year. The knowledge gained through the past years of school is all put to use in the senior year. Tests, term papers, class recitations, all call for the ultimate tapping of facts discovered in the past. Success? That is up to the individual. He may either be satisfied at just achieving progress or striving to gain higher stations in life. Success is the final goal. Develop, continue, progress.

OUR 1st. EXCHANGE STUDENT

Courtesy of Ketchikan Public Library and Ketchikan Museums

Terry came to Ketchikan in August of 1968. She lives with the Palmer family, who she considers her second family.

She is from Cochabamba, Bolivia, where her father is an attorney and her mother is a junior-high school principal.

She finds school here quite different from her high school in Bolivia. She is required to take 14 subjects in an 8-hour day there. Her graduation from Kayhi will not be the end of high school for Terry, though. She will still have to go back for a year to her school in Bolivia so she can get her diploma there.

She finds quite a few other things different, also. For one thing, the weather. Cochabamba is a valley where there is no snow. When she first came here, she thought it was the end of the world. She loves the snow, now, and has even learned to ski. Another big difference is the parents. She finds that the teenagers are much more independent and the parents quite a bit less strict.

She found the people here very friendly, and will miss them a lot. She says she enjoyed the school very much and maybe, in a few years, will come again to visit.

Teresa Elizabeth DelGranado

"THE SENIOR CLASS HISTORY"

In the autumn of 1965 the energetic class of '69 entered the sacred halls of Kayhi. It was a big step forward for us. We started our year out by electing our class officers-president: Clay Keene, vice president: Karen Pearson, secretary: Chris Anderson, and treasurer: Sonja Whitton. Our highlighted event was the Freshmen Frolic chairmaned by Chris Gregory and Chris Anderson, where the class of '69 portrayed in their opinion just what "Happiness Is". It was a big success. Much enthusiasm was extended for our year. The class of '69 was represented by eight athletic boys who played on Kaylo: Jim Taro, Tom Bergeron, Dave McConnell, Tom Borgen, Clay Keene, Dale Tillson, Kit Keyes, and Dan Hall. Karen Pearson was our yearbook queen candidate.

The next year our class seemed to have adopted a new motto--"Taking Part"--a motto we lived up to completely. As leaders for this ambitious class we elected Rick Eide, president: Kit Keyes, vice president: Peggy Grimm, secretary-treasurer: and Robert Zeigler, SBA representative. The school was very wise in selecting Chris Gregory as Yearbook Queen. Our State Championship Ball Team was blessed with five athletic individuals from our class. And then again we found that we were subject to produce three of the six varsity cheerleaders: April Churchill, Debbi Taro and Karen Pearson, who added style and class to the cheerleading squad. Our Sophomore Soc Hop, chairmaned by Debi Cessnun and Peggy Grimm proved very profitable to our meager but expanding treasury. We took pride in being a part of a growing sport--wrestling. The individuals wrestling from our class were: Garnet Dima, William Metcalf, Phil Brand, and Roy Dowdy. These boys tied for first place in a tournament held in Sitka. J.V. Cheerleading is another activity originated by our class. Members were: Chris Gregory, Hope Locke, Sonja Whitton and LeAnne Parrish.

The class of '69 had one goal in mind as we again entered Kayhi for our third year. We were now upper classmen seeking a sense of identity. We elected Kit Keyes: class president, Clay Keene: vice president, Donna Lorentzen: secretary-treasurer, Cara Benner and Robert Zeigler: SBA Representatives. Everyone did his part in making a name for our class. Donna Lorentzen and Bob Larson were selected to attend Boy and Girls' State. Chris Anderson was selected Pep Club vice president. Our luck held out as our class put on the highlighted event of the year--our Junior Prom--"Love is Blue", chairmaned by Donna Lorentzen and Debbi Taro. Chris Gregory and Chris Anderson chairmaned the Junior Jinx, "Trick or Treat", popularly known for its financial success. Another activity which the Junior Class put much time and effort into was the class play "Out of the Frying Pan." Our leading stars were Marilyn Michalsen and LeAnne Parrish. This play gained much applause for our class. Homecoming proved widely successful as Le Anne Parrish was selected co-chairman.

Again in '68 our basketball team won a state championship. Playing for the Kings from our class were Kit Keyes, Clay Keene, Rick Eide, George Brown, Tom Borgen, and Harold Haynes. We were all proud of them. April Churchill, Debbi Taro, Karen Pearson, Sonja Whitton and managers Elaine

Erickson and Chris Anderson were of much value to the Kings with their cheerleading ability. Dan Hall is to be recognized for his outstanding track performance and Bob Larson for the great job he did in debate.

Our class can also boast its Homecoming nominees--Karen Pearson; Clay Keene, Elaine Erickson, Robert Zeigler, and then the Yearbook Queen Sonja Whitton. April Churchill won first prize in the Talent Show. To complete this pack-filled year, twenty five of our fellow class mates were tapped for the highest honor our school gives--Torch.

If one word could describe our Senior year it would be "BUSY". Our officers were Robert Larson, president; Cathy Brozena, vice president; Marilyn Michalsen, secretary; Linda Hopson, treasurer, and April Churchill as SBA representative. SBA officers were Rick Eide, president; Clay Keene, vice president; Cara Benner, treasurer, and Anita Corbett secretary. Pep Club officers were Chris Anderson, president; George Price, vice president; and Jane Silko, secretary-treasurer. Pep Club representatives were Colleen Florian, Dave McConnell and Peggy Grimm. Mark Holum was elected Torch President. Our Senior sponsored event was the Democratic-Republican Convention. Heading these two groups were: Democrats; Leif Caspersen, followed by Donna Lorentzen, George Price, Michele Zervetz, and Stewart Edwardson. Republicans; Rick Eide, followed by Bob Zeigler, Debbi Cessnun, Chris Anderson, Clay Keene, and Pat Layhmeyer.

Of course our basketball team made up of the following seniors: Clay Keene, Kit Keyes, Larry Hamlin, Harold Haynes, Rick Eide and manager Dan Hall did a great job. Our wrestling with Jay Urquhart and Rick Zaugg won the Southeast Trophy for first place. Our first major concern for the year was our Senior play, "Kiss and Tell", student directed by Chris Gregory and Chris Anderson. Will any of us ever forget Dexter Franklin or Corliss Archer portrayed by Rick Eide and Jane Silko? The 1969 Annual Queen, Colleen Florian was again elected from our class. Cara Benner won the Betty Crocker Homemaker Award. The Homecoming events were highlighted with Debbi Taro and Tom Hunt as King and Queen for 1969. Runners up were Marilyn Michalsen and Bob Larson. Chris Gregory, Bob Zeigler and Sandi Quinn and Ray Shull were also candidates. Elaine Erickson edited the Kayhitems and Chris Anderson the Williwaw. Many things proved entertaining for us--our Senior Ball, "There's a Place For Us," with LeAnne Parrish and Elaine Erickson as chairman was one of them. Clay Keene and Elaine Erickson reigned as queen and king for the evening. Others were senior white day, chairmaned by Leif Caspersen, Chris Gregory, Chris Anderson, and Stewart Edwardson, Senior Dress-Down Day, Baccalaureate, and our final goal--commencement.

The past four years have been full of exciting experiences from the Freshman Frolic to the Commencement. We have learned the values of friendship, the meaning of leadership, and the benefits of a good education. Now--we step out into the world.

Oh, That Class

Caught offguard, the Seniors of '69 proved very interesting camera material. In these pictures perhaps you will get a glimpse of the fascinating people they really were. As Seniors, they diligently tried to set an example of good behavior, dignity, and good taste in whatever they said or did on or off the school campus.

A shining example of the exciting life that lies in wait for many seniors in years to come.

There's no looking behind for the class of '69.

JUNIORS SUCCESSFULLY SLIDE INTO SENIOR YEAR

ACTIVITIES

I prefer the thrill of fulfillment
to the stale calm of utopia.

Activities form a large part of the pattern of high school days. These entertaining activities act as supplements to a student's education. While students are in school mainly to gain knowledge, these extra animations help them learn to live together socially. Actually, the students receive an education in the companionship area, allowing them to fit more easily in the pattern of life. These activities are not only for fun, such as dances or rallies, but some require more than just attendance. They demand participation as in wrestling, basketball, and track; talent--such as music concerts; and education--as in language clubs and debate. The enthusiasm that is aroused by the activities necessitates a longer and lasting united school feeling.

S.B.A. OFFICERS AND

Based on the representative system, Kayhi's Student Council is the governing body of the school. Members are elected by their classes and support the interest of that class. The members participate in small discussion groups in order to give more insight into matters brought before the general body. One of the most active organizations the SBA has sponsored several activities. Among the ever growing list was a school concessions to aid in the exchange student fund, and the library partitions to benefit interested students. The SBA also sponsored the Democratic and Republican Convention in October. As part of the official duties, the SBA held the welcoming party for the exchange student.

PEP CLUB COUNCIL

President Chris Anderson
Vice President George Price
Secretary-Treasurer Jane Silko

Pep Club's Chief goal is to work in co-ordination with the Student Body Association in promoting student participation in all activities. It consists of three officers, President, Vice President, Secretary-Treasurer, and three representatives from each class which combine to form a council. It has the largest club membership in school.

It is hoped that the publications staff has entertained and been informative to the student body of Kayhi.

OFFICE GIRLS ASSIST ADMINISTRATION

The Debate Club has been very successful. The group has participated in several debates throughout the state.

The members of the Speech Club put a lot of extra time in their selections. Extemporaneous speakers must keep tabs on the current events of the world. Debaters must continually add to their arguments, and winners in the interpretations must find a new selection and perfect it.

Girls interested in secretarial work can join the office staff in place of a regular class. Learning office procedures, operating machines, and running errands are just some of the work the girls must do. Gaining experience, while helping the office staff, is the job of the girls. Efficiency in office procedures is partially due to the help of these girls.

BAND, PEP BAND PROVIDE MUSIC

Allen Porter directs both band and pep band. During games and classroom practices, LeeAnne Parrish, the student director takes over. Much of the time is spent in practice. The band plays for pep assemblies and basketball games. In March of this year they gave a concert.

The instruments the band features to achieve the swanky tone that is produced consists of trumpets, saxophones, trombones, clarinets, basses, drums, and cymbals. Two new additions to the band are a xylophone and tamborine.

The old band uniforms were replaced this year with maroon jackets and black skirts and pants. Pep band wears the maroon jackets with white skirts and pants.

SPORTS

It is my heritage to stand erect, proud and unafraid.

Action is the enlightenment of human experience. To be in the swirl of movement, participating in exerting sports can be the most exciting moments of high school. Sports make high school life; even when not in the spurt of action, sports can give students a feeling of vigor. Without the excitement of sports and spirit it creates, high school would be quite dull, with very few high points. The spirit that is aroused not only urges the basketball, track, cross country and wrestling participants on to victory, but it also makes the students respected in the eyes of others. These "activities" give the players a feeling of pride, besides giving them a feeling of accomplishment in playing the games and serving their school. It really doesn't matter whether they win or lose. The effort and spirit that is created is what matters in the truly fascinating world of sports.

VARSDTY TEAM

Kayhi had one of the roughest schedules it has had this past year. While Juneau and Sitka both beat us by a bare margin; Kayhi beat Wrangell, Petersburg, and Prince Rupert. The games this year were the most exciting games in the past decade, even though Kayhi didn't win every time.

The players, consisting of sophomores, juniors, and seniors, met stiff opposition, but proved to be aggressive foes. The team put forth their best this year, as did the pep club.

HOMECOMING

'68

If one word can possibly describe homecoming, it must be "anticipation."

The excitement of wondering who will grace the royal court; the eager moments before the bonfire finally begins to blaze; the plans for a fancy hairdo (later ruined in the rain); the prayers for victory over arch rivals--all this is--The Thrill of Anticipation.

Rufus Bunch runs his fastest in the Haines tournament.

In its fifth year of existence, the Kayhi Cross Country Team walked away with its first trophy. With the help of Coach Tom Hunt, the team progressed to an unbelievable point. We feel that our team deserves a lot of praise for its hard work and fast running.

9 School Records

Some of Kayhi's most athletic students participated in track this year. Of the original 14 members, the nine die-hards set new school records in nine events: the mile run, 880 yds., 440 yds., 880 relay, mile medley relay, high jump and triple jump.

Members of the '68-69 track team were (back row) Remond Henderson, Clay Keene, Gary Marr, Kit Keyes, Harold Haynes, Bob Anderson, David Anderes. Front row, Dan Hall, Lowell Tschettar, Rick Boyd, Don Hosier, John Kristovich, Mike Speer, Lane Washausen.

Coached by Bob Packard, Kayhi cindermen hosted two invitationals, a Jr. High invitational and a Lions Club meet. Kayhi also met with Wrangell Institute, participated in one air mail meet and traveled to the south east tournament in Mt. Edgecumb.

BASKETBALL

The JV.'s did an excellent job this year with a record of 17 wins and 3 losses. They were a tough team to beat. Their best game was with Juneau JV.'s. The final score was 37 to 56, our victory.

Here we see Gary Marr, Dan Hook and Bob Berto in action. These ball players were the ones who really hustled and played real fine ball.

STANDING IN LINE FOR THEIR TRY TO GET THE BALL FROM A KING

The games between Juneau and Kayhi have been known through the years as the real serious ones. But this year Juneau seemed to be too much for Kayhi. The high scorer the first night was Tom Craig with 18 points. The second game's scorer was the hot handed Harold Haynes with a total of 15 points. All of the boys played a real hard game but the full court press proved to be too much.

The final score the first night was 74 to 68, Juneau's victory, and the second night 71 to 60, another one for Juneau.

Sitka's VIKINGS have always been a strong team and here we see them in action against our KINGS. Freddy Bass seemed to be everywhere this night and did a real fine job of playing ball. The final score was 53 to 56, a close game but not the KINGS' victory. The second game was one with a larger margin, 74 to 61, Sitka's victory.

Eide was the total high scorer with a total score of both nights of 30 points, Haynes was next with a total of 27 points. The others did their part also and it seems as if we will have a stronger team next year.

The first game in a two game series with the Wrangell Wolves saw three KINGS scoring in the double figures. Eide scored 11, Keyes with 13, and Haynes had 28. These three led the KINGS to a 72-56 sweep over the WOLVES. The second game was quite a different story, with Kayhi just squeezing by with an exciting score of 60-59. Both games were action packed and showed the KINGS playing at their best.

The next day, they saw the easy defeat of the Hoonah Braves by the Kings and the upset of the year when Juneau barely managed to frost the Kake team.

The swimming pool became a very popular spot in a very short time. And it was given quite a workout. The fellows engaged in a revised form of water polo which resulted in periodic eviction from the pool to clear the water of the vast amount of blood shed during this activity. Gary Marr managed a few high dives without becoming a casualty like the rest who tried it.

The Kayhi fans returned on the second day to witness the tragic defeat of the Kings by the Bears, placing them into the loser's bracket for the rest of the tourney.

TOURN

AMENT

The return trip home on the ferry enabled some (for the first few hours, anyway) to laze around on deck and soak up a little sun (heh heh). LUCKY thing for these three. Everyone was so tired by the time the boat neared home that many went through the wrong doors and had to be returned to the right track. This proved to be embarrassing in some situations.

WRESTLING

LEFT TO RIGHT: R. Mackie, M. Haynes, T. Martin, C. Collins, H. Jackson, M. Martin, R. B. Bunch, G. Brounty, B. Moran, F. Ebbs, L. Clark, R. Ludwigsen.

Wrestling has been an unpopular sport for the past 3 years but this year it really took hold. They had a nice turnout of about 30 kids with about 15 men staying on during the rest of the season. They have lost 1 match this year and have a good chance to take the state championship this year. Lettermen returning this year are R. B. Bunch and Mike Elerding. The match they lost was to Juneau whose team has a new coach this year but so does Kay-Hi and they are both strong teams.

Athletic Carnival

Provide Video

Two boys are shown hammering in a financial victory for the Kayhi athletic department.

Cathy Broenz displays cakes in the GAA cakewalk.

The annual senior carnival was taken over by the athletic department in order to raise funds for the audio-video tape system which was purchased this year.

Nearly \$1000 of the needed \$3500 was raised through the efforts of the cheerleaders, GAA, drill team, and the basketball, cross country, track and wrestling teams.

The video tape system, while purchased by the athletic department, is to be used by the entire school. This year the tape system was used by the speech department and drill team, as well as the basketball, track and wrestling teams.

TRANSPORTATION

You can't see in, but...

Willies cherry little '55.

Rick Zaugg never quits.

Good news for people on the go!

Western Airlines, the Alaska Flag Line, links Ketchikan, Juneau, Yakutat, Cordova, Anchorage, Homer, Kodiak, Kenai, and King Salmon.

Western also offers convenient daily one-airline service to Seattle and the major Pacific Coast cities of the neighboring 48 states. Plus the only one-airline service from Alaska to Mexico City and Acapulco.

Little wonder more Alaskans on-the-go, go Western Airlines!
