# SUMMER

## kings out of school

Every year the students at Kayhi wait for the moment for school to be out so they don't have to deal with the stress of school anymore for awhile. That means when out for the summer for a couple months students get jobs, go on vacation, and do fun things with family and friends from hiking to even playing sports. Some students even choose to use summer to

become healthier. Others sit around all day eating, watching Netflix or playing video games. Living in Ketchikan gives lots of opportunities to experience the great outdoors. Even though Ketchikan is a rainforest there is still some sunny days in the summer to go out kayaking, fishing, or even just have a day at the beach.

Photo credit: Dorothy-Rose Outwater

Cross country had a very fun and successful season this year. They traveled to cities such as Sitka, Craig, Klawak, and Juneau. Regions was also home this year. Sydney Nichols (12) says that "the trips are the best part for sure. You only have to run for 30 minutes or less and then you can do whatever you want for the rest of the time there." There were four captains this season,

Laura Knight (11), Sydney Nichols (12), Benjamin Ranniger (12), and John Coss (12), as well as some honorary captains. Coss also qualified for state and described the experience as amazing. "There were 20 teams and 600 athletes... you're just one runner in a wave of athletes." He also said the season went well, the freshmen performed great, and the future for Kayhi Cross Country looks bright.

John Coss (12) waiting at the starting line for one of his races.

# FOOTBALL

## Ready, Set, HIKE

The kings played their best this year. Although they didn't win they still pushed for the best they could. They honed their skills and were a lot of fun to watch, with good community support throughout

the season. Unfortunately they had no winning games. The team is poised for a better season next year, and it's supporters are excited to continue rooting for Kayhil

Quarterback Brendan Wong (11), practicing throws on the side line.

# SWIM AND DIVE

## GIVE THEM THE FIN

This year in swim and dive five of our Kayhi swimmers qualified for state. Those swimmers were Laura Sherrill (10), Emma Campbell (10), Zoe Spencer (9), Jessilyn Sivertsen (11), and Maury Meiresonne (11).

At the state meet, Laura placed 6th in 100 butterfly, Emma placed 15th in 500 freestyle, Zoe placed 15th in 100 breaststroke, Jessilyn placed 12th in diving, and Maury placed 12th in 50 freestyle.

Bellow: photo collage of different swimmers

Photo by: Marissa Boney

"Totally go out there and give it your all, because if you go one second faster you will feel good. Have fun doing the sport if you have fun it will be fun too. Keep your grades up because if you don't and miss a meet it's a bummer, always go to practice not enough practices you won't go either, trust me, you want to go to the fun meets."

-Raighn Semaken (12)

# VOLLEYBALL

## Bump, Set, Spike.

The Kayhi Lady Kings Volleyball team had a good season this year. They got new coaches (Beth Sandefur and Kelly Smith). Even though, not many players came back to play and they only had 3 seniors on the team, making varsity have many more freshman, juniors and sophmores playing for the Kings. Even though they were disadvantaged compared to the other teams in the state they worked very hard, had

some very close games and did not do as bad as some people were expecting. Volleyball Region V was on the Lady Kings home court this year. Even though the Lady Kings didn't win Regions they had fun and even got to compete in a competition for serving and bumping. It was definitely a learning experience for everyone. Overall they worked hard and made it fun.

# WRESTLING

## Pin it to win it

"Being challenged in life is inevitable, being defeated is optional" - Unknown

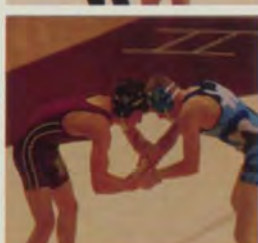

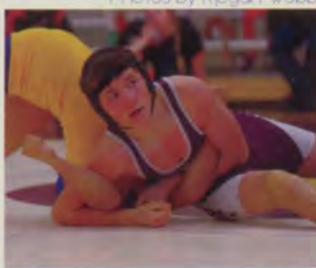

Kayhi's wrestlers of 2017 had a good season. Kayhi had a big wrestling team, a huge handful of those wrestlers this year were seniors. All the boys and girls on the team wrestled their hearts out. One wrestler, Louise Margarette Bueno, a freshman, made a big accomplishment for herself, her school and her team. Louise won first place in Regions, she was also the very first girl in Kayhi to win first place in Regions.

Louisse said, "Honestly I didn't really think about where I would end up in wrestling, but when I won my first High School regions I realized that I have a really good path that I have discovered. Overall, all I want to say is to just do your best and always stay positive." Louise made an amazing accomplishment and will not be forgot. For the seniors leaving this year they too will be missed. It will be exciting to see how 2018 wrestling team does. Here is to the 2017 wrestling team!

Wrestling By Megan Webb

Sophomore Alex (AJ) Malouf is the manager for the boys' basketball team. This is AJ's first year as manager. He became manager because he wanted to be a part of the program, but he didn't want to play. Being manager was the only way he could do that. AJ goes to every practice and watches while running the clock. As a former player Coach Stock has used him in many different ways and when they are short a player at practice, he will often be placed in certain drills that require a certain amount of people. As manager, AJ washes jerseys and prepares the game gear for the coming weekend. During games he book keeps, enters stats into different online programs, and on trips he films games if they aren't filmed already by the school they are at. AJ says, "My favorite part of managing is getting to be with all my friends almost every day, and it keeps me doing something every day".

Senior Sydney Nichols was the manager for the Cheer & Stunt team. Although this is Sydney's first year managing, she was a cheerleader herself her freshman and sophomore year. Sydney mostly became manager because she missed her cheer family. Being manager allowed her to still be part of it with the hectic schedule, but this way she is still able to play indoor soccer. Being manager for the cheer team, Sydney helps out at practices, is the DJ, and cuts pom poms, "which is the worst part, but that's okay".

Freshman Tessa Salazar was one of the managers for the wrestling team. Tessa became manager because it was something to do. Her job consists of cleaning the mats, tracking wrestling, and making sure everyone, especially Coach Collins, has everything they need. Tessa does travel with the team, but only in this region, so she did not travel to State with the team. Her favorite trip this year was Klawock because Amanda Dale (9), another manager, also went on the trip and they didn't have to stay at the school. Her favorite thing about being manager is seeing a bunch of people from our school win at Regions, which took place in Ketchikan this year. Her favorite memory was when Amanda was cleaning the mats and she tripped on a tube and the mats were slippery and Amanda slipped and fell on her face.

Junior Donald Rayner was the manager of the baseball team. Donald became manager to help out and be with his friends. As Donald's first year managing, he takes care of gear, does the books, and is the glorified waterboy. Donald does travel with the team, however he did not go to Arizona with them. "I really enjoy hanging with my buds and finally getting out of the house. He says his favorite memory from the season was when Andy contacted him and told him he was manager, "I can finally tell people that I actually do something!"

Senior Shelby Lewis was this season's Lady Kings' softball manager. This was Shelby's first year as manager, however she was on the team for three years prior. "I became manager because as a senior I needed time to work and save up money for the year to come, but I didn't have the heart to leave my girls completely," she said. As manager, Shelby helps the coaches stay organized, keeps book, holds a positive attitude in the dugout and anything else she can do to help the team. Shelby's favorite memory of being on the team was when Payton Simmons (11), Brittany Slick (12) and she practiced their favorite yoga positions on the Sitka field.

Freshman Erin Shea was the manager for the girls basketball team. This was her first year on the job. Erin became manager because she thought it would be a fun experience and she has a lot of friends on the team. As manager, she washes the jerseys, fills water bottles, gets bandaids as needed, and makes sure the girls and coaches have everything they need. Erin's favorite place to travel this year was Diamond because she got to go shopping and it was very fun. Erin enjoys managing because it's like a little family and they are all friends.

# CHEERLEADING

## Go! Fight! Win! Go Kayhi!

The Kayhi cheerleading squad cheers, jumps and stunts their way through the season. They always keep positive even if they are stressed about how sharp their moves are. They work very hard for months to get ready for the basketball season to start so they can cheer on the Kings basketball team and perform for the guests that enjoy watching the game and the ladies. This year the team started out with

eleven girls on varsity and six girls on the junior varsity team for a total of seventeen lovely Kayhi ladies. The ladies (and gentlemen) start preparing for their season in the summer with open gyms. In the open gyms they had the opportunity to start learning the sideline cheers, the Kayhi fight song dance and of course their cheer stunts. This year they had a great season!

# K-HIGHLITES

## Girls on the Dance Floor

A season full of hard work, laughs, pre-performance butterflies, and of course dancing, the K-Highlights Dance Team had a very successful and fun season. A transitioning year with a new coach did not phase the team; they still worked hard and danced their hearts out every single performance. During this nine month long season, the girls perform at football games, wrestling matches, and basketball games. Their

routines this year were pom, hip hop, coed, and an extra routine created by the captains and two of the juniors. Their regions theme this year was "Kings Court Hotel" and received a rating of Superior, making that an eight-year Superior streak. Co-captain Nicole Cyr (12) said her favorite thing about being on the team is, "how close we all get with each other, especially by Regions".

"Make every moment count. If you don't give your all now, when will you?"

-Keri Thomas

# GIRLS BASKETBALL

## WHO ROCKS THE HOUSE?

This year the Lady Kings took first in the 4A bracket for regionals playing against the Juneau Douglas Bears. This season the Lady Kings had a total of eighteen wins and only nine losses. They won two games during Regions and a total of sixteen during the regular season this year. The two seniors on the team Hannah Maxwell

(12) and Brittany Slick (12) have both worked hard for their years on the team. Hannah has been playing for the Lady Kings for three years and Brittany for four years. Jeff Lund and Kelly Smith, the coaches of the teams this year, have both been there to help mold these girls into what they are today.

Above: Rachel Knight (9) in a JV game versus Thunder Mountain.

# BOYS BASKETBALL

## THE KINGS ROCK THE HOUSE!

This year the boys took second in the 4A bracket during regionals playing against the Juneau Douglas Bears. This year the boys team had a total of fourteen wins and twelve losses. They won two of their four games during regions and a total of ten during the regular season

this year. No seniors went on to play for the boys this year. The team was made up of ninth through eleventh graders who worked hard all year to get to where the team is today. Coaches this year were Stockhausen and Smith.

Above: Marcus Lee (11) during a varsity game.

Top: Collage of different team mates in varsity and JV games for the boys basketball team.

Left: Kyle Smith (11) during the ball drop of a varsity game versing Mount Edgecombe.

# CCCC

## Clarke Cochrane Christmas Classics

CCCC is the most wonderful time of the year for a majority of Kayhi staff and students. This is one of the biggest events in basketball held here in Ketchikan. It takes place the weekend after Christmas and lasts three days. This year we had ten teams from all over Southeast Alaska.

This year the Lady Kings won the championship. The boys didn't make it, but they kept their heads up and played harder for the rest of the games during their season. The dance team and cheer team did perform at all the games and helped motivate the teams.

Below: The entire volleyball team posing for a photo ready to play some volleyball. Photo Credit: Coach Sandelur

The Kayhi Lady Kings Volleyball team placed 3rd in Regions. They played the first night against the Juneau Douglas Bears and lost three matches in a row. The next day they played the Thunder Mountain Falcons keeping their spirits up so they could at least

have one more game after. Unfortunately they lost that game too and were eliminated. Overall this season was a building and learning experience and next year hopefully they can come back and beat their rivals.

Above: Autumn Yeisley (11) about to serve the ball over the net.

# CROSS COUNTRY REGIONS

## Fartlek

(If you don't understand you're not a runner)

Kayhi Cross Country Regions V was held here at home this year, the tournament took place at Ward Lake. The teams that attended were Kayhi, Juneau, Sitka, Wrangell, Petersburg, and Metlakatla.

Leigh Woodward was the coach for this years cross country team. When the team travels she takes them on fun adventures, that involve a good exercise.

Photo Credits Leigh Woodward

2. Philip Smith (9) running hard through Ward Lake.

3. Morgan Elerding (9) running as fast as she can, wanting to take first place.

4. All the seniors gathering together before their last Cross Country Regions V race.

# WRESTLING REGIONS

## Ready to Rumble

Above: Cameron Harris (12) winning his regions match against his teammate Sullivan Schulz (10).

The 2017 Kayhi wrestling team had a good year coached by Rick Collins and Greg Karlik. Louise Margarette Bueno (9) was the very first girl to win Regions for wrestling in Kayhil. Brayden Linne (11) won his match during Regions moving on to

State and taking second place. For Brayden that was a very exciting moment in his high school career. The wrestling team this year had many seniors, it will be interesting to see how the team looks next school year.

Above: Dawson Entwit (12) winning his match against Thunder Mountain opponent.

Above: A collage of Brayden Linne's (11) match, he went to State getting 2nd place in his weight class.

# REGION V

Regions V tournament was held here at Kayhi, 4A, 3A, and 2A. During this year's Region V Kayhi's basketball girls took 1st for the fifth consecutive year, Kayhi's boys took 2nd place. The cheer did very well this year they

worked hard, and cheered hard. Kayhi's dance team got a new coach this year, and even with new changes they got superior. Pep club and pep band did a really good job at making Regions V shine bright.

1. Pep club posing for a photo on America night.
2. Pep band playing music while the boys warm up for their game.
3. The cheer team doing their routine for the Kayhi fight song.

# PEP CLUB

## How peppy are you?

Pep club of 2018 was one of the most energetic and spirit filled group of kids. They all worked together to make sure that all the members knew what the themes were of every weekend game. The three presidents of the club were Shirlie White (12), Mey Tuinei (12), and McKenzie Thomas (12). Mey is the captain of the cheer squad.

McKenzie is on the cheer squad as well. Shirlie kept pep club well maintained and peppy during the games. Pep club was super excited that Southeast Region V was here at Ketchikan this year for the home court advantage. They definitely brought the spirit for the Kings and Lady Kings.

Right: Pep club posing for a picture during one of the basketball games.

# PEP BAND

## Play loud and proud

This year's pep band is directed by Trevor Holt (12) and Thomas Brooks (12). The two of them have done a very good job this year at leading pep band. Nathan Eisenhower (12) has been in pep band for 4 years, he says "Every year there are different directors, traditions, and rules. But at the heart of pep band we're still wild, and we

keep it loud and proud." Pep band plays various songs during time outs, between quarters, and before the game. Pep band plays loud and strong getting their basketball teams and pep club riled up for a game. The pep band has rocked it hard every single game this year, and they will continue to rock it.

# PEP ASSEMBLIES

show me how to sizzle sizzle.

Kayhi's pep assemblies are fun filled and entertaining to not only the students but also teachers. They usually have two opposite teams playing another team in an entertaining way. For example the volleyball team and the debate team played

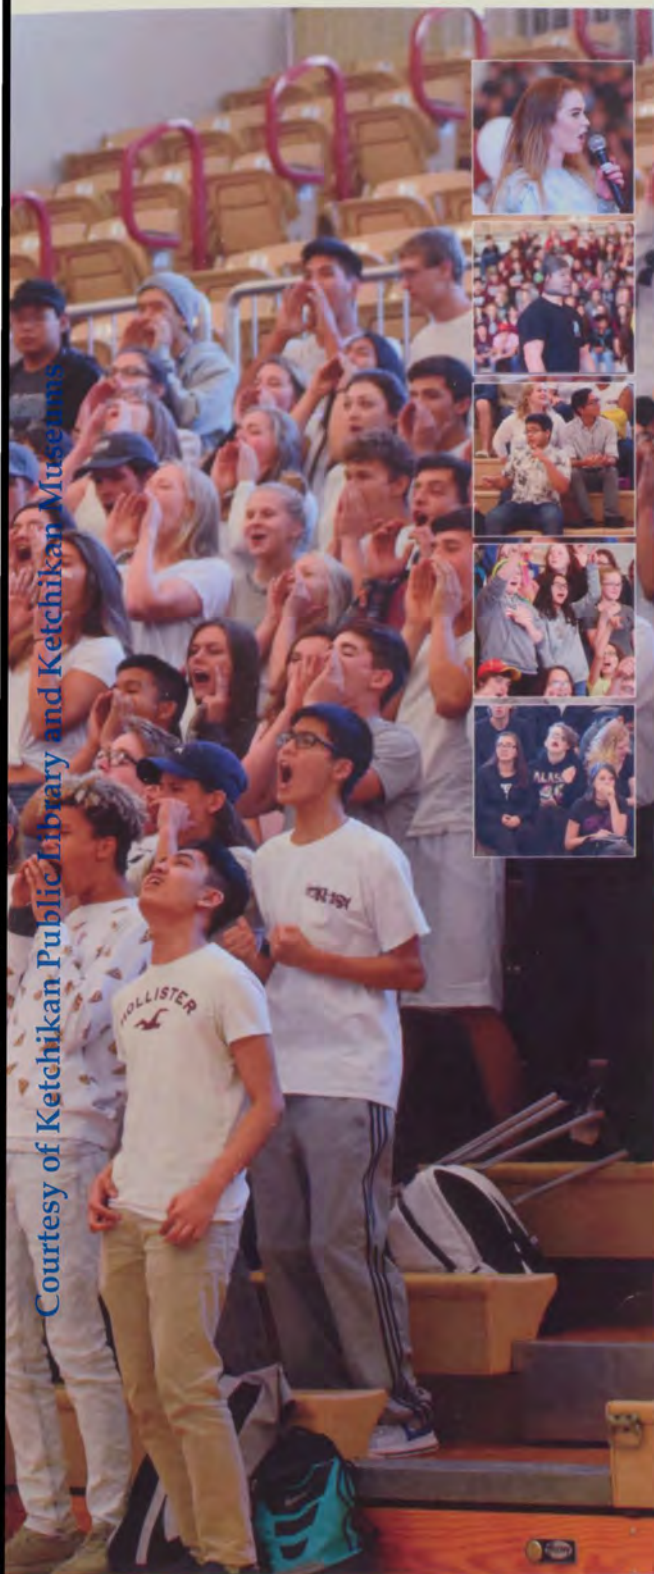

a game of volleyball against each other. The freshmen and senior class played a game of dodgeball. These assemblies are interactive for all the students and provide a fun enviroment that builds team spirit.

# DANCES

## Dancing like nobody's watching

Dances give time to have fun and let go for the night. The Kings never miss an opportunity to get down on the dance floor and even have dance offs. Most dances are held in the commons or in the aux gym,

there is always awesome decorations and snacks for the students. This year Kayhi has had three dances. From formal dances to country throwdowns the Kings do it all.

# HOMECOMING

## Kayhi Royalty

This year the homecoming court consisted of students from every grade, which hasn't happened since 2014. The freshmen representatives were Noelani Tillson and Gabriel Tabb, the sophomore representatives were Bella Roberts and Besjan Kamberi, the junior representatives were Payton Simmons and Xavier De Liedekerke, and the senior representatives were Leah Benning and Garrett Mulder, Sydney Nichols and Dawson Daniels, McKenzie Thomas and Vince Tenebro, Mey Tuinei and Juan Orta, and Verona Kamberi and Largim Zhuta. As an exchange student, Xavier said the experience was "a

little weird because I'm technically a senior, but it was really fun!" Leah and Garrett were also junior representatives last year and took home the crowns for homecoming 2017. Last year's winners, Edric Andrew Tiamzon and Elsie Heintz came home to pass off their crowns. "I wasn't expecting to win," said Leah. "I was just excited to play dress up with Garrett and walk around. I wasn't nervous about entering the gym, Garrett was so nervous, he kept saying, 'please hold my hand, hold my hand.' Once he got called, because boys are called first, I was just like, 'Oh golly. What if it's not me.'"

# HALLOWEEN

## Spooky Time in Kayhi

Halloween is the spookiest time of the year in Kayhi! Some of the teachers and students dress up in a variety of costumes. The costumes this year were quite unique! There was a large variety of people who dressed up, but also a large

variety of people who didn't. The events around town that some of the students attended were The Coast Guard's Haunted House, the First City Saloon's House of Horror, and the Haunted Camp Grounds that were held at Ward Lake.

# CLASS ACT Building Memories

Class Act is a program that helps freshmen get ready for their years here at Ketchikan High School. Class Act started in the year of 2005, it has continued to be a helpful program since then. Before the first day of school the mentors and

incoming freshmen meet at Kayhi for the day. Throughout that day they play games, get to know each other and get to know the school. The junior and senior mentors try to make the process of transitioning into a bigger school a little easier.

# KAYH CLUBS

Kayhi provides a lot of different clubs that provide students with the learning of social and team working skills. German club, Japanese club, Ocean Science Bowl, Theatre club, GSA (Gay, Straight Alliance),

National Honor Art Society, and Educators Rising. These different clubs have helped not only the school, but also the community in ways that anyone would have seen coming.

## TRIBAL SCHOLARS

The Tribal Scholars Program (TSP) is an alternative schooling program for native students. Peter Stanton is the math and history teacher, and Tiffany Pickrell is the English teacher. "It's easier and fun like the activities that we

can do here. TSP gives native students a great opportunity to do things better than before. Also, TSP helps further your education by partnering with the university to get our science credits." As said by student Nayomie Welty (11).

# ACDC YAMS!

This year ACDC won the Alaska State championship for the first time ever. The team was also the first to win from Southeast. Kayhi's final score was the fourth-highest winning score in Alaska history.

The team won thirty-three individual medals. Adrian Ronquillo (12) won bronze in economics, silver in science, silver in social science, and gold in music. Largim Zhuta (12) won bronze in mathematics, bronze in economics, silver

in science, and silver in social science. Emme Andersen (12) won bronze in essay, silver in music, gold in art, and earned a \$1000 scholarship as the fourth-highest scoring scholastic. Max Varela (12) won silver in economics, silver in social science, earned a \$1000 scholarship as the fourth-highest scoring honors, and set a new Kayhi record for highest individual total score with 7,665.3 points.

The home meet was definitely my favorite meet, but being able to travel and meet other people is cool too.

-Abigail Gaugler (9)

Your mom wishes you were us!

## DDF

Out of 20 teams, Ketchikan took 3rd place overall in Forensics, events, had the most speakers in the top 10 for public forum debate, and the best overall record in debate. Piper Cooper (12) took 4th place of 18 entries in Original Oratory. Jared Valentine (11) took 4th of 24 in Expository Speaking. Frances Barry (12) took 5th and Thomas Brooks (12) 6th out of 24 entries in Domestic Extemporaneous Speaking, with Christopher Brown (11)

taking 4th of 18 in Foreign Extemporaneous Speaking. Arick Mattson (12) took 2nd out of 23 entries in Humorous Interpretation, and had a command performance. Frances Barry (12) and Thomas Brooks (12) took 7th in Duo Interpretation. Piper Cooper (12) and Christopher Brown (11) were one of three teams, out of 32 teams, to have 4 wins and 0 losses. Madyson Traudt (12) and Thomas Brooks (12) were 3 and 1, as were Frances Barry and Henry Clark (9).

# BEHIND THE SCENES

## Yearbook in the Snow

As you flip through the pages of this yearbook do you think of the hours of work that someone else put in to it? The nice pictures that are placed in the perfect order for your eyes enjoyment. These were all taken by a class of students. Yearbook is led by Mr. Henke and consists of nine hard working girls.

(and one boy for part of the year...) Throughout the year you'll see them with a camera at each and every event, they might ask for a smile or words. Freshman, Katori young, said "I learned how to use a computer but also I learned people are quite and cranky in the morning, but also fun".

1) Freshmen Zoe Jackson and Isabelle Hendrickson going over pages.

2) Senior editor Melinda Guerrero going over deadlines with Elizabeth porter.

3) Yearbook jumps off the benches outside of the school.

# JOURNALISM

We make looking good easy

At Kayhi journalism is filled with juniors and seniors. Students in this class write articles for the school newspaper "The Current". The class meets during third and sixth period during the day.

Students write an article between 1-15 times during the school year. Being in journalism helps increase students' writing and communication skills. One way this is done

is the students write in different formats for different goals. When asked about the effect of journalism on her life RoseAnna Kacenas (12) said, "I feel more confident in journalism than I do in any other class. Having the freedom to set your own pace and pick your own subjects to cover is really fun." The class also helps the students become responsible and stay on top of their work.

Top: Joseph Karlik (12), Richard Stuart (11) and Leighton Lowe (11).

# IN LOVING MEMORY OF WYATT WESLEY HASTY

Courtesy of Ketchikan Public Library and Ketchikan Museums

Wyatt Wesley Hasty, 15, died March 12, 2018, in Scottsdale Arizona. Wyatt was born April 10, 2002, in Ketchikan. His mother is Amy Adams of Ketchikan, and his father is Jason Hasty of Scottsdale. Wyatt attended Holy Name Preschool in Ketchikan, Pueblo Elementary School, Mohave Middle School and Coronado High School and Ketchikan High School.

Born in Ketchikan, he lived here until 2006 before moving to Scottsdale. He returned to Ketchikan in June of 2017.

Wyatt played almost every sport at one time or another, according to his family, but he loved basketball the most and played with the Ketchikan Drifters League this year.

Wyatt also loved to play many instruments, his favorite was guitar. He also enjoyed hiking, camping, the Youth Shotgun League, video games online with his friends, hanging out with his friends, fishing, boating, watching movies, traveling. Wyatt most of all loved to spend time with his family, and his cat, Mario, and his dog, Lucky Ann.

Wyatt was mostly a straight A student in school, and he very much looked forward to a future that included college, his family wishes.

"Wyatt was a joy and a blessing," his family writes. "He changed everyone for the better the minute they met him. His tragic passing will forever change the world."

Wyatt Wesley Hasty will forever be missed and in everyone's memories.

R.I.P. Wyatt Wesley Hasty

Journalism by Isabelle Hendrickson

# SPANISH

## Bienvenido a la clase de español

Spanish this year was taught by Mr. Ben. This year is his first year at Kayhi and he has had a great turn out for his class. The classes range from fifteen to about thirty people. Spanish 1 classes meet 1st hour, 2nd hour, and 6th hour. Advanced Spanish takes place during 3rd and 4th hour. Most kids in the classes say that their favorite part of the course is playing Quizlet. live, this

program helps these students learn their vocabulary and since they aren't constantly with their friends the students tend to work better and remember more words and definition. The students in Mr. Bens class seem to be enjoying his teaching and his class, the room is full of laughs but the students are still getting the education they wanted from taking this class.

Above: Brendan Roof (10) focussing on Mr. Bens lesson in Spanish 1.

Bellow: Mr. Ben explaining the lesson to a few students.

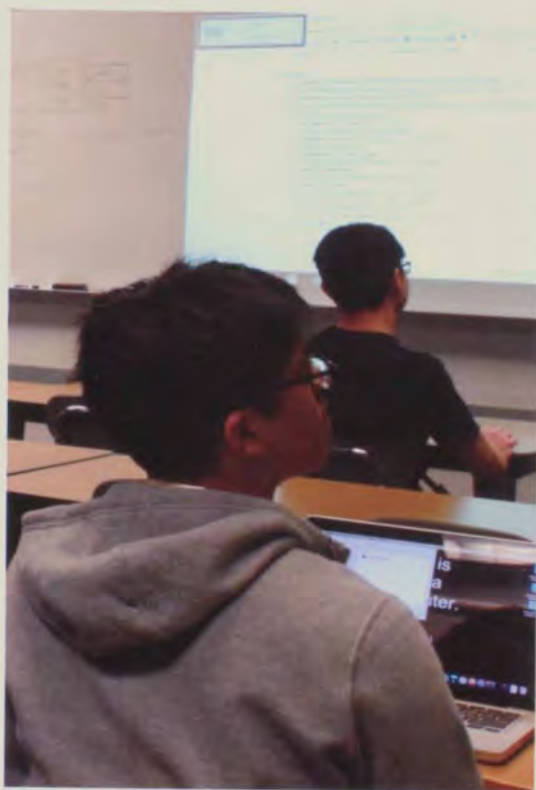

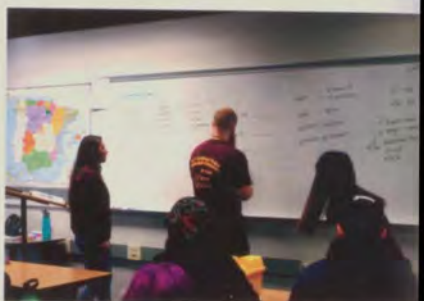

Photo credits: Kaiton Young

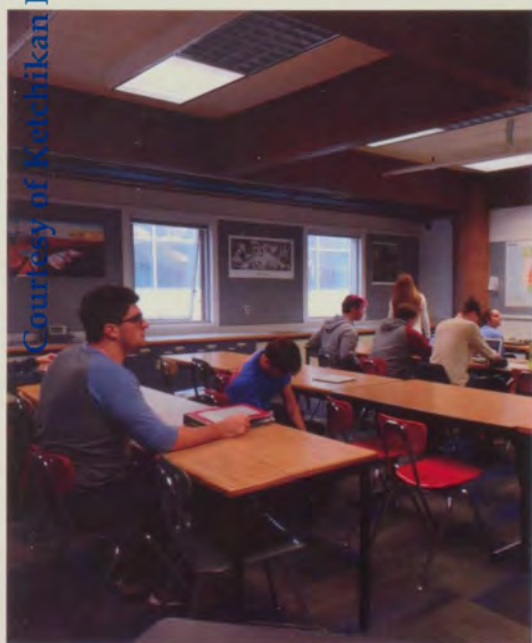

I became a teacher because some of the most influential people in my life growing up were my teachers, and I wanted to pay it forward and do the same for other kids. I graduated from Harding University in 2013 with a BA in Spanish, a BA in English, and a license to teach in both.

# FRENCH 2

## C'est la vie!

French 2 is an elective that met during 5th hour throughout the whole school year. The class was taught by Mr. Stanton in room 130. This class consists of around 30 students wanting to learn

this language. Throughout the year on top of learning the language the students also worked on projects such as the masks as shown in the photos, as well as other elements of French culture.

# HAIDA

The Haida language class meets everyday during 5th hour and is taught by Mr. Young. In this class the students learn about this local native language and

how everything is said in it. The class is mainly made up of Alaska Native students from here in the school. At times this class also learns about the Haida culture.

“My favorite part about this class is getting to know more about my Haida culture.”  
-Kailey Edenshaw (11)

# HEALTH

## Stayin' Alive

Health is a one semester course taught by Zara Nesbitt. This class is required for graduation and is typically taken the student's first year in high school. In this class students learn about, first aid, CPR, mental health, mental disorders,

eating disorders, nutrition, relationships, human sexuality, family, and more. In health, students watch films, such as "Super Size Me", in class and then do projects on them.

Top: The class working on a project.

# CHILD PYSCH

Child psychology and child careers is a class where students can learn how to work with children in the elementary school. Mrs. Shelton is the teacher of the class. The students from Kayhi go to Houghtaling and other schools twice a week to help elementary kids with reading and other activities. This class helps the high school students interact with

younger kids more and understand how different events effect children and their behavior later in life. The class does a lot of preperation in the classroom, and applies what is learned on their field experiences.

The Child Careers, and Child Psychology Class gather outside their classroom.

## Having Fun in MARITIME

Maritime is a class for students to learn about marine safety, seamanship, and navigation. The teacher of the class, Rick Collins, makes sure that all of his students are being safe on the boat and being responsible. On nice days, students have the privilege to go out on the boat and put what

they have learned to the test. One of the students from Mr. Collins's maritime II class was asked, "What made you get into maritime and how do you like the class?" Axel Hugo (10) replied with, "I like boats and being on the water. I think the class is really fun."

# JAZZ BAND

## Va like Jazz?

Jazz band is a two-semester long class that meets during zero hour, taught by Deidra Nuss. As a prerequisite, students have to audition for it and get the director's approval. This group of people

are a select group of musicians who study and perform all types jazz, rock, and popular music. Members of Jazz Band are required to attend sectionals, extra rehearsals concerts, and festivals.

Top: Philip Smith (9) playing the drums in front of Madison Purcell (10) playing base guitar and next to is Jaina Williams (10) and Trevor Holt (12) playing the saxophone.

# JAZZ CHOIR

These are jazz hands

Jazz choir is taught by Mrs. Purcell and is held during 4th hour. Jazz choir is the only choir class that you have to try out for. This class is different from both the other choir classes, that they sing including jazz, swing, and pop. Each and every person in jazz choir has their own microphone while performing, and every singer is frequently singing their part alone. The vocal harmonies in this choir class are a lot more complicated than

they would be in one of the other choir classes. The following songs jazz choir has performed: Summertime (Hayes), Crazy Little Thing Called Love (Sharon), Puttin' on the Ritz (Shaw), White Winter Hymnal (Billingsley), Moondance (Sharon), For All We Know (Rutherford), Route 66 (Shaw), Blackbird (Runswick) - my box, Vincent (Emerson), Sing, Sing, Sing (Meador), I Wish (Emerson).

# WIND ESSEMBLE

Wind ensemble is a selected group of musicians who perform a variety of band literature from different musical periods. Emphasis is placed on the acquisition and refinement of more advanced instrumental techniques. Musicians in this band are

required to attend sectionals, extra rehearsals, concerts, and festivals. Such as the Fall Concert or Winter Concert. Personal practice and learning of parts is noted to be required.

Above : Wind Ensemble playing at the Fall Concert.

Bottom Right : Wind Ensemble listening to Ms. Nuss.

Top Right : Ms. Nuss making preparations.

Photo credits: Noah Sylier

# SYMPHONIC BAND

Symphonic band is designed to help musicians develop and refine the rehearsal and performance skills required for participation in a high school band. It is also open to students who are starting a new instrument or need to refine skills for placement in wind ensemble. Emphasis is placed on

the development and refinement of more advanced musical skills and the techniques required for advancement to Wind Ensemble. Members are required to attend sectionals, extra rehearsals, concerts, and festivals (as appropriate). Outside personal practice and learning of parts is required.

RYLEE GIEL (9): "My flutes name is Gloria."

PHILIP SMITH (9): "My favorite is timpani. I would name the high one John, medium high Jane, low medium Billy, and low one Joe."

“WHAT’S YOUR INSTRUMENT’S NAME?”

# CONCERT CHOIR

## Testing... Testing...

Concert choir is held 6th hour and led by Trina Purcell who has been teaching this class since 2006. Concert choir holds a handful of concerts spread through out the year. After some transportation issues, the group managed to travel to Music Fest this year in Juneau, with a lot of help from the community.

There are 64 students in concert choir. Some of the songs they sang this year are, Y'Susum Midbar (Parker), Kyrie from Pavane (Faure), We Are the Ones (Reagon), Do You Hear, We Three Kings, Je le vous dirai, O Salutaris Hostia (Conahan), Loch Lomond (Quick), I'm a Train (Knight).

McKenzie Thomas (12), MacKenzie Williams (9), Karri Montero (11) and Evelyn Andersen (10) singing.

# WOMENS CHOIR

## Perfect Harmony

Women's choir is held 5th hour and led by Trina Purcell who has been teaching this class since 2006. Women's choir has performed 4-5 concerts throughout the year. The group was able to travel to Music Fest in Juneau. There are 17 students in women's choir. Mrs. Purcell says that "each singer needs to be very confident on her part since there are fewer students and, thus, not as many people singing the same part together." Some songs

that they have sang this year are, "We Are the Ones (Reagon), Beati Omnes (Ewer), Will the Circle Be Unbroken (Moore), Come to Me, O My Love (Petker), God Rest Ye Merry Gentlemen, Veni, Veni, Light of a Clear Blue Morning (Hella Johnson), Veni Domine (Mendelssohn), I Sing that My Voice May Be Heard (Hall), Swing Low (Gibbs), Sometimes I Feel Like a Motherless Child (Powell), Ave Maria (MacIntyre)".

# BOYS CONDITIONING

The boys conditioning class is taught by Mr. Collins during second, fourth and fifth hour. Boys conditioning is an elective that boys can take during the day to fill their schedule or to just stay fit. These boys start the class of with running stadiums. Boys conditioning consists of

weightlifting exercises, full body exercises, and lift exercises. Mr. Collins teaches the boys how to stay strong, and be healthy. These boys work hard everyday in school to get fit and be strong.

# NATIVE ART

## Back to Basics

Native art has been a class here at Kayhi for 36 years! It is taught through KIC. Native art takes place during 1st, 2nd, and 3rd period. Students do things like weaving baskets and hats, sewing octopus bags, sketching and other things from the Native Culture. Some of

the materials they use are cedar, felt, thread, and beads. This class is different from normal art because they are creating things that go back to Ketchikan's roots. During class Mrs. McLavey, the teacher, plays classic native music for her students.

Top: Mrs. McLavey works on her own hat during class.

## Anyone hungry? **CULINARY**

Culinary is taught during five classes in the day. Zero hour, makes the breakfast that is sold during nutrition break. They make food such as breakfast burritos and sandwiches, biscuits and gravy, and sometimes breakfast pizza. First and third hour is culinary, and second and fourth hour is pre culinary. In pre culinary, students learn basic food safety rules cooking knowledge, such as different knife names and what they're used for and how to correctly hold a

knife. Mr. Edwards is the culinary teacher; he does a great job at teaching young students how to cook and handle food. In February, he and his classes made free spaghetti for whole school! Students said the food was delicious and that he was so kind for doing that. Staff and SBA members helped serve the food. Aside from cooking for students, the culinary classes also help prepare food for school activity fundraisers.

# DRAWING & PAINTING

## Bold and Brash

Mrs. Kern's drawing and painting classes are all very talented. Her students create pieces that range from painting sunsets, to drawing human portraits. They do perspective drawings, mix colors, pencil drawings, shading, human and self portraits, and much more. Drawing and painting takes place 1st and 2nd period. Drawing and painting is a great outlet for

students to express their emotions and further their skills. Mrs. Kern not only helps her students reach their full potential, but she also encourages it. Students in this class have required projects, but there is still some free time. Other students who have taken this course in years past have the opportunity to create whatever they want and start a portfolio.

## Illuminating Creativity

# SCULPTURE & POTTERY

Sculpture and pottery take place 3rd, 4th, and 5th hour. In this class students work on the potter's wheel, as well as making hand built clay sculptures, paper sculptures, and glass art. Students have the opportunity to use a wide variety of materials and medias using many different techniques. With the help of Mrs. Kern, students explore cultural and historical aspects through

art. Mrs. Kern is very encouraging in helping students create their best work. First year students have required projects, and returning students have the freedom to create anything they want as well as starting a portfolio.

Carson Kimball (12) is preparing a 2G weld coupon in 4th hour welding.

Photo Credit: Todd Henke

# WELDING

## When Sparks Fly

Welding is taught by Mr. Henke. The welding class is taught during 2nd, 4th, and 5th hour. Mr. Henke has been teaching the welding class for four years at Kayhi. Some of his students have been taking welding for as long as he has been teaching. The class begins with the basics of Oxy-Acetylene

welding, then moves on to SMAW, MIG, and TIG welding as they progress. The students practice a number of processes and positions that are used in the welding industry, preparing themselves for employment, or further welding education.

Brock King (11) performs a 2G MIG weld.

Dorrian Hunter (10) using a plasma cutter to cut flat stock.

Photo Credits: Todd Henke

Top: Spencer Longley (11) uses an angle grinder to prepare a 1G MIG weld.  
bottom: Adam Shipp (12) was practicing TIG welding aluminum.

# SMALL ENGINES

## Rattle, Crash, Bang

Small engines is a CTE class that any student can take. This class is taught by Clint McClellan. He teaches students the basics of internal combustion engines.

Students are taught how to take engines apart and reassemble them back to one big piece. They learn to safely use tools as well.

Eli Bright (10) doing some work.

Robert Cope-Powell (9) assembling a engine.

Elia Zurfluh (11) removing a clutch with an impact tool.

Mason Boehlert(11) and Nikolai Bolshakoff(11) working on an engine.

Photo Credits: Todd Henke

# AUTOMOTIVE

## VROOM VROOM

Automotive is the advanced class of students who are more able to handle working on cars without needing constant supervision. These students learn over 150 basic automotive service skills from identifying what's

wrong to ordering the part and replacing it. This is a class that can be taken two class periods in a row. Automotive also looks really good for attending technical schools after high-school.

# WOOD WORKING

We've got skills

Woodworking is a two semester long class that was taught by Dave Zenge. There are three different woodworking classes. Woodworking I is for 9th through 12th grade, woodworking II is for 10th through 12th grade, and woodworking III is for 11th and 12th grade. In these three different classes they learn more advanced things as they

progress. In the first year students will learn to safely operate all the tools that they will use throughout their woodworking years.

# BUILDING AND CONSTRUCTION

## Career ready

Building and construction is a two semester long class that can only be taken if you have completed the Woodworking I, and there is a 15 dollar fee per semester class. This class in very hands on and will help students

achieve many useful skills in the construction fields. This class is helps with a various amount of agencies throughout the community in building a good variety of structures.

The computer technology boys gathered together for a group photo.

Photo Credit: Megan Webb

# COMPUTER TECHNOLOGY

Learning to code  
those computers

Computer Technology is a class that focuses on computer coding. This is the first year that Mr. Scarzella has taught the class. The class is held in the computer lab during second hour. They learn coding languages such as Python.

They use Eternity Engine to design computer games. They also play minecraft in their free time. The students who take this class hope to later further their education on computer technology.

Above: Some of the young men working on complicated coding.

Bellow: Eli Bright (10) playing minecraft in his free time.

# ENTREPRENEURSHIP

## Creating the spirit!

Entrepreneurship is a new class. It is taught and managed by Mrs. Machado. This class is held during first hour. The kids in entrepreneurship come up with cool designs and new merchandise to sell that promotes Ketchikan High School. They sell hoodies,

tee-shirts, foam fingers, and so much more. They all work so hard in this class and on the weekends during basketball games the class comes and sells the product they have come up with. Entrepreneurship will continue to be a spirit filled class.

To the left is Wyatt Glenn (10), middle Liam Kiffer (11), and to the right is Alexander Trugon, showing off the new Kayhi products to the people at basketball games.

# What are some pros and cons to being a freshman?

## PROS

"Feeling older  
because we aren't in  
middle school anymore  
and the classes aren't  
generally too hard."  
-Olivia Berg

"Kayhi has a lot more  
opportunities and  
ways to learn and  
grow." -Joshua Gray

"There are no pros."  
Amanda Dale

# CONS

"It's just a new place  
that I don't  
understand yet."  
-Jaden Stern

"Whenever you walk  
down Junior Hall  
people just stare at  
you like you're some  
pest." Katori Young

"Some of the seniors  
can be a little mean."

# SENIOR FLOAT

## 18K GOLD

The graduating class of 2018 put together a marvelous float for the Fourth of July parade. The seniors voted on the theme for their float, they chose 18K Gold, seeing that they are graduating in 2018 and school colors are gold and maroon.

the energy, and everyone having fun together. It's a good memory everyone will have with our class forever." Thomas Brooks said, "My favorite part was definitely through the tunnel when we couldn't see anything, the music was blasting, and we were all dancing."

Jacinda Leighton said, "I loved all

Mey Tuinei, and McKenzie Thomas showing their class spirit covered head to toe in gold.

# KEEP ON WALKIN

## Senior Walk in

The Senior Walk-In is an assembly at the beginning of the year, every year. This is a Kayhi tradition to honor the seniors at Kayhi. All of the seniors at Kayhi all pour into the auditorium wearing white. After all of

the seniors head on down the aisle high fiving all the staff members they make their way down to the stage. Go class of 2018! Seniors, make this last year of high school a memorable one!

Above: Troy Harris (12) making his way to the stage while giving all the staff high-fives.

Photo Collage:  
Stephanie Thompson (12),  
Emilee Reynolds (12),  
Cameron Harris (12), and  
the rest of the senior class  
head on down the aisle to  
the stage.

“What was your favorite part about the senior walk-in this year?”

“Not getting sick afterwards from all the high-fives.” ~Mr. Raber

# SENIOR CARNIVAL

Where the magic begins

The annual carnival, run primarily of seniors, was a big hit this year, as always. This event is open to the public and raises money for senior activities such as prom and graduation. Each booth has its own theme. Bingo is always the community's favorite activity, however cake walk is also a big hit. Senior Stephanie Thompson said, "I really enjoyed seeing our class come together, and clean up was fun because it went by really fast". Mrs. Whyte noted at the end of the night that it

was one of the smoothest running carnivals she has helped with. The senior class officers were in charge of the prize room and delivering prizes to each booth. Vice President Chasina Klein said, "It kinda sucked not being able to be in a booth, but it was cool to step back and watch it all come together". The booths took up both gyms; the aux gym was primarily for younger kids, and the main gym was for older kids and adults.

# Mike Rath

After the gold rush,  
We are here in these years  
(after all these years),  
where this showman  
(that's you),

Shifts gears, where lives  
(have) become careers -  
And we believe in you, for  
Life has its finer points  
(for dreamers like you).

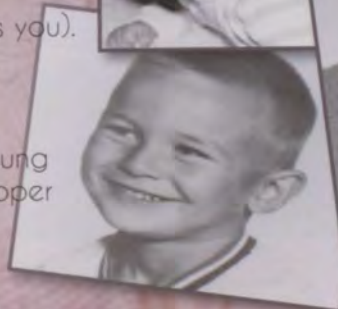

If you come on down  
To the river of sight,  
Then you can really understand.  
When things go wrong,  
Push off the years and talk  
To me, my long lost friend.  
Be happy with your circumstance,  
Because it's gonna take  
A lot of love  
To change the ways things are  
(and the way things will be,  
without you here).

This is a story  
I was hoping it was a lie,  
Because it's these expressions  
That will keep (us) searching  
For that heart of gold.  
When the summer turns to fall  
Step out into the sun  
Where the spirit grows  
(and tell us)

What did you find?  
You found the love of the students  
And staff (that's us).  
Now, you must be the rain, and  
Be the ocean when it meets  
The sky.

This is the story -  
We believe in you (and will miss you).  
Keep on rockin', Mr. Rath.  
Keep on rockin'.

--lyrics from songs by Neil Young  
Rebecca Bowlen & Piper Cooper

## Grant Collins

When you were a little boy, you lined up all your diggers in rows when you got done playing with them. You always loved ducks, and now it is clear that you have spent your life getting your ducks in a row. You know what you want, and you go for it, no matter if the odds are not in your favor; no matter what others say. You have always marched to the beat of your own drum. That's what makes you so great!

Dearest Grant,

We can't wait to see what you will do next!

We love you forever and a day!

- Mom, Dad, and Logan

## Megan Hayward

So proud of you Nann  
you are such  
a bright,  
responsible,  
beautiful girl!  
Lots of love!

## Damiyen Porter

## Thomas M. Brooks

Life happens, what you do with it is what really matters! Love, honor, respect, give them, take them, and those around you will learn them too. Love Mom & Dad

Mom, Dad, Sis

Adrian Ronquillo

We're so proud of you son! Your dad &  
I are still having trouble believing you're  
graduating already. We wish that success  
keeps following you in everything that you  
do. We're always here for you.  
Love Dad & Mom

# Michah Eichner

Mike, we are so proud of  
you and love you tons.  
Mom, Dad, Zack (Bro)

Such a cute little  
boy... and now, a fine  
young man.  
Be prepared; follow  
the scout oath and  
law; Fly like an Eagle.  
Love you  
Mom, Dad, and Katie

# Zachary Tighe

## Dante Troina

"Very little is needed  
to make a happy life;  
it is all within yourself,  
in your way of  
thinking."

-Marcus Aurelius Antoninus

We're proud of you, we're excited to  
see the life you make for yourself,  
and we'll love you always!

-Dad, Mom, Caleb, Domenica, and Willow

## KALIA ALVAREZ

Mom and Dad  
are so proud  
of you! We  
love you!!

# JACOB NEMIRE

We love you so much Jacob Ryan, and we are proud of you! You were born at 7:47 am, the worlds smallest 747 ever born, with the biggest heart imaginable.

# BRITTENY SLICK

"The future belongs to those who believe in the beauty of their dreams." - Elenor Roosevelt. We couldn't be more proud of you. Love you more. -Mom, Dad, and Ty

# KODY MALOUF

Congratulations from Mom, Dad, Alex, Max. What happens at Pizza Hut stays at Pizza Hut. We love you

# LAIA HARDING

Laia we love you our little sunshine piddle pants. Love your Mom, Dad, and sisters

# Carson Kimball

Your kindness... Your confidence...  
Your sense of humor... These are  
just a few of our favorite things  
about you! Congratulations Carson!  
We love you, Dad, Mom, Collin,  
Kenna, Peyton, and Avery

# Emilee Reynolds

# Kylee Jackson

Kylee- You have grown into such an amazing, smart, kind young lady. We can't wait to see where you take yourself in life. Don't ever lose the special twinkle in your eye :)

Love Mom, Dad, and the Brady Bunch

# Max Collins

Congratulations Max! "Go confidently in the direction of your dreams. Live the life you have gained." -Henry David Thoreau.

We love you to infinity and beyond. Love Mom, Dad, & Andy

Trevor  
Holt

Piper  
Cooper

# Jayden Lewis

We are so proud of you! Always  
continue to dare greatly and be  
amazing!

Love, Mom, Katey, & Aya.

# SPRING BREAK

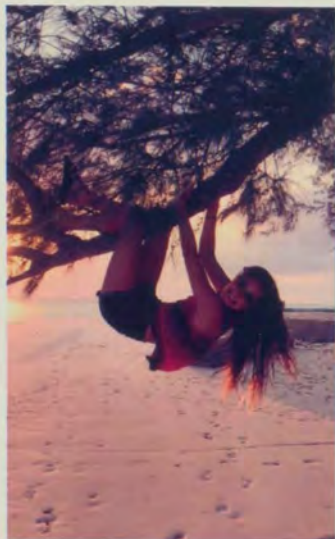

18

Below: Mr. O'Brien enjoying his time at Yosemite National Park.

Spring break is something that most Kayhi students really look forward to. Kayhi students and staff get 10 days off to relax, go on a trip, or do whatever. A lot of seniors look forward to spring break because it indicates that senior year is almost over, and they are soon to graduate. Spring break is also an indication that spring sports are starting such as; softball, baseball, track, and soccer.

Below: Garrett Mulder (12) and Leah Benning (12) enjoy the sunset in Ixtapa, Mexico.

Above: Chanell Browne (11) hanging from a tree while the sun sets in the Bahamas.

Above: McKenzie Thomas (12) and her two little sisters riding a camel in Arizona.

# LADY KINGS

The Kayhi lady kings soccer team had a fun season. They only won one game against Homer, but they worked their butts off and never gave up. One of the greatest things about the lady kings is that they always try to stay

positive and even when losing shake it off and smile. This year they are losing five seniors. The lady kings have about fifteen juniors so next year they will be losing many great players.

Above: The lady kings soccer team poses for a group picture with three out of their four coaches.

Left: Collette Rhein (11) traps the ball playing a game against Homer.

Right: Ezrie Anderson (11) drop kicks a soccer ball playing against JD at Kayhi's very own field.

# KINGS

The Kayhi kings boys soccer team had an amazing season. For the first time since 2005 they beat Juneau Douglas High School boys soccer team. That is a super big accomplishment for the

soccer community in Ketchikan. They only needed to win against Juneau Douglas one more game to be able to travel to State for boys soccer.

Above: The varsity boys soccer team poses for a group picture before their game.

Soccer By Autumn Velsley

# BASEBALL

## Hit and Run

The Kings had quite a successful baseball season. They had one of the best game records for the school and earned a spot at State. Their season started in Arizona after spring break. They boys played against Juneau Douglas, Thunder Mountain, Sitka, and Petersburg. Regions this year

was hosted by the Sitka Wolves and State took place in Anchorage. "We played well as a team all year and it shows in our record... With this being my last year, win or lose (even though I really want to win) I'm glad this is how I'm going out and who I'm going out with," said senior Tug Olson.

Top: Michael Starr (12) hits the ball.

Left: Liam Kiffer (11) leans off third base, waiting to make it to home plate.

## Steeerrike Three SOFTBALL

The Kayhi Lady Kings softball team had a fantastic and fun season. They kicked it off with a trip to Las Vegas, Nevada where they had a lot of fun. This season they played teams such as Juneau Douglas, Sitka, and Thunder Mountain. This year the team was led by seniors Molly Murdock and Alexandra Boegler. "This year's team was full of talented players... The defense was awesome and

really brought it every game we played... I know there will be a lot of talent in the years to come," said Boegler. The Lady Kings had home field advantage this year for regions, as it was held here. The girls were quite successful at regions. After winning a challenge game over Sitka, they managed to climb their way up the loser's bracket and earn a spot at State.

# MUSIC FEST

## play me a tune

Music festival this year was held at Juneau. Kayhi's concert choir, women's choir, jazz choir, symphonic band, jazz band, and wind ensemble all attended. There were three judges attending to give corrections and critiques to all performing groups. Kayhi had twenty three groups perform different types of solo's and ensemble's throughout the whole weekend. Two act's

received command performances from our school. These two acts were, Chasina Klein (12) and McKenzie Thomas (12) with vocal duet "O dive custos Auricae domus" accompanied by Trina Purcell. The second command was Terran Stack (12) and Emme Andersen (12) with jazz vocal duet "Cry Me a River" also accompanied by Trina Purcell.

Top Right: Thomas Brooks (12), Addison Catipon (12), Nathan Eisenhower (12), Trevor Holt (12), Sarah Kuharich (12),

Run Kayhi, Run!

## TRACK AND FIELD

Track and Field this year held Regions at home. Four athletes from Ketchikan went to state to compete for first in their section of the events. Trevor Ortiz' (12) triple jump of 44 feet, 11.25 inches won the event and set a Region V record. He placed second in the long jump with a leap of 20 feet, 8.5 inches, and also

placed second in the high jump. Joseph Rhoads (12) placed first in boys throwing with his first throw. Edric Tiamzon (12) placed first in the three hundred meter hurdles with a time of 45:03 in Juneau. Adrian Ronquillo (12) placed third in the 200-meter race.

# SENIOR PROM

## Golden Dreams

The most elegant and memorable night of the year, Seniors and their dates have the chance to play dress up for one night. This year's prom theme, "Golden Dreams" was designed by the one and only, Thomas Brooks (12). This year's Prom King and Queen were Largim Zhuta and Mey Tuinei. "I honestly didn't think I

was going to win. They were clearing the floor for the announcement and I nonchalantly walked all the way to the back and sat down to watch," said Tuinei. Zhuta said he was not expecting to win but, "It was a pleasant surprise... It warmed my heart that my classmates thought I deserved this."

Far Above: A collage of some of Aimée Shull's photo booth pictures.

Above: Seniors Leah Benning, Nicole Cyr, Sydney Nichols, Farren Linne, and Keri Thomas take a break from the dance floor and smile for a picture.

"I designed the theme 'Golden Dreams' because I really love gold, and it also fit very well with our Senior Float theme '18k Gold'."

-Thomas Brooks (12)

# PAINTING THE HILL

## Marking King's Territory

Paint the hill is the last way for the kings to mark their territory. This is one of the last memories of high school that they will remember and forever cherish. They spray paint their names and their graduating year on the main road of Kayhi. It leaves the road bright and colorful. This is one of the oldest traditions here at Kayhi.

1) Class of 2018 painting the hill.

2) Christopher Salita marking his spot.

3) Mario Rabacal admiring his work.

4) Max Collins deciding what to paint.

5) Promise Chapman enjoying the sun.

6) Eime Andersen Making her mark.

7) Megan Cornwall checking out others ideas.

8) Dante Triona laying in the sun.

9) Emma Shelton tagging her spot.

10) Caleb Smith smiling at his name on the ground.

11) Nolan Meyer and Trevor Holt posing for a last photo together.

12) Mey Tuinei posing with her final touches.

13) Shirlee White smiling for a photo.

1

# SENIOR SKIP DAY

Where did the seniors go

Senior skip day is a day of the last month of school where the seniors go to Ward Lake and spend the day with their class and do numerous games. They did an egg toss, threw the football back and forth, played some baseball and

walked around the lake. They also have a tradition of throwing each other in the lake. They enjoy hamburger and hotdogs that are provided by the staff.

Courtesy of Ketchikan Public Library and Ketchikan Museums

1) Nathaniel Ellis after being thrown into the water.

2) Arick Mattson being thrown into the lake by Raighn Semaken.

3) Jacinda Leighton catching a football.

4) Stephanie Thompson and Kylee Jackson posing for a photo.

5) Jacob Nemire going for a splash with Carson Kimball.

6) Tug Olson catching an egg.

7) Kody Malouf and Gabe Bowlen posing for a photo.

8) Starting of the egg toss on left side.

9) Egg toss on right side.

# GRADUATION

## Bon voyage Seniors

Those who attended graduation as a friend or family to those who were moving on with their lives saw the tear streaked face of those who weren't ready as well as the bliss of others who were completely content to end this chapter of their lives. Realization dawns, the seniors prepared all year for their moment to walk down and feel the achievement of receiving their diplomas; to finally be able to let out the breath they'd been holding in without realizing, their whole academic careers. They relish over senior activities and they slave over preparations for the next phase of their lives, entering college, travel, or work. Graduation is a special moment

for the seniors to be able to say "I did it" and for their friends and family to feel the most proud they've ever been. Graduation this year was amazing, with the beautiful speech from Largim, the senior president and valedictorian. As well as a special treat from the jazz choir, which consisted completely of seniors, who graced the event with their performance of "Use Somebody" by Kings of Leon. This class will go on to achieve great things in the name of themselves but also the name of the school. Their friends, the school, and their community wish the best of luck to the class of 2018.

Left: Chasina Klein, Vice president gives her inspirational speech to her class and the guests.

Right: Largim Zhuta, Senior president and valedictorian gets introduced before his speech.

Class of 2018 graduates
