and find their star.

When the night comes
And the day's but a memory
Of all the shattered little dreams
That little people dared to dream
While growing up in their lonely worlds,
I will laugh as only madmen laugh when
Fear is their only emotion.
For a dream is only as little
As the person dreaming,
And the night
As dark as the eyes that see it.

Mr. Charles Lowry - Principal

I have noted a great improvement in spirit this year. Credit must be given to the students themselves for such improvement. It is something that comes from within. Good spirit means happy people, proud of their organization. I have enjoyed this year very much. Thank you, Kayhi.

SENIORS '76

We've come along way and yet we see freshmen looking in with wonder, seniors look out and wonder...

We've learned to dream, to concentrate and lead. Yet still the many corners and turns there are to look onto, hold the stars above our heads. We look for help in others to cling to understanding in building,

JUN

IORS

The class of 1977 has eagerly awaited its turn to move into the leading role of our high school years. Having pep, spirit, leadership, and talents, Juniors have already set out to make their mark at Kayhi.

There are five Juniors on the Kayhi Kings: Bim Mears, Larry Settje, Frank Lane, Tom Hanks, and Shawn Richardson. Junior girls dominated the field of Girls Athletics. Tracy Chapman and Dorothy Arriola make up half of the Cheerleading squad. Many Juniors went to Southeast Honor Band; and Margie Flanagan, junior, one of two people chosen from Alaska, participated in McDonald's All-American Marching Band in New York. Juniors are involved in just about every activity and club that is offered at Kayhi--Pep Club, Mat Maids, Drill Team, Wrestling, Swimming, and Student Government.

With three years of fun, learning, and growing behind us, we're ready to take over as Seniors next year. The mighty class of '77" reigns!

To the Sophomore Class:

All your life you worry about being in a 'bum' graduating class. You worry about being termed as 'uninvolved' or 'out of it'. If you are concerned, you watch your class grow and develop; you see new people coming into it, and sadly old friends leaving it.

Now that my class and I have reached our sophomore year, I realize that we have nothing to worry about. With seven sophomores on the J.V. basketball team, we also have one on the varsity squad. The sophomore class holds two of the four varsity cheer leading slots and one of the J.V.'s. You can hardly call that 'uninvolved'! And then turning from the sports side to that of music; four sophomores were among those chosen to make the trip to Haines for Southeast Honor Band. Also, one held the distinction of making the trip to Anchorage for State Honor Band. There's no way you can say we are 'out of it'. These are just a few of the areas that sophomores have participated in.

So now after reading this, you will realize, as I have, that we have nothing to worry about. And I know that my class will be remembered for a long time as one of the GREATEST.

Sea Ed. Cooking

In Sea Ed. Cooking this year we have learned more than just how to prepare food. At the beginning of the school year we learned the names and how to use the equipment. From there we went on to learn terms used in the preparation of food. Then we started to actually prepare food. We started with easy things such as, biscuits and rolls, then came the cookies, cakes, and pies. Now we are working on main dishes. All the products were made from scratch.

Before the school year ends, we have to have a final meal. Each unit must prepare a dinner with all the trimmings. Each person has to invite an adult guest.

We are planning to tour the Sun Princess, the Dean Foss tug boat, a bakery, and Log Cabin Grocery. At the Log Cabin we will have a lecture on meats and cuts of meats. We will also learn about vegetables.

It has been a very tasty year.

F.H.A. - H.E.R.O.

FHA-HERO (Home Economics Related Occupations) Ketchikan has the only boys in FHA-HERO in the state of Alaska. The boys FHA-HERO club worked hard this past year preparing for a trip up to Anchorage to go to a state convention, April 21. Some of the many fund raising activities we sponsored were selling lightbulbs around town, various school activities, such as dances, and working at many concessions during basketball games and dances also, at brunch break we sell doughnuts and chocolate chip cookies. Our three hard-working young men who have set a goal for their classmates to go to the convention are working hard everyday selling doughnuts and thinking of some other money-making ideas. The three boys are Bill Cytanovich, Scott Roberts, and John Boone. We also have plans for a Easter party at White Cliff. And we gave a Dinner for the older folks at Thanksgiving. (Left)

From left to right: Miss Mary Jo Turek, Jewel Burton, Henry Wise, Rod Landis, Ray Turek, Marie Jewett, Diane Jaynes, Jean Aegeter, Lisa Henry.

For the first time in years, the French Club has been active in fund-raising projects and even broadcasting over the new F.M. radio station. Under the leadership of Miss Turek, French Club has raised enough money to rent a film, has participated at the ball games selling concessions, and has purchased various materials for the language department.

We started out slowly this year, but now there are eight members: Lisa Henry, Jean Aegeter, Rod Landis, Ray Turek, Henry Wise, Marie Jewett, Jewel Burton, and Dianna Jaynes.

Lettermen's Club:

Our purpose is to further the cause of athletics at Kayhi. This year athletics has grown with cross-country taking 2nd in Southeast; Wrestling on their way to 1st in Southeast, Basketball doing well before tourney, and the newly organized track team to begin in April. The Lettermen's Club has tried to strengthen and reward outstanding contributions to sports by giving a sports' banquet and individual trophies for various standouts. Awards are given for cross-country, Five for Wrestling, two for Basketball, and an outstanding athlete award.

GIRLS' VOLLEYBALL

This was my first year as the girls' volleyball coach. Our girls' volleyball team had a winning streak of 33 straight games, won four tournaments, and took the Southeast Championship. At state, which was held in Anchorage, we were defeated by this year's state champion, Bartlett High School.

Our team was blessed with several good athletes. Speed and defense was the key to our team's outstanding record. Seniors Ski Wendeborn and Harriett Hamilton did a heck of a job for us. The remainder of our team will be back next year, with Debbie Hamilton, Mardel Williams, Tami Ott, and Sue Williams, a lot of great talent to build a team around. Also we have some good young prospects coming back, and the competition should be good.

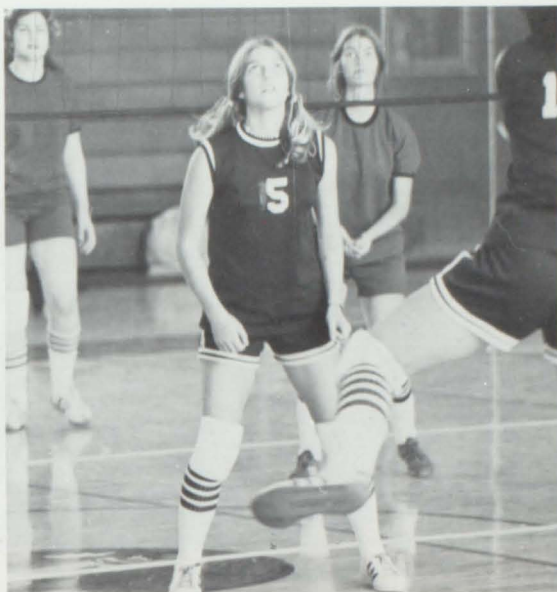

Our season record was 37 wins against 3 losses. Next year we hope to do even better, but the competition will be very good as many of the southeast teams were young this year. I think the Anchorage trip was a real "eye-opener" for our girls and myself. We saw how well girls do play volleyball and this should improve our game.

I have coached boys' athletics most of my life and have enjoyed coaching them. This was the first year as girls' coach and it too has been great for me. We hope to improve the girls' athletic program even so next year! Mr. Ortiz

KAYHI GIRLS' BASKETBALL

The Kayhi girls' basketball team made it to the championship game of the Southeastern playoffs at Mt. Edgecumbe this year. The Kayhi girls were top seeded but were defeated by a tall squad from Juneau. Coach Dick Ortiz's team compiled a conference record of 13 wins against 3 losses. This is the best won-loss record in girls' basketball at Kayhi.

Coach Ortiz was very proud of his girls this year, especially with last year's star player, Joy Hack gone. Many people didn't figure us to be very effective but only Juneau was able to defeat us this year. As with most girls' teams in Southeast, good sound fundamentals are lacking. Shooting and putting the 'ball in the hoop' were planned to be worked on over the summer.

This year we had only two seniors playing for us. Senior starter and top rebounder, "Ski" Wendeborn, was picked for the all tournament team. "Radar" Casperson, the other senior, saw some reserve action for us. Our top scorer and good rebounder, Debbie Hamilton, was also picked for the all tournament team. Mardel Williams, who ran our offense and scored well outside, was also picked for all tournament. The best defensive player and second best scorer of the girls this year was Tami Ott. The youngest starter and good outside shooter was Mel Mears.

Others on the team were: Kim Tucker, Agnes Moran, Sue Williams, Kim Jansen, Darleen Jensen, Kari Zagar and DeAnn Bergh.

INDIAN EDUCATION "1976"

A picture of the Raven Totem Pole at Saxman taken by Pat Bryant.

The fourth hour YAH-K'II staff posing as a totem pole. Mike Wallace, Rod Landis, Brenda Sharp, Karen Ridley, Pam Kristovich, Kathy Bolling, Linda Edwardson, Allan Rodriguez.

This is the first year the Indian Education Program has been a part of the Ketchikan Gateway Borough School System. The students at the High School have been working with Mrs. Eleanor Sullivan, doing original research, taking and developing their own photographs, and learning how to compile their material into a magazine. Thirty-two students worked together to publish the first issue of YAH-K' II. They are already working on the second issue.

The Indian Education Program makes free tutoring and counseling services available to all students within the School District. Resource people are also available to teach Native Arts and crafts in the schools.

The Indian Education Center is located at 706 Totem Way. Stop by and visit. The staff will be happy to show you around and answer any questions.

Ken Ketah and Alice Charles working on the magazine.

Karen Ridley interviewed her grandfather, Mr. Herman Ridley, on the subject of Old Ketchikan.
