Exchange Students

Angelina Martin, a senior, spent her year in Peru, where she attended a private Catholic school for girls. But she was able to mingle with the Peruvian boys at the many 'discotecas' that she went to.

Senior, Gavin Piercy lived in Russia during his year abroad. Gavin always had a fascination with Russia from old James Bond movies so being able to travel around and see all the sights was a big thrill for him.

Taylor McDonald, a senior, moved down to Brazil. she loved traveling around the country with the other exchange students. Her travels took her from the Amazon to Rio de Janeiro.

Senior, Carla Raglianti, has joined our school from Santiago, Chile. "Though it rains here a lot", she said, "the people are very nice". She enjoys Ketchikan and hopes that the rest of her year is just as great.

Coming all the way from Cordoba, Veracruz, Mexico, senior Luis Miguel (Mickey) Caballero has fit into Ketchikan nicely. He likes playing soccer on a local team even though we don't have grass fields. He doesn't like the rain either, but he's getting used to it. Good luck.

Theresa Marche is from Potsdam, Germany. As a senior here at Kayhi she thinks that this year is much easier then back in her home town. "I'm glad that I had this opportunity to live in a different country," Theresa stated. "Ketchikan is wet and cold, but the people are so very nice."

Special Forces: Ready for Battle

Ketchikan High School's Lady Kings chose "Special Forces: Ready for Battle" as their team theme this year. Here they stand at the Interisland Ferry parking lot in Ketchikan's west end wearing Alaska Army National Guard fatigues. Shown here at top is Deanna Hallman. In the row below her are, from left, Katie Geldaker, Ashley Hayward, and Raquelle Pahang. In the next row down are, from left, Maria Swaim, Whitney Hofstedt, Jonnae Ostrum, Anne Elliott, and Darcel Williams. Standing, from left to right are Terra DeLong, Tory Edwardson, Jodi Jakubek, and Sarah Keene. According to Coach Doug Nausid and Assistant Coach Bob Hammer, the girls' team had a successful season based on their teamwork and focus. "They never gave up," Nausid said. "They battled the whole time." The Lady Kings won at the Lady Kings Invitational in January, and in February, won the title at Lady Lynx Prep Shootout at Dimond High School in Anchorage. Nausid commended the team members on their playing and work ethic, especially considering the year began with only one returning player.

(our favorite part)

Faculty Parents

Senior Stephanie Woodruff sports a temporary "MomTattoo" as she stands with her mother Mrs. Woodruff.

Freshman, Brandon Eubanks, and his brother Senior, Chris Eubanks stands by their father Mr. Eubanks, who is half their height.

We did not know that Mr. Dwyer had another child besides Sophomore Gailen Dwyer, and Senior Tristen Dwyer.

Sophomore Kayla Luhrs sure likes to have her mother, Mrs. Luhrs be a teacher at K-Hi.

Freshman Clay Hanson looks a little embarrassed to sit by his mother Mrs. Hanson.

Sophomore Andrea Northrup, and her mother Mrs. Northrup, with her other daughter Ciara.

Mr. Bjur, stands by his son Junior, Calin Bjur. Mr. Bjur looks nothing like Calin.

Mr. Maynard stands by his son, Sophomore Sean Maynard. They look so much alike we can't tell them apart.

Senior Zeta Moss, sure loves her father Mr. Moss.

Mrs. Richardson stands by her two sons Freshman Tyler Richardson and Senior Jesse Richardson.

Mr. Gregg stands by his two children Sophomores Taylor and Adam Gregg.

A Blast From The Past...

Well, Mr. Willburn was a basketball star! And look at those uniforms, they were the hip thing back in the 1900's.

Mrs. Northrup hasn't changed since high school!

Pretty soon every teacher will be needing these!

Who is that stud? Well according to Mr. Bolling, it's him! Ha Ha. A cross-country star? Who would have known?!

Mrs. Richardson was a pretty hip, back in the day.

Mrs. Williams doesn't look a day older!

Mrs. Troina is fashioning a nice white gown, used back in the day. What is that on Mr. Bjur's head? Oh wait, it's hair!! Mr. Pennington tie is now retired to his famous wall in his office!

Mrs. Zelensky helps out at home during her high school career.

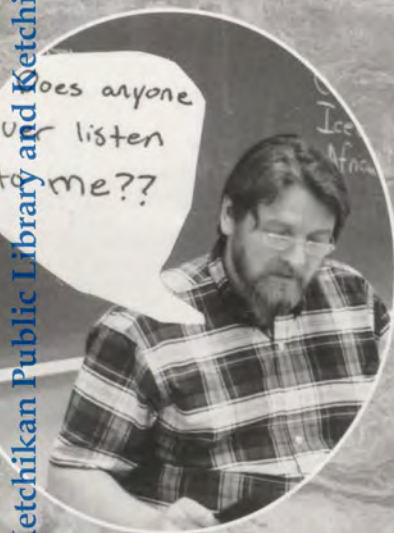

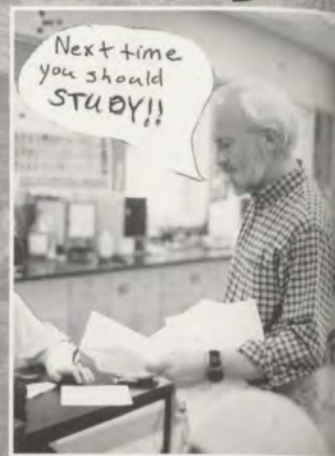

Mrs. Leo has changed since high school, well, she was only a few years ago.

Love, Mom

Berlyn,

Thirteen years ago your kindergarten teacher, Ms. Horstman (Blackman), wrote this to you and this is our wish for you:

May the good Lord be with you down every road you roam. And may sunshine and happiness surround you when you're far from home. May you grow to be proud, dignified, and true and do unto others as you'd have done to you. Be courageous and be brave, and in my heart you'll always stay, forever young, forever young, forever young.

May good fortune be with you, may your guiding light be strong. Build a stairway to heaven, be a prince or a vagabond. May you never love in vain, and in my heart you will remain, forever young, forever young, forever young.

And when you finally fly away I'll be hoping that I've served you well. For all the wisdom of a lifetime, no one can ever tell. But whatever road you choose, I'm behind you win or lose, forever young, forever young, forever young.

Love always,
Mom, Dad, Amber & Cally

Reflections

Archie Inonillo: One of my most embarrassing moments was during a Kayhi basketball game when Lowell and I performed with the Schoenbar Boys Drill Team. I was wearing overalls and as I exited the gym they fell down! The other side of the gym got a full on view of my boxers!

Charisse Seludo: I added "Alexis" to my ICQ thinking it was Alexis Schofield. When "Alexis" got on we started to chat. I said, "Do you know Alexis Pahang? He is so hot!" After "Alexis" logged off I looked at their information and the name said "Alexis Pahang"!

Ms. Bowlen: Two years ago on Halloween I was over visiting a friend. There was a knock at her door and to my surprise the door opened to reveal Tyler Woodell and Ben Voetberg, dressed as girls, standing at her door.

Ian Roskam: Two years ago on the Music Fest trip. Ms. Dorsey (the former counselor) was following me and my girlfriend around. It was kind of funny at first, but then it just got really annoying!

Derek Clark: When I was eight my family went on a trip to Florida. My mom took me to this huge mall to go shopping. I wasn't watching her and the next thing I knew, I was all by my self and I couldn't see her anywhere! It was really scary!

Isaac Lucas: When I was a freshman there was a really hot girl that went to my school. I was walking downstairs one day and she walked by me going upstairs. I turned around and checked her out, and when I turned back around, I fell right down the stairs!

Stacey Stone: My most embarrassing moment was when Jennae Ostrom pantsed me in second grade.

Shaun Phillips: One day in Culinary Arts we were making doughnut holes. I was having lots of fun throwing the dough balls into the hot oil. All of a sudden something happened... and there were flames!

Sarah Slenkamp: I was driving through town one day and I saw "Luscious L". I turned around to look at him and couldn't stop staring! All of a sudden my friend said "Sarah! Carl!" I turned around and slammed on my brakes just in time to stop myself from rear ending the car in front of me!

Mr. Powell: One day I had students outside. Mr. Martin (the Superintendent) walked by and asked, "Do you learn better in the sunshine?" Before I could reply Christine Stack said, "From him? We don't learn nothin'!" I enjoyed working here.

of the Past

Mark Anglin: One day during freshman year my locker would not open. I kept trying and trying. It still wouldn't open so I got really angry. Then I realized that it wasn't even my locker!

Carla Raglanti: I was at a party and I got lost when I was coming back from the restroom. I finally found my way back and all these cops were looking for me!

Ms. Roppel: My most traumatic experience was during my first year of teaching. A very troubled child cut off the judge's daughter's long blonde pigtails during a seventh grade spelling test.

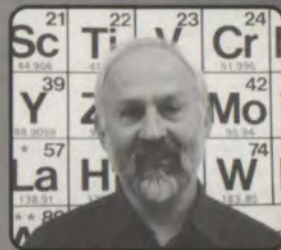

Kathryn Brooks: I was walking downtown last summer. A truck with hot guys in the back drove by. I tried to watch them as I walked around this fat lady with a stroller and a toddler and I ran right into a fire hydrant!

Jesse Zaugg: One day in gym we were doing shuttle runs. I was wearing those snap away pants and somehow... all of a sudden... I wasn't wearing them anymore and was completely exposed, and I'm not just talkin' boxers!

Mr. Dwyer: A few years ago I had Jessica Kenyon and Chris Campbell in my Chemistry I class. I was demonstrating a reaction on the board. Chris looked confused so I asked if he needed any help. Chris said he didn't need any help from me but would like some help from Jessica because he was in love with her.

Tallie Medel: During HSGQE testing, I got lost! I went to my Spanish class and there were people testing in the class! I couldn't find out where my class had been moved to!

Marcus Robecker: I was at Disneyland with my family a few years ago. I was walking around the park and I saw these really hot girls. I couldn't stop looking at them and I must not have been paying attention to where I was walking because I ran right into an ice cream vendor!

Kevin Cleman: When I was in eighth grade I was on the State Farm baseball team. My pants were really tight that year. Somehow, at one of our games, my fly was wide open. These really hot girls were staring at me and I kept looking back at them. My coach saw me and got really mad.

Jerrad Fudge: When I was in eighth grade I housed two guys for the Schoenbar Shootout. They were acting really weird. Later that night I went into my kitchen and found one of them going to the bathroom in the sink!
