FLASH!! KETCHIKAN, AK.

The Kayhi yearbook staff has found newly uncovered evidence of Time-Travel into our dimension. The proof is in the travelog left here by a scientific observer who came back in time. This astounding discovery by our staff was made during the ground-breaking of the new student parking lot. It seems his mission was to learn as much as he could about Kayhi during the 79-80 school year.

I Having perfected
what I believe
to be a
time machine...

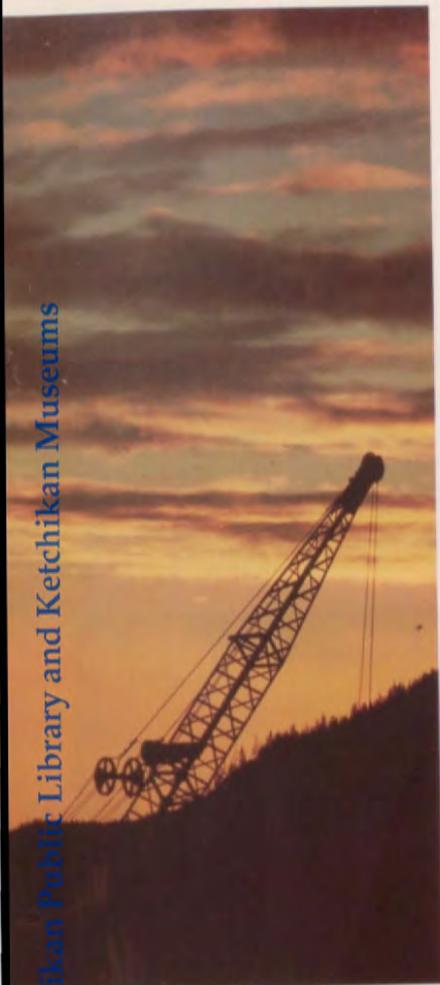

I plan to travel
back to the pre-
civilized days...

where I intend to see and experience the way of life as it was in the early Kayhi days...

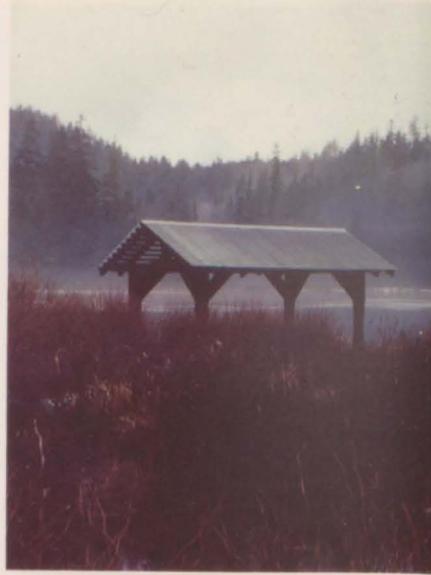

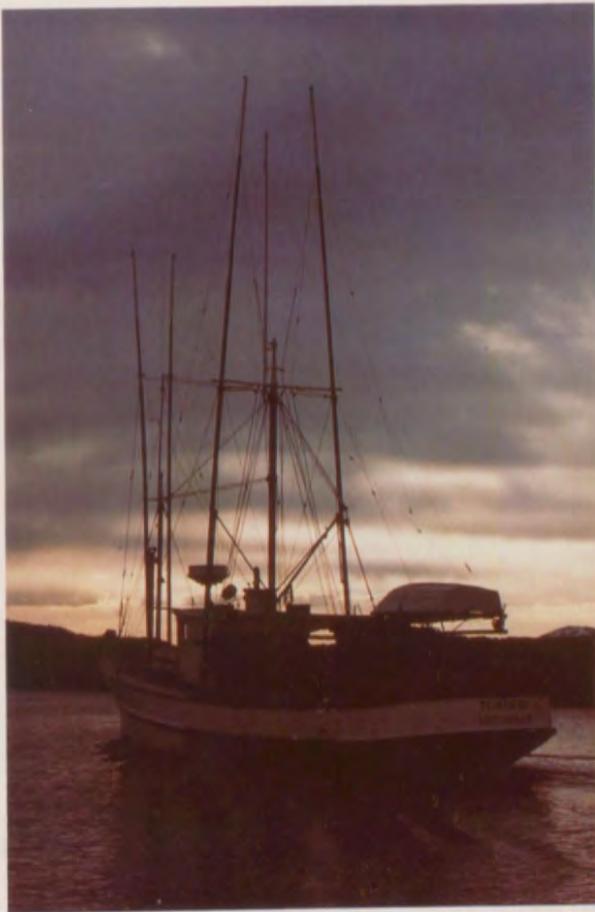

Many things have been lost and forgotten from that time period...

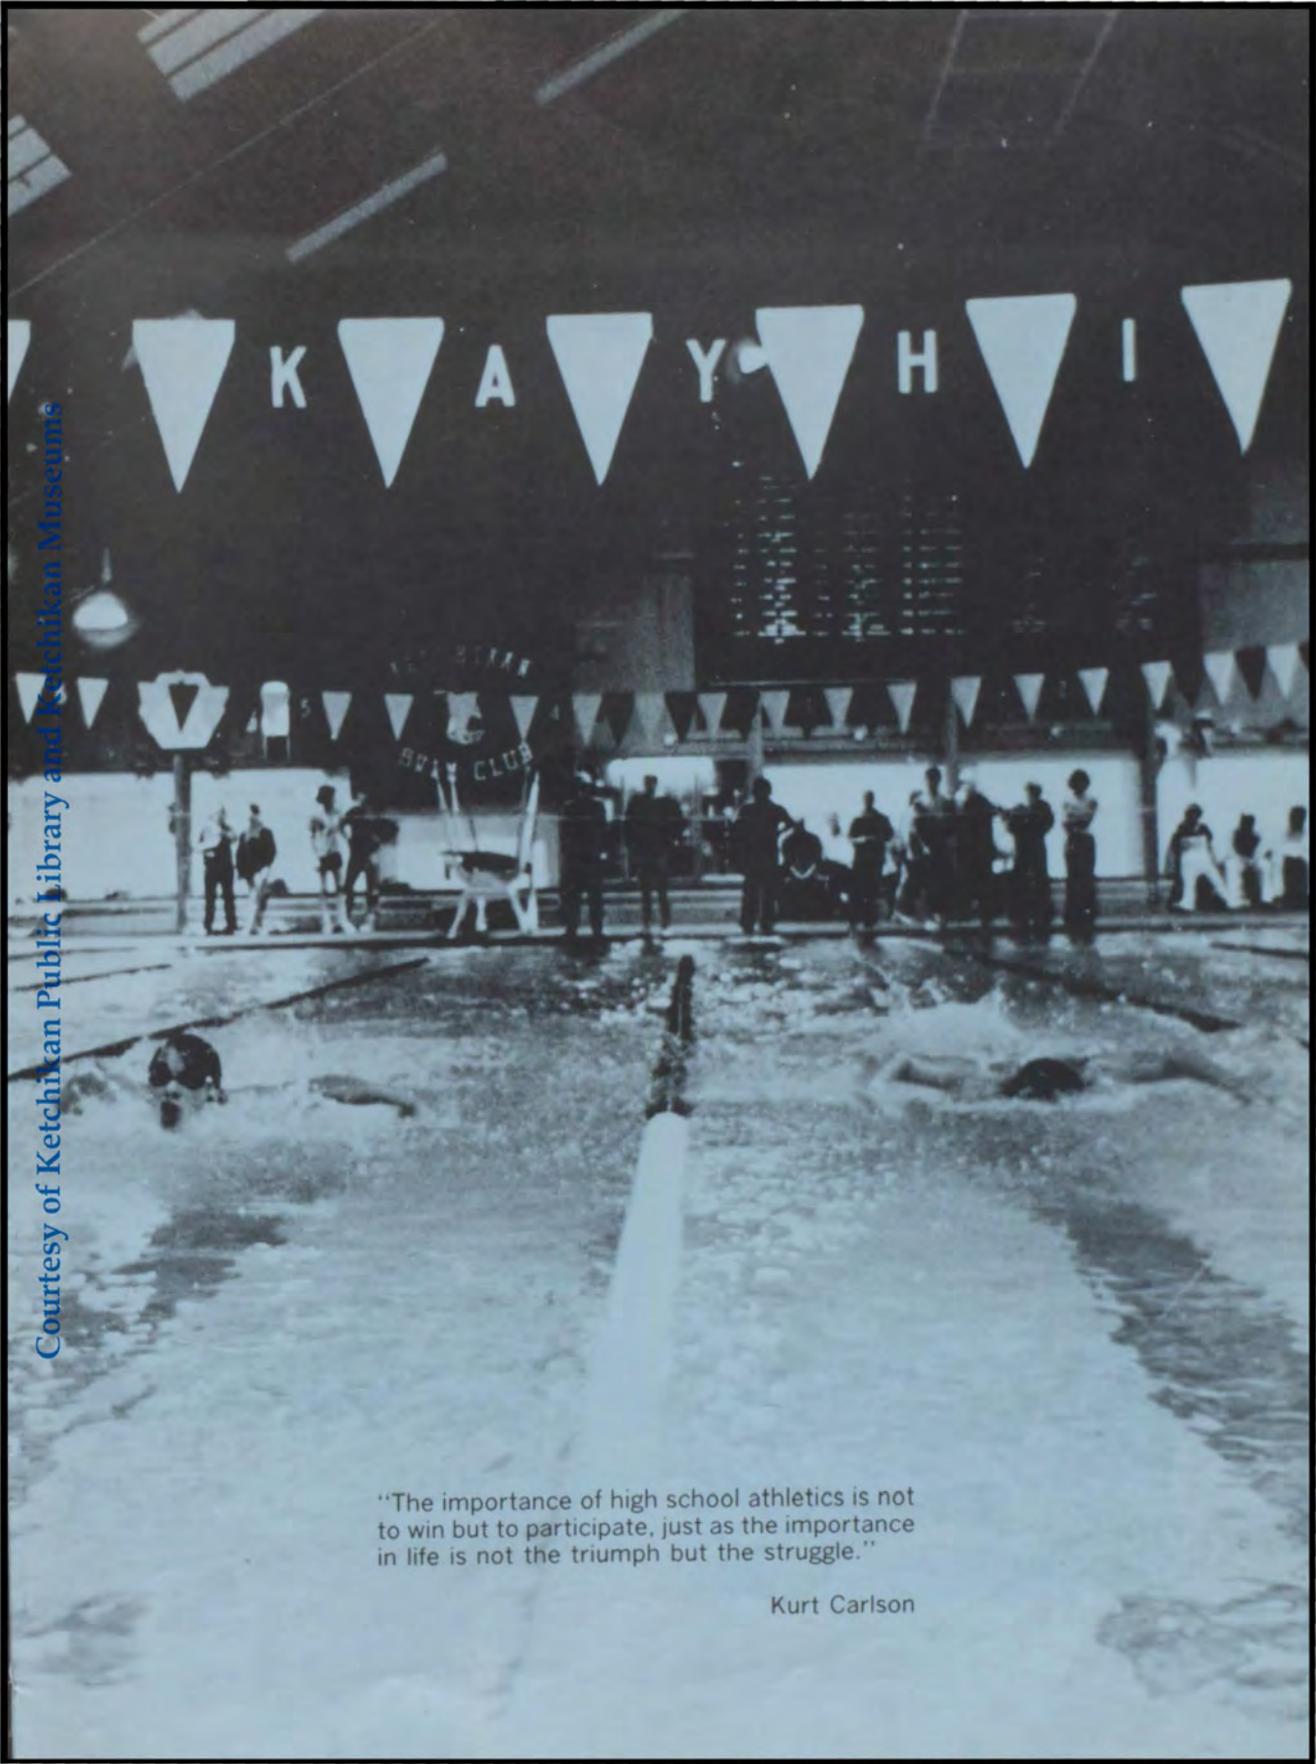

And were considered
gone forever.
I am going back...

Back to the
beginning to
relive a lost
way of life...

This year was a rebuilding year for Coach Dillenburg with only Don Loughman, Robert Rodriguez and George Dukes returning Lettermen. But the team showed great promise for the coming years. New runners showed great promise with Sophomore Ken Hiatt leading the way. Hiatt finished fourth out of ninety-eight runners in the Southeast Tourney in Sitka. Coach Dillenburg has high hopes for Hiatt during his coming years at Kayhi.

On the girls squad, Shelagh Kasinger finished fourteenth out of thirty-six girls at Southeast and qualifying for State competition. The six girls on this years squad represent the most Coach Dillenburg has ever had while coaching at Kayhi.

Middle: The 79 X-Country Team. Left to right: Ken Hiatt, Rich Madden, John Merchant, Don Loughman, George Dukes, Robert Rodriguez, Gary Homan and Kalin Khort. . . Bottom: Shannon Murphy, Helen Anderson, Shelagh Kasinger, Kelly Wilkey and Betsy Alguire. Not shown is Debbie Buster.

Supposedly a rebuilding year for our Volleyball team, they vaulted from their humble beginning and into contention for the Southeast Conference Championship. The girls improved so quickly that they have surprised everyone by occasionally beating some of the most powerful teams in Southeast.

Under the superb coaching of Sal Beraldi and fine court leadership of co-captains Diane Tobin (Sr.) and Teri Elliot (Jr.), the young inexperienced team has made Kayhi proud of their efforts to keep up the winning tradition of our athletic departments.

hope we, the Ketchikan Swimming Kings can continue to answer the challenge and group the winning tradition that has been established the last four years.

Our boys finished 2nd and were paced by Kurt Carlson, State Champion in the 100 yd back, and a strong 2nd place finish in the 500 yd Freestyle by Eldon Morris. Our S.E. Living Champions, Rich Weimer and Kathy Kasinger, met tough competition. Look out for next years "Secret Weapon."

KINGS TAKE

The Kayhi Kings returned this year to swim another victorious season. The first team to take both Southeast and State Championships three years in a row, Kayhi's swimmers have brought fear into the hearts of Northern lappers.

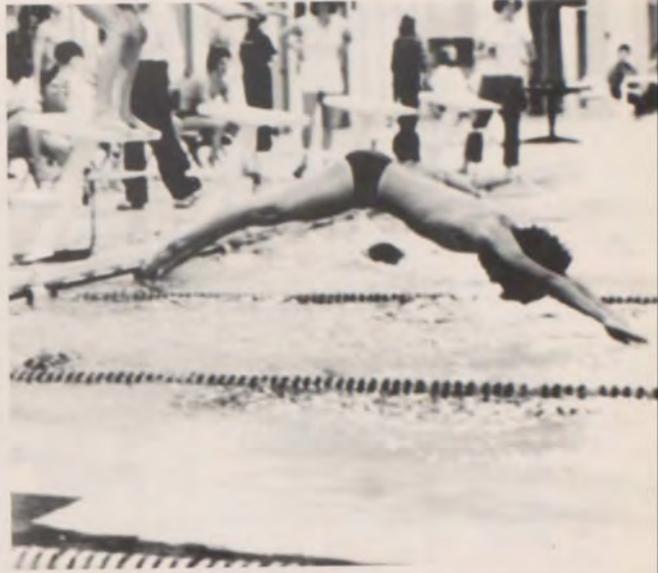

Sitka, the Kings closest rivals at Southeast, scored 217 points for their girls and 268 points for their boys, while Kayhi's boys scored 308 points and Kayhi's girls scored a splashing 342 points.

For the State Competition in Fairbanks, the girls team from Diamond came closest to the Kings with a score of 55 points to our girls 67 points. West Anchorage topped Kayhi's guys with a total of 62 points to our 45 points.

ALL-AMERICAN

This year, as past, our girls were outstanding individually. Cheryl Eichner set a new meet and State records in the 100 yd. back and 200 yd Individual Medley. Her times were 1:02.2 in the back and 2:15.8 in the Medley. Sarah Emard also set a new meet and State Record in the 100 yd Freestyle with a time of 53.74. This earned Sarah the honor of being the first girl from Alaska to make the High School All-American squad.

VARSITY GIRLS IN

The Girls Basketball team proved to be successful for 1979-1980. The team was young, but managed to have splits with the conferences top teams.

Diane Tobin, all around star player, only Senior and captain of the team was injured in an early game with Sitka. She was forced to sit out the rest of the season. Cheryl Lindstrom was then point-guard with Jan Wilford close at her heels. Good rebounding and scoring came from Brenda Thompson, Bernie Angus, Tricia Leach, Cheryl Lindstrom, Sherrie Keele, and Denise Harris. Some girls saw J.V. playing time so they could improve their playing ability and confidence.

J.V. GIRLS HAVE SUCCESSFUL SEASON

The 1979-80 girls J.V. team had a good season. This was the second year for the girls. Bob Hammer, a P.E. teacher at Valley Park took the coaching position from Don Pennington. The girls got to travel with the Varsity team a couple of times, too.

Denina Buster, Christie Rhodes, Myrna Gardner, Anita Houtary and Bridget Reno were the first stringers. Sometimes Jan Wilford, Sherri Keele, Tricia Leach, and Rhonda Gaube came down to get extra laying time while a couple of J.V.'s got to see a little Varsity play. 1. Sherri and Anita 2. The Kayhi Track team seems to get better every year. After 2 rebuilding years, the Kings placed 2nd last year in the S.E. tournament in Haines. Of the teams some 25 members, 8 qualified for State. Much of this improvement can be accredited to the excellent coaching of Don Pennington and his able assistant Fred Reeder. Between them, they have built the nucleus of what should continue to be a winning team.

John Brown coached a young, inexperienced team this year. At times they brought memories of last years S.E. Championship Team, but at other times the inexperience showed through.

There were a lot of new faces on the Varsity squad this year. Joel Sims and Brian Reno were the only returning lettermen. They both showed fine leadership on and off the floor. In addition to Sims and Reno, there were seniors Jerry Mackie and Kevin Klepser, juniors Dan Wendeborn, Max Galos, Guy Mickel, sophomores Steve Axelson and Pat Moran, and finally, freshman Steve Copeland. By the end of the season, this young team will be in the tight race for the Championship!

Starting this year for the Kings at guard was Joel Sims and Pat Moran. Joel showed outstanding hustle during the games and was elected co-captian of the Kings. Pat, after sitting out last year due to an injury, has played good team ball. Pat still has two years left and Coach Brown expects good things out of him. Fowards were Jerry Mackie and Brian Reno. Mackie, a transfer student from the West Coast, was the other co-captian. Jerry led the team in scoring and was a real plus to the Kings attack. Reno, who was steadily improving at the end of last season, took up where he left off. Reno got numerous key rebounds and has shown his fine shooting by pulling off a last second shot against Petersburg that won the game! Reno will be another returner for next year. And finally center Steve Axelson. Steve is turning out to be on of the better ball players on the club. He is always improving and has two years left.

3. "I know its up there somewhere!"

JUNIORS DO IT IN CLASS

This years Junior Class had a lot of "get up and go", which made the year a success! At the first pep assembly we almost received the Stonehawker Award, but we out-yelled the Freshmen Class by a large margin. Our class takes great pride in *not* ever receiving the Stonehawker!!

Almost everyone worked, participated, and cooperated on class projects to achieve our goals. Some of our projects included a dance, wrapping at Tongass, selling X-mas trees and calendars, a Rock concert and the Junior Prom.

We worked hard, we tried hard, and we laughed hard. I'm sure everyone will agree that this was the BE Junior Class ever!!!

JUNIORS DOMINATE MOST EXTRA

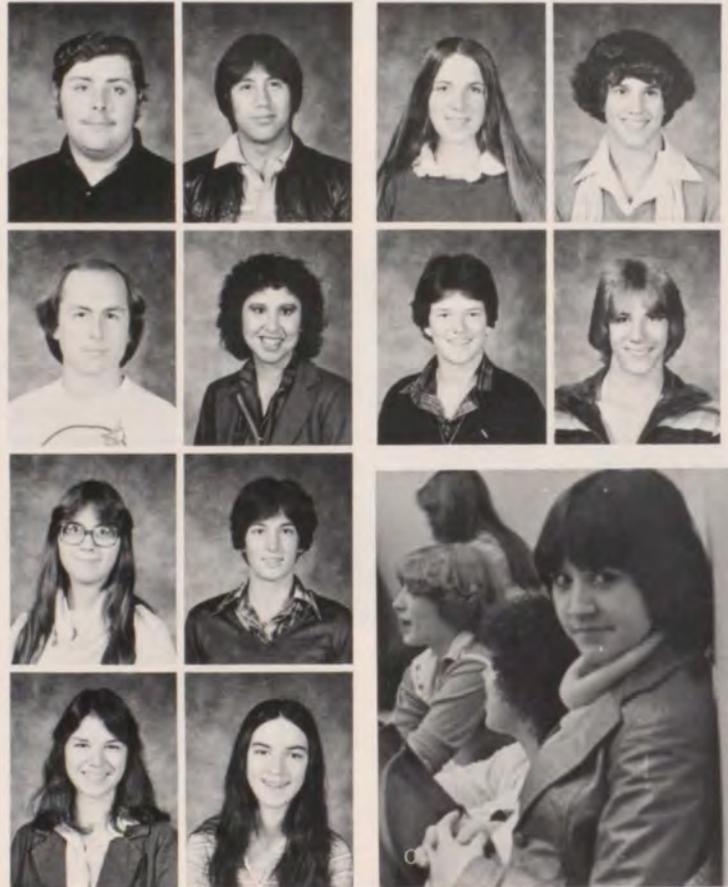

The class of '81" had many participants in the extra-curricular activities offered at Kayhi. There were 6 girls in the V-Ball scene and 7 at the B-Ball picture. The guys, totaling 13, made up $\frac{3}{4}$ of the J.V. and Varsity teams. The number of swimmers amounted to 8. Nine boys made the wrestling squad, while 4 girls were Mat Maids. Four juniors were on X-Country, and 6 were on track.

"81" had many people skilled in other areas besides sports. 7 made S.E. Honor Band and 1 made S.E. Honor Choir. Also 7 musicians made State Honor Band. 5 girls were on Drill Team. Many other juniors were found in Williwaw, drama, language club, going to Close-Up and Europe with Mr. Reeder.

KAYHI DRAMA CLUB PRESENTS:

"A Murder Has

Been Arranged"

Courtesy of Ketchikan Public Library and Ketchikan Museums

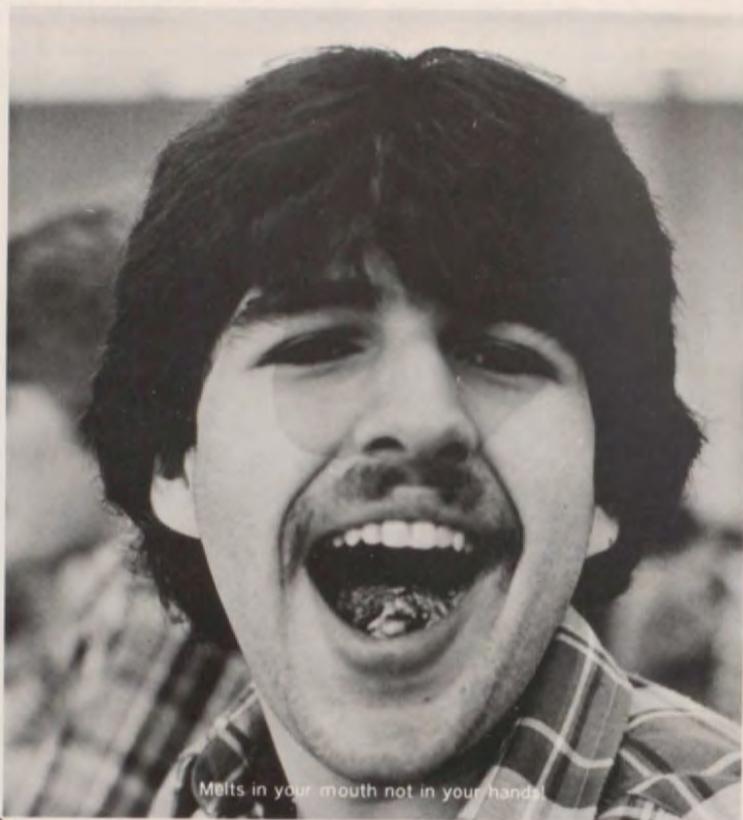

The Drama Department was taken charge of this year by Barbara Knapp, a dynamic teacher with an eye for talent. The first play she selected this year was "A Murder Has Been Arranged," a ghost story/murder mystery that was enjoyed by audience and performers alike.

Bryan Schulz, as an eccentric millionaire, was magnificent. His death scene was a classic. Glenn Davis, as the murderer, was charmingly evil. Lovely Brenda Jones as the heroine was glorious. Jeff Alguire as the reporter did a terrific job. The rest of the cast-Jeannette Begalka, Pam Ancheta, Ginny Morey, Lisa Rowan, and Scott McKeever were also great! The entire cast worked well together to produce a very successful play. The Drama Department looks forward to more success in the future!

GILBERT CROWNED HOMECOMING QUEEN

During the traditional game between Ketchikan and Juneau. Everyone was kept in suspense until half-time when Jody Gilbert was chosen Homecoming Queen for 1980. Escorted by Mark Thynes, Jody happily accepted her crown, roses and the throne from Kathy Ludwick, last year's queen. Homecoming celebrations were completed with a dance after the game that same evening.

Congratulations to the students of Ketchikan High School on your completion of another successful year. We of the faculty are proud of your progress. Your minds should bring new and better solutions to the problems of the state of Alaska and the nation. From those who have great talent and ability, much is expected. I trust that potential that lies within you will be realized.

The entire nation and the membership of this community looks forward to the next decade with high hopes and bright expectations. May each of us, faculty and students like, honor ourselves by our positive image we develop and show to others each day.

"The memory will never pass, it remains, gently stays."

The Counseling administration was altered this year with the absence of both Mr. Arteaga and Mr. Stefan. Mrs. Baybarz returned as the only full-time counselor. Mr. Hauan, Mrs. Bullock and Miss Bottcher provided part time counseling services in-between their class schedules.

American Government courses are back in Kayhi for the first time in three years. Mr. Beraldi, the only instructor of the subject, is teaching two full classes. His goal is to give students a working understanding of our governmental system. The first semester was dedicated to basic history of government.

Mr. Umphrey returned to the position of head custodian this year after an absence of seven years. He has worked at every school except White Cliff and his plans are to remain here at Kayhi until he retires. He really liked the students this year, saying, "They're a really nice bunch of kids."

Mrs. Knapp, a new addition to Kayhi this year, sees her biggest change in her "time to do her own thing". Right away she became involved in school activities. Drama and Drill Team take up much of her time while during school she teaches Speech & Drama as well as three English classes. She also runs the school newspaper "Kayhitem's" and is very enthusiastic about it. Enjoying the support of the administration, her newspaper can really be the students' paper.

PEP CLUB SELLS CANDY

This year's Pep Club had the School Spirit Soaring. Although the SouthEast Basketball Tourney was held in Ketchikan, we still had 145 enthusiastic members. This year's Pep Club introduced a new two-year point system. Since we could only take about 1/3 of the members on the wrestling trip, they will keep their points and add on to their next year points.

Pep Club had great help from their advisors, Mr. Wipfli and Mrs. Cabinum to organize and promote fund-raising events. Along with working at the Sons of Norway, we also sold candy in hopes of raising enough money to take us to the Wrestling Tourney.

This year's officers were rookies at the job. Geoff Bull-ock and Stan Aegerter both tried hard to raise spirit.

STUDENT BODY

Near the beginning of the year, an article in the school paper, Kayhitem, advocated change in the running of the Student Council, and I agree heartily. I see change as a major project this year, but, of course, we will not be forced to shrink our other duties. Spirit Week, Battle of the Sexes, and the Homecoming dance are projects for 79-80, and with the people that are in Student Council, all should go smoothly. This last sentence is dedicated to Glenn Davis and Brynn Bolling, the Vice President and Secretary-Treasurer, whose imagination and hard work have made Student Council a better group. Thank You, Glenn, Brynn and all the Student Council members.

DIRECTOR
ROY MCPHERSON

The 1979-80 school year was a busy and pleasant one for Kayhi musicians. In November, the largest contingent ever from our community travelled to Anchorage to perform in the Alaska State Honor Band, Orchestra and Choir. Twenty-five local musicians were selected, the largest number from any high school in Alaska, with Kayhi students earning eleven first and second chair positions. Among these were the first five trombonists in the group of nine selected by audition for the band. Another 31 musicians participated in the Southeast Honor Band and Choir in Petersburg.

In the spring, the Kayhi Concert Band, with help from the Freshman Band and choir members, raised over \$10,000, with their MARATHON '80. The money was used for a concert tour of Washington and Oregon, a stop at Oregon State University and with concerts in the Portland and Seattle areas.

The Kayhi Jazz Ensemble was busy also, releasing their second recording (a double album containing music from their Monterey trip in 1978 and from concerts and Music Festival last year.), and being selected from among auditioning groups nationwide to perform for the National School Board Convention in San Francisco. They toured first with the Concert Band, then flew into Central California for several concerts before playing in front of about 10,000 people at the convention.

The Pep Band was active, as usual, performing for basketball games, pep assemblies and wrestling matches. In all, it was a very good year.

K- HIGHLIGHTS 79-80

The Kayhi Drill Team was a young team this year. Out of the fifteen girls we had only two returning members from the previous years of drill team. Good things came out of the drill team this year. With new faces and new styles of drill. Seven of the girls attended drill team camp last summer, and came back with some surprising results. With hours of hard work and determination the 1979-80 drill team turned out many entertaining performances.

Sea Ed

Sea Ed cooking is still growing steadily each year under instructor Ms. Fran Bezdicek. At the first of the year, the students learned the four basic food groups. Then went on to bread and pasteries. During the rest of the year, food lab students learned to prepare annual dinner/lunch meals for the elderly. These classes are basically designed to help the student toward a career in foods or to be more proficient in his/her Kitchen.

King's Knights

The Knights have been formed to promote the good name of Ketchikan High School by providing superior service to patrons and students at Kayhi-sponsored activities. This was Mr. Vincent's third year as Kings Knights advisor. Besides surving as Kayhis Fire Squad, The group of sixteen members also works at Basketball games taking money and making sure the schools general rules are followed. Though very time consuming, Kings Knights is both worthwhile and fun.

Calculus Club

Calculus club members learned about data processing and mini computers this year along with their usual mind boggling problems. The club consists of about ten enthusiastic mathematicians that are led by George Pitt and Mr. Dawkins. Many nights this year you may have seen a few students troop out of Mr. Dawkins' room scratching their heads in bewilderment at one of his calculus equations that has stumped them.
