The Cornerstone

THE Cornerstone laid May 8 turned a dream into reality. The cornerstone was real, tangible, a thing one could see and feel. For years Ketchikan and its high school students have talked of and hoped for a new building. Even after construction was begun, it still seemed like a dream, a vision, but laying the Cornerstone made it real.

Because this Cornerstone was the most important happening in the academic year, the staff of the KAYHI '54 felt it to be a fitting theme for the yearbook.

This Cornerstone and its exciting atmosphere have pervaded and added spice to the whole school year. Since it was so important this year, the staff felt that its importance be reflected in the annual.

The cornerstone to Kayhi—the cornerstone to Ketchikan's education—the cornerstone to America's democracy.

Editors' Foreword

ON MAY 8, 1954, the cornerstone of the new Ketchikan High School was laid. An event of similar importance in Ketchikan's educational system has not occurred for 30 years.

The staff of the KAYHI '54 was reminded of the fact that "Education is the cornerstone of democracy; the student is the cornerstone of education."

The whole American educational system hinges upon the student—it is of, by and, especially, for him.

School life revolves around the student and his many activities, scholastic and recreational. The KAYHI for 1954 portrays the student as the cornerstone of the annual.

Architects' Vision

of Ketchikan's Education

Present Main School Building
Erected in 1924

THE first school, established here in 1900, occupied one floor of a building used also as a lodge and a courthouse. This building was located at 343 Main Street. Enrollment was 19 in the first year.

The top floor of the present Main School, erected in 1924, was used as a high school for 30 years. Enrollment in high school has increased to its present 275. During late years, classes have become larger and rooms increasingly inadequate.

The lower is the architects' final vision of the new school now being built. Completion should be in November, and present plans are to occupy the new building during and immediately after Christmas vacation, 1954.

High school buildings, shown in these pictures, are the cornerstones of Ketchikan's education. They show the development of Ketchikan and its increased interest in the welfare of its young people.

of the New Building

J. E. Danielson, Superintendent of Schools

"BUILDING" seems to be the theme of J. E. Danielson's nine years as superintendent of schools in Ketchikan. The total faculty has grown from 36 to 60, the total enrollment from 765 to 1450, or nearly double.

Much actual building and remodeling has taken place, including the addition to White Cliff school, interior remodeling in that school, installation of fluorescent lights in all classrooms, complete remodeling of Deermount, and lunch room facilities at White Cliff, remodeling and addition of classrooms at Main school.

The school district was changed from a city district to an independent school district in 1948. The assessed valuation of the school district has increased from \$13.5 million to its present \$23 million since 1945.

Mr. Danielson came here from Scobey, Montana, where he was superintendent of schools. He has attended the Universities of North Dakota and Montana for a period of seven years and holds the degrees of Bachelor of Science in Commerce and Master of Science in Education. He has accumulated several credit hours beyond his Master's degree. He spends most of his limited spare time at his cabin at Pond Reef and says that the best thing about it is "I cannot be reached by telephone."

Mr. Danielson's activities include membership in the following organizations: Lions Club, past president and past director; Ketchikan Chamber of Commerce; Alaska Council, Boy Scouts; secretary, Board of Deacons, Lutheran Church; Territorial Textbook Commission; Masonic Lodge, York Rite; Phi Delta Kappa, educational honor society; American Association of School Administrators; National Education Association, and the Alaska Education Association.

Dedication

"The beginning is the most important part of the work."—Plato, THE REPUBLIC.

THE beginning and most important part of the new Ketchikan High School is the cornerstone, around which this edition of The KAYHI '54 is built.

This new school building has been a long time in the making, and it was a hard fight to win.

One man has done more than any other to promote the interests of Ketchikan's students, especially in the planning and construction of this new structure.

Because of his far-sighted planning and untiring efforts on behalf of the new high school, The KAYHI '54 is sincerely dedicated to Superintendent of Schools, JALMER EDGAR DANIELSON.

A ADMINISTRATION

As the architect plans his buildings, so administrators
plan for education.

Office of the Superintendent

J. E. DANIELSON
Superintendent of Schools

DUTIES of the Superintendent of Schools are many and varied. Mr. Danielson supervises Main, White Cliff, Deermount and Clover Pass schools, attends conferences of superintendents from schools all over the Territory, and has been the motivating power behind the new school building. He has overseen the building project itself, approved pages of detailed blueprints, spent long hours in conference with the architects.

Mrs. Vivian Ayerst, secretary to Mr. Danielson, carries on the official correspondence, does secretarial work, and handles all routine office matters, including working on final high school schedules during the summer.

Mrs. Dorothy Banta, bookkeeper for the school system, issues checks, receives all money, and keeps all records of money received and paid out.

MESSAGE OF THE SUPERINTENDENT

IT IS NATURAL for human beings to desire to improve, to aspire to greater accomplishments, and to want things to be better tomorrow than they are today. Such is the essence of human progress and accounts in part for America's greatness. It is that desire which has caused us to want a better city—better schools, better recreational facilities, and better conditions in general. It is that same desire which has made our new high school a reality.

The coming school year will see the establishment of a school life and a pattern of activities in a new environment. As a result the door will be opened to many opportunities which have been heretofore impossible.

As we enter our beautiful new building let us not be unmindful of the fact that it constitutes a gift from the people of our school district. They authorized the bond issue and have said, in substance: "This is what we want for our children." May we be ever grateful and may the years to come prove conclusively that the investment was well considered and truly justified.—J. E. DANIELSON.

OFFICERS OF P.T.A.

Members of the high school Parent-Teachers Association have worked with the administration on student-teacher and student-parent problems. They have been especially active in promoting interest in the new high school building.

They had a bake sale to raise money for needy causes.

Office of the Principal

Miss Elsie M. Stouffer, B.A., M.A.
Principal

MESSAGE FROM THE PRINCIPAL

PROGRESS and growth in a community is measured by the building and construction carried on within its limits. Likewise, in a school, the progress and growth of each individual student is an indication of the type of building and construction for which it stands.

Building is an all-important part of the school program. The type of building which each student builds for himself is largely up to the individual. Four years, the average length of a high school course, are required to lay the foundation for his adult life. This foundation calls for 720 days of school attendance and work well done.

Each day's work constitutes a brick in that foundation. For each day of school work missed, there will be a vacant space—a brick will be missing in the foundation. Ten days absence—ten bricks missing. For each day of school work poorly done, there will be a faulty brick. For each day of work well done, there will be a strong and sturdy brick.

After school days are over, the type of a superstructure each person builds for him or herself will rest upon the brick foundation that each person is now building—brick by brick, day by day.

—ELSIE M. STOUFFER

THIS OFFICE—A BUSY PLACE

Miss Elsie M. Stouffer, high school principal, and Mrs. Polly N. Bushre, secretary, lead a lively life in the principal's office.

Among their other duties, they issue tardy and absence slips, grant permission to leave the building, schedule school events on the calendar, designate weeks for selling pop by organizations, issue the morning announcements, compile information about classes from students' preference forms, and help make up the final high school schedule during the summer.

They are ready to give advice whenever it is asked as well as to transfer credits.

Mrs. Polly N. Bushre
Secretary to Principal

Meet the Faculty

MEET the faculty who have tried so hard to pave the way toward a good basic education for each and everyone of us. To these members, the staff extends their thanks and sincere appreciation.

They have worked harder and put in longer hours for our gratitude and we hope that we have lived up to their expectations for the 1953-54 school year.

Four Years of Building

I N '55 Kayhi may be the class of Kings but the class of '54 was the class of Queens. Three members of the class of '54 were elected Queens of the Kayhi Annual. Yes, the Class of '54 pulled a good hand, 3 queens and a pair of bake sales gave us a full house of 53 seniors.

In the race for Queen of the Annual we pulled out in front and Ann Hildebrandt placed ahead of all other entries and became the first freshman ever to be Queen of the KAYHI. In our sophomore and junior years Alta Moulton and Marge Schust were our candidates and they placed second in the running both years. In our senior year we entered two gals, Eddee Jo Wilson and Barbara Ruhle, who tied for first place. These two girls along with their "bookies" (those who helped them sell books) sold 144 annuals together. Each girl sold 72 annuals and both were crowned and shared the title as Queen of the Kayhi.

The girls made a fine showing in the presidential races with Jackie Smith elected the first girl to lead the Student Body Assembly and Marlene Tibbles the first girl to lead the senior class. The females did all right that year. Madam Pandit was elected the first woman president of the UN assembly too.

Dealing with the boys Arnt Antonsen was elected SBA vice-president and Bob Andis was elected Most Inspirational Football Player.

Celebrating our many wins, we pulled a trump with the Junior Prom using the theme "Pink Nightmares." The prom was free to all students, faculty and invited guests. This prom was Kayhi's first free prom and was a great success.

We played a great game in our freshman year by turning the gym into a football field on the night of the Freshman Frolic. It was probably the first time anyone had ever danced on a basketball floor turned into a football field. It was very effective.

Sitting out the game this time the boys allowed themselves to be taken. Taken to the Sophomore Hop that is, where the gym was transformed into a Winter Wonderland. The affair was tolo and the girls paid all the expenses.

Deciding we needed some way to identify

ourselves, we ordered class pins and rings. The designs were all uniform with the exception that some were set with stones. This again was something new to Kayhi.

Even though '54 was to be our best year at Kayhi we didn't want everyone to forget us so we played a game with the fate of forgetfulness and to checkmate the game, Jeanette Allain designed our banner which will remain in Kayhi's auditorium so the coming generations will always be reminded of that great class of '54. The banner was in class colors, blue and gold showing the familiar polar bear surrounded by an olive wreath symbolizing courage and victory.

Being a class of good athletes we chose the motto, "The elevator to success is not working; let us take the stairs." After four years of climbing 118 steps twice a day to school we decided that upon graduation we would be in great condition to challenge the world and all its steps.

Bob Adams, Bob Andis, Arnt Antonsen, Bill Wilson, Don McCann, Larry Clegg, Clarke Stump, Chuck Nelson and Bob Parrett proved to be the nine athletes in our class. They weren't the only nine to make good all four years as the Yankees won the World Series every year that we were in high school.

The song "Dragnet" was popular our last year and the mystery show "Dragnet" won radio's oscar for the best mystery program. Not wanting anyone to get the jump on the class of '54 we turned "St. George and the Dragonet" into a skit. With Bob Adams, Clarke Stump, Bob Newell, Chuck Traylor, Sharon Morgan and Cha Cha Gallagher (bears no resemblance and is not relation to Zsa Zsa Gabor) we won first place in the P-TA Stunt Night at the Coliseum Theatre.

This concludes the high lights of the four years that we have spent in Kayhi. As the story goes to press we're making big plans for the Senior Ball, Senior White Day, Senior Banquet and yes, you guessed it, Graduation.

The best is reserved for the last. Ours not to boast, but where could man find a better class than the last class to graduate from "Old Main?"

'Three Fingers in The Door'

A GLOOMY, isolated house was the background of this spine chiller "Three Fingers in the Door," the senior play, a three-act mystery comedy.

Gregory Long (Clarke Stump) is a wealthy old man who lives with his two attendants (Arlene Tibbles and Don Bowey) in a once handsome, but now dilapidated mansion. His great niece, Sylvia Long (Shirley Knox), whom he has never seen, one night comes to pay him a visit.

With her are her aunt (Suzy Platt), a funny old maid, her girl friend (Joy Ann Winters) and her fiancé (Jim Asaph). He has brought them along on a business trip he is making and will pick them up in a few days on his return.

The three women soon discover that there is a sinister and terrifying atmosphere about the place. A night of terror follows. A queer green light pervades the room. Two masked men break in and prowl around the house. When morning comes their anxiety increases.

Director of the play was George F. Placentia. Props and off-stage work was done by members of the senior class.

This was the play that thrilled the audience night after night. The audience screamed with horror one minute and laughed hilariously the next, at Aunt Tessie's dry witticisms.

1. Oops! Jeanette Allain caught eavesdropping. 2. "Aunt" Suzy adjusting her wig. 3. Joy Ann Winters and Suzy Platt during a lull in the conversation—someone forgot his lines, maybe? 4. CLUBS

As it takes working groups to construct a building, plumbers, excavators, carpenters, electricians, painters; so it takes organizations to build a sound educational system.

Student Body Association

PRESIDENT
Jackie Smith

TO PROMOTE the welfare of the students of Kayhi, arouse the school spirit of loyalty and cooperation among the student body, is the purpose of the Student Body Association. Any person, regularly enrolled in school, may become a member by purchasing an SBA card, the certificate of membership whose price is set by the governing body, the Student Council.

This Student Council acts as a co-ordinating body of the association between the administration and the students. Its membership is made up of the SBA officers, class presidents and representatives.

Under the direction of the SBA president, committees are appointed to handle the various assemblies, elections and other activities. The Student Council approves the budget, provides housing facilities and pep assemblies for visiting teams and rooters.

Arnt Antonsen, vice-president, handles the housing program and was on hand to greet visitors.

Fire Prevention

Fire Chief and Assistant

Left: Bob Newell, Chief. Right: Bob Vincent, assistant.

THE Fire Squad is a voluntary organization set up by the Student Body Association Council for the safety of the school. The chief is appointed by the SBA president.

Our squad operated on the idea that it is their obligation to vacate the building and check students to be certain no one is left in the structure.

In case of emergency the local department would fight the fire.

Torch Honor Society

SCHOLARSHIP, citizenship, good fellowship and service are the objectives of the Torch Honor Society, introduced into Kayhi in 1935. Membership is based on points earned for semester grades and various school activities. At graduation, senior members who have earned a total of 110 points are awarded torch pins as symbols of their achievement.

A play, "The Knave of Hearts," based on the old nursery rhyme about the Queen of Hearts who made some tarts, was given as a means of raising money for a pencil machine for White Cliff school. It was presented four times before grade and high school audiences, and a benefit performance was given at Amateur Night.

News Honor Society

STANDING in the upper third of their class scholastically, approved by the national secretary for articles written, and recommended by adviser Miss Ethel M. Evans, gave twelve Kayhi students membership in Quill and Scroll, international honor society for high school journalists, sponsored by the Journalism Department of the Northwest University in Chicago.

The national society sponsors editorial writing, feature writing, humor columns and other special contests in journalism. However, the greatest asset of national

Quill and Scroll is that it checks, criticizes and rates school newspapers once each year.

Members of the Ketchikan chapter who were elected last year are Charleen Gallagher, Jackie Smith, Jim Asaph and Suzy Platt. The others were elected and received their pins this year.

A formal initiation was held toward the end of the school year. Former members assisted Miss Evans with the ceremony. Mrs. E. B. Platt, who earned her pin while she was in high school journalism, in Phoenix, Arizona, also assisted.

"**A** MOR Omio Vincit" meaning "Love Conquers All" was the annual Latin club's banquet theme this year, held February 20 in Friendship Hall. After a meal, "ab ovo ad mala," from eggs to apples, "Aneneas and Dido," starring Jean Smith and Walter Savikko, was produced. As a finale Jean Smith and Lois Droogs played a duet on their ukeleles, and Mike Selfridge tap danced.

Honored guests were Miss Elsie Stouffer, Mr. and Mrs. J. E. Danielson and Mrs. Jules Dahlager, adviser.

Jean Smith, general chairman, was assisted by program chairman, Lawrence Edenso; cooking chairman, Jane Garrison; table setting, Dixie Anne Holman; menus, Walter Savikko; invitations, George Tanino, and clean-up, Mike Selfridge. The picnic was held at Mrs. Dahlager's beach place May 11.

SPANISH CLUB OFFICERS

Standing, left to right: Mort Hofstad, sergeant at arms, Douglas Davies, adviser; Chaileen Gallagher, president. **Seated:** Roberta Bailey, treasurer; Ann Hildebrandt, party chairman; Judy Carl, secretary; Barbara Ruhle, vice-president.

REASON for Spanish Club is to promote interest in the study of the language and customs of Spanish-speaking people. Any person who is taking Spanish or has taken Spanish is eligible to belong.

Past and present students of this language, feeling themselves committed to the established school activities, felt that time did not permit their giving their whole-hearted support to this activity; so meetings were irregular.

A greater number of students have shown interest in the language for this year than in any previous year.

Workers Behind the Scenes

Service Club

SERVICE Club was organized this year under the supervision of Carroll G. Fader, for the purpose of giving credit to those students who work "behind the scenes" at Kayhi.

Points were given for many kinds of services, such as setting up chairs for assemblies, running the movie projector, repairing broken chairs, moving furniture for banquets, caring for the public address system, in general, "helping out."

The club has been an invaluable help to the faculty, custodians and students.

Those earning enough points by the end of the year receive a Kayhi letter or pin. Members of the Lions Club provided for the awards.

Office and Library Helpers

LIBRARIANS

LIBRARIANS in the school library not only charge books and magazines to students and faculty members but also learn about the functions of the library.

They compute and receive fines, shelve books and magazines, file pamphlets, repair torn books, learn to file cards in the card catalogue and arrange displays and bulletin boards.

The library is open from 8:30 a. m. until noon, from 12:50 noon until 4:15 p. m. except for second and sixth periods. Librarians are on duty at these times.

At the close of the year, Juleen DeBoer, assisted by Marilyn Garrison, worked the broken shifts before and after school and at noon.

Working during regular school periods were Maxine Munter, Barbara Ruhle, Frances Christopher, Donna Mae Pedersen, Laurie Scott, Joan Homan, and Shirley Bedwell.

Arguing the Point

Douglas W. Davies
Adviser

ALTHOUGH energy and determination could not overcome inexperience, it is the foundation to a future strong debate team. In the 1954 Tri-City debate in Petersburg, April 2 and 3, Kayhi placed third, and Juneau gained permanent possession of the trophy in a close meet. Points earned were: Juneau 142, Petersburg 140, Kayhi 138.

The question, RESOLVED: that the president of the United States should be elected by the direct vote of the people, was upheld by Kay Benson and Dixie-Ann Holman, Judy Lovely and Dick Dassow, and rejected by Jan Montgomery and Marcia Sulser, Dave Baker and Jim Asaph.

Kayhi's teams were coached by Douglas Davies. In a final exhibition debate, Kay Benson and Dixie-Ann Holman met a Petersburg negative as the high affirmative team in the tournament. Marcia Sulser was elected by the debaters as the most inspirational debater.

Others making the trip to Petersburg as alternates were Rocky Terry and Maxine Munter. Money for the trip was raised by the debaters through a dance and pop sales.

Bruce Harrod was unable to make the trip because of illness.

Telling the Tale

ANN KLINEFELTER was awarded first place in the declamation contest April 30, when the contestants gave their readings before the high school assembly.

Although many students turned out for this activity when the declamation picture was taken for the annual in February, only four were prepared for the finals.

Readings of humorous, serious and dramatic nature were given but most of them were humorous.

Emery Potts, Mrs. Fred Kirkland Jr., and Mrs. George F. Placentia were the judges.

George F. Placentia, adviser, was in charge of the program.

Ethel Andis introduced the contestants and gave a skit while the judges were reaching their decision.

Miss Ethel Evans
Adviser

KAYHITEMS, the school paper, is a true reflection of life at Kayhi. It has recorded school activities, forwarded educational information, and entertained the students through its feature pages, editorials and humor columns since its birthday in 1923.

Editors this year were Arnt Antonsen and Penne Simonsen.

Press Club consists of any junior or senior interested in journalism. Freshmen and sophomore members are appointed when more students are needed in the club.

Girls' Athletic Association

Adviser

UPPER—Left to right: Arlene Tibbles, president; Charleen Gallagher, vice-president; Barbara Ruhle, treasurer; Ann Hildebrandt, secretary. Lower: Shirley Knox, point chairman; Carol Ludwigsen, drill captain.

GAA started off a new year in September with new officers, new adviser, a revised point system and new constitution.

The first major tournament of the year was volleyball for all interested GAA girls. A modern dance class was initiated and Tom Sawyer volunteered to teach the class of 30 girls.

A special GAA bulletin board was posted in the back of the auditorium for GAA use only. In December the GAA sponsored Posture Week. The PE classes put on a Posture Assembly program.

The GAA gave a Christmas program of skits, readings and caroling. At the end of the program Santa Claus passed out suckers for everyone. After Christmas vacation, they held a sock dance in the gym at noon.

Winning team of the basketball tournament played the boys' team. Members of the Polarettes played Metlakatla there. They entertained the Petersburg rooters with a luncheon. They entertained faculty night and parents at a picnic supper.

A girls' fishing derby was planned in April. A class softball tournament and track tournament were planned for May.

Drill Team Marches On

"K-DETTES" was chosen by drill team members this year as their official name. Carol Ludwigsen was elected drill captain and Kaye Macomber assisted as drill lieutenant. Jean Smith, Ethel Andis, Judy Hood and Jerrine Hesketh were selected as drum majorettes.

Drum majorette uniforms were maroon with white trim and a large "K" on the blouse front. Drill members wore all white outfits with maroon Kayhi sweaters while the drill captain and lieutenant wore white Kayhi sweaters and other touches of maroon.

Due to the heavy gym schedule this year the girls were forced to do most of their practicing Sundays at the Civic Center. Participation counted 100 points toward a GAA letter.

The K-Dettes performed during the half-time at the games with Prince Rupert, Petersburg and Wrangell.

MUSIC

Painting the harmonies of life into our education—the finish that gives the polish.

Instruments in Tune

WITH concerts, pep assemblies, parades and music at basketball games, the band has had a busy year. They started out the 1954 season with a concert for the high school October 9. They played at pep assemblies, for all visiting basketball teams and at the games with those schools. They led the serpentine parade of students before the Petersburg games here, January 28.

November 25 they played for the Thanksgiving program and again on December 20 for the Christmas Vesper program. They presented a concert for the Parent-Teachers Association February 8 and were guests with the All-City grade school band with a concert for their parents and the Lions Club February 24. The annual spring concert was held April 23.

During the year they planned for a trip to Prince Rupert in the early part of May. In order to make money for expenses they sold pop corn, candy and pop during noon time at school, had bake sales and had a talent show for the public.

Miss Lorna Schuppert
Director

THANKSGIVING assembly, Christmas Vespers, Spring Concerts were productions of the vocal groups this year. Since this is not Southeastern Alaska Music Festival year, the music groups hoped to give concerts in neighboring cities if schedules and finances would permit. To this end they held the Sweetheart Ball, February 26.

Chorus meets in two sections during periods four and five on Wednesdays. Boys have sectional practice on Mondays and girls on Fridays.

Small groups and soloists are chosen from the large choral group and rehearse one time a week usually during noon periods or after school. Small groups performed before civic groups and civic programs during the year.

They Cheer to Victory

PEP LEADERS

Left to right: Judy Raines, Kay Pcole and Laurie Scott.

SONG QUEEN

"FIGHT loyal sons of Kayhi! Fight till the game is won ——" with a hop, skip and jump Kayhi swings into one of their many songs led by Kathy Ruaro.

Song queens try out in the fall and are elected by the Student Body Association members.

Cheer leaders and song queen make up the Pep Squad and their duties are to encourage school spirit, make the visiting teams and rosters welcome in every way possible, and set an example of good sportsmanship for Kayhi.

YELL LEADERS

"CRANK that Ford! Crank that Lizzie. Come on Kayhi! Let's get busy!" This is merely a sample of some of the new yells the 1953-54 cheer leaders have produced. Whether the Polar Bears won or lost they could always be sure they had the Kayhi cheering section right behind them, spurred on by Kay Poole, Judy Raines and Laurie Scott.

Cheer leaders have taught new yells and helped in any way they could to create enthusiasm for school games, pep assemblies and made the visiting teams welcome.

Students try out in the fall and are elected by the Student Body members.

THIS year's eleven-man football team played two games, one with the Town All-Stars and the other with the "B" squad mixed with a few town players. Rainy weather prevented other games.

During the first game the All-Stars were hindered by the muddy field. Kayhi played fine defensive ball and whipped the Stars, 24 to 0.

The game against the "B" squad was a rough one in which the weather was a little better than it was the first game. The Bears won this one also, 30 to 0.

Frank Garrison was elected captain for the next season.

Polar Bear Cage Squad

KAYHI Polar Bears finished the regular season with seven wins, five losses. The International series with Prince Rupert was won by Rupert, three games to one. Bears defeated both Petersburg and Wrangell three games, losing one game to each.

Southeastern Alaska Tournament held in Sitka, pitted the Juneau Bears against Kayhi, in the first game, the Juneau cagers out-rebounded the local cagers and won the game. The Bears met Klawock and Wrangell, bouncing back to win both games handily.

Juneau, who also dropped into the losers bracket, again beat the Bears only to be eliminated by Sitka, winner of the tournament. Then Sitka defeated Anchorage two games to one to win the All-Alaska championship.

= Their Achievements

EAGLES retained city-league championship by defeating Coast Guard in last game of season. Kayhi ended up fourth under the Coast Guard and Veterans of Foreign Wars.

Polar Bears gave every team they played a good tussle whether they won or lost. Every member of the squad saw action in at least one or more games.

Some games in which Kayhi was to play were cancelled because of games with other high schools.

Two faculty members were on the championship team, W. C. Martineson and Harlan Johnson, both helping the Eagles greatly in their bid for the title.

CITY LEAGUE SCORES

City League records were not available after the close of the season so records of scores cannot be given.

BOB Vincent's Volcanoes defeated Dixon Tucker's Torpedoes for the championship of the intramural elimination basketball tournament held Thursday and Monday, March 18 and 22.

In the consolation game Gilbert's Giants defeated Auger's Drillers for third place. First game saw Vincent's team pitted against Auger's team, with Vincent's team coming out the victor. That same night, Tucker's Torpedoes faced Gilbert's five. Tucker's team was the winner.

The tourney rules stated that the two winners were to play each other and the two losers play together. Standings at this point of the series had Tucker's and Vincent's teams with one game apiece and Gilbert's and Auger's teams with one loss apiece. Thus the two winning teams and the two losing teams played each other March 22, with Vincent's and Gilbert's teams winning.

Cinder Men Burn the Track

TRACK season got off to a good start this year. Except for cool winds, the weather was warm and the sun was out. Under the guidance of W. C. Martineson, coach, the team went through the first part of the season running laps, doing everything in general to get ready for their meets.

Following records were made at the Ketchikan Relays held here May 7. Southeastern Alaska schools were invited, Juneau, Petersburg, Wrangell and Ketchikan participating.

Queens of the KAYHI '54

Barbara Ruhle

Eddee Jo Wilson

Queens of the Yearbook

BARBARA Ruhle and Eddee Jo Wilson were elected Queens of Kayhi '54 in a tie vote at the final count. Out of 247 books sold, they sold 72 annuals each. Kay Poole and Kathy Ruaro, runners-up, were close behind.

Enrollment in classes differed so greatly this year, the freshmen having double the enrollment of the senior class, that the election of queen candidate by classes did not seem fair. Selection rules were changed so that the candidates were nominated at large. Each high school student named two persons for candidates and the four highest girls were named as candidates.

Queens in previous years have been Luella Vig, 1949; Irene Bue, 1950; Ann Hildebrandt, 1951; Janice Montgomery, 1952, and Gerda Nergaard, 1953.

What Happened This Year

A GREAT many events occurred this past year, some of them world-shaking, some of them merely interesting.

The biggest bang in politics was the feud between Wisconsin's Senator Joe McCarthy and Secretary of the Army Stevens. They disagreed over the special treatment given Pvt. David Schine, a former member of McCarthy's investigating force. Treatment of army officers before investigating committees also came up for discussion.

"Mr. Republican," Ohio Senator Robert A. Taft, died and left a void in the party that will be hard to fill. California's governor, Earl Warren, was appointed chief justice of the United States Supreme Court when Fred M. Vinson died and left that chair vacant.

Travel, as ever, was popular. Vice-President Richard Nixon and his wife, Pat, went on a round-the-world goodwill tour as representatives of the Eisenhower administration. Former democratic presidential candidate Adlai E. Stevenson also made a world trip, for the purpose of investigating conditions and American sentiment abroad.

Women in the News

Women were prominent in many activities, the chief of which was the tradition-rich coronation of Queen Elizabeth II of the British Commonwealth of Nations. She and her husband, Prince Phillip, started on a six-month tour of the Commonwealth.

Shortly after the coronation, word reached London that a British expedition had reached the top of Mount Everest, considered the highest in the world and one of the most difficult to climb. They said it was a "coronation present for the queen."

Mme. Vijaya Pandit, sister of Prime Minister Nehru of India, was elected the first woman president of the UN General Assembly. Clare Booth Luce was given the assignment as U. S. Ambassador to Italy.

Korean Truce

One of the most talked about subjects of the year was Communism. A truce was gained for the Korean war, in which the UN forces intervened against the aggressors in South Korea, and many American soldiers returned home. Indo-China is in a delicate position, with both the Communists and the western nations trying to defeat each other's cause without starting an actual war.

Most countries were building up their military might, and we were experimenting with the hydrogen bomb. Several test explosions were set off in the South Pacific.

East Germans were escaping in increasing numbers to the "Free" western zone controlled by the U. S., Great Britain and France. They didn't like the Communist rule.

Sir Winston Churchill, Prime Minister of Great Britain, was awarded the Nobel Prize in Literature for his memoirs of the second World War. The first Nobel Peace Prize to be awarded in two years went to Dr. Albert Schweitzer, world famous organist, who is a medical missionary in Africa.

'Oscars' Awarded

Honors in the entertainment world are symbolized by the gold Oscars awarded to Hollywood's Academy Award winners.

This year Oscars went to William Holden for comical "Stalag 17" and to Audrey Hepburn for the delightful "Roman Holiday." In the same week Miss Hepburn was awarded a Toni, the Broadway equivalent of an Oscar, for being the best actress of the year for her role in "Ondine."

"From Here to Eternity" was considered the best movie of the year. It won eight Oscars. Some of the most popular of the songs were "I Believe," "Ebb Tide," and "Stranger in Paradise."

Clothes Make News

With the coming of spring, a young woman's fancy seriously turns to thoughts of what she will wear. Making headlines this year were orlon or nylon coats that can be tossed in the washing machine, full skirts held out by even fuller bouffant petticoats, the "squaw dress" inspired by Navajo women's costumes, and bright, brighter, brightest colors in cotton dresses. Big news for men was the narrower ties shown this spring.

This Year Here

While all these things were happening in the world with its 275 billion people, Ketchikan with its eight thousand population was busy also.

Foremost industrially was the near completion of the \$50 million pulp mill at Ward Cove, scheduled to begin operations in late May 1954.

All Alaskans were vitally interested in the statehood debate that swept the nation and its possible effect on the Territory. A bill introducing statehood for both Alaska and Hawaii was introduced in Congress, sent into committee, rewritten, revised and reworded, sent back to the Senate and passed after a violent struggle.

The plan of splitting the Territory and giving statehood to the populated part was pro-

What Happened This Year

posed, as was a scheme that would grant both Hawaii and Alaska commonwealth status.

Transportation was speeded up considerably when Pan American Airways put several new DC-6B Clippers on the Seattle-Juneau run. The record flight from Juneau to Seattle was two hours, fifty minutes, with the help of a strong south wind.

The tunnel project at Front and Grant, designed to eliminate a bad corner, was begun. A roadblock was set up on both ends of the tunnel, and traffic often waited for literally hours, much to the annoyance and disgust of the drivers.

Ketchikan Construction

With the influx of construction people into Ketchikan, living space was at a premium. The Austin Towers building under construction and the completed Wingren apartments were expected to relieve the situation.

Tongass View Homes project, next to the new high school building was begun. The 200-home project was intended primarily for pulp mill families, although any resident may buy a home.

Civic Progress

Instigated by Emery Tobin, "Alaska Sportsman" editor, a grand jury investigation of reputed vice and graft in the city was held. Action on this report is still in progress.

A wealthy New Mexico-Texas oil man, Ellis Hall, and his family, crashed in their light plane en route to Bellingham. Canadian Mounties, the U. S. Coast Guard and many private individuals participated in the extensive search for the wreckage. It was found by Herman Ludwigsen of Ketchikan, who received the \$25,000 reward. Part of the money was split among all the Ellis Air flyers who searched and another part was contributed to the Guiding Light Home and the new Civic Center.

Television came to Ketchikan for the first time. At present, all programs are "canned" instead of live, but station KATV hopes to have only live programs eventually.

Lions Club spearheaded a drive for an Armory-Community Center building now proposed.

Kayhi's basketball team went to the Southeastern Alaska Championship tournament at Sitka, but were eliminated before the finals. The "Cupcake Cuties," ten girls who were determined to get to the tournament by hook or any other way, sold cupcakes at noon, took in donations and held a dance to raise the necessary money for their plane fare. They succeeded, much to the amazement of everyone but themselves.

Alaska News

Elsewhere in Alaska, the fishermen "enjoyed" the poorest fishing season in 20 years, with prospects for next season not much better. Some fish traps have been eliminated by the Legislature to conserve the salmon.

Near Anchorage, Mt. Spur erupted suddenly, pouring sooty volcanic ash on the surrounding area for several days and even weeks.

At Metlakatla, the sanctuary of the William Duncan Memorial Church was completed and dedicated in an impressive ceremony. About 600 people from Ketchikan and Metlakatla attended.

Ground was broken for the new high school building in early November and rapid progress was made. The cornerstone ceremony was performed by the Masonic Lodge of Ketchikan May 8, with the Grand Master from Seattle officiating.

Finally—seniors successfully completed a prescribed four year course in Ketchikan High School and received diplomas.

Graduates of Kayhi

THE following list of Ketchikan High School graduates is as nearly accurate as it was possible to make it this year. Some of the older records at school are incomplete. The staff compiled this list from school records and newspaper stories. Names were printed in KAYHITEMS with a request for corrections. The staff will appreciate corrections to this list so that future publications will be accurate.

Thank You

DEAR Ketchikan citizens, local photographers, high school students and faculty, it isn't easy to put out an annual. It takes hard work, lots of it, and time and thought. It also takes co-operation, however, and we would like to thank you heartily for the co-operation and patience that you have given us during this school year.

Another vital asset to a publication is money. About one-fourth of the cost is paid by the various high school organizations for their pages in the annual. The majority of the money, however, is raised from the Ketchikan merchants who give us their backing. Without them, no annual could be published, and we want to thank you merchants for your generous assistance.

Yours truly,

The Staff of the KAYHI '54

Absorbing, exciting, informative
stories and pictures from

ALASKA

Published in Alaska, by Alaskans, for everyone, THE ALASKA SPORTSMAN is like a breath of fresh, clean air from "The Last Frontier." To you, in reading pleasure, it's better than a nugget of pure gold from "them" that hills and stream beds.

Have you a dash of sporting blood in your veins? Want the biggest game on the continent, fish for tackle-busters, trap luxurious furs? Want to mine, homestead, build industry where enormous resources are almost untouched? Need a vacation? Like magnificent scenery, the romance of life on sea and wilderness land? You can have it all, do it all, in Alaska, "The Great Land," and you can have it by proxy through THE ALASKA SPORTSMAN.

Mixed Emotions

By Jerry O'Connell

Among the teen-age glories today
Are jumbled mixed emotions;
For this, the merry month of May
In school means our promotions.

Eighth graders look ahead with joy
To freshman class this fall,
A school that's new and quite the best,
To anxious hearts does call.

Freshmen now have truly reached
The age of rhyme and reason;
And look ahead to greeting frosh
With pomp and pride next season.

Four years seem long to look ahead;
Four years seem short behind;
The many thoughts in these glad years
Have changed so many times.

Dislikes, once voiced by one and all—
Mayhap math's queer frustration—
Are mastered and perhaps liked best
By time for graduation.

Now each of us is mighty proud
To gain such worthy knowledge
With aid of teachers qualified
We're now all set for college.

The sophomores are full of faith,
Their ideals will run rife;
As upper classmen now they'll be
The leaders of school life.

The juniors' carefree attitudes
Bespeak hearts filled with pleasure.
They leave three years of school behind
With friendships they will treasure.

The trials of life weigh heavily
On seniors graduating.
The many ways of life they choose
Take plenty cogitating.
