Kings rocked this season finishing with the record of 6-2. Having the program being nearly shut down after a winless season last year that only motivated the players. Moving down to Division III the Kings became one of the top contenders for the State

Championship. Their momentum was at their greatest when they defeated the defending state champs, the Barrow Whalers on their home turf where they hadn't lost for two years. For the first time in Kayhi history the Kings made the playoffs. Although the Kings lost in the playoffs they had one of their best seasons since 2014 finishing 2nd in their conference. -Renzie Lorenzo & Crist Carlson

SWIM &

Year Recap

At the start of the Swim and Dive 2018 season our team was filled with a large amount of inexperienced swimmers. With dedication and practice of the entire team, so much progress was made. This season many swimmers gave a shot at diving and had more progress than they thought possible. At the Region 5 swim meet we took home the Sportsmanship award for at least the 5th year in a row! There were two swimmers and one diver that made it to State Championships. this year in Anchorage.

Lady Kings #1 Ada Hu smashes the ball outside. (11)

"Throughout the entire season, from the beginning to end, the players I had the privilege of playing with were girls who are made it all be worth it in end. Sure every team has it's ups and downs, but we worked through and played the game because that's what we came together to do. Being Varsity Team Captain, a key representative of our Kayhi Volleyball team was another privilege I had the honor of taking, which made me come to realize how much I love the game. Volleyball has taught me that you shouldn't give up your passion once it has become apart of your everyday life. There have been amazing opportunities experienced from being in competitions, to playing in a small schools tournament. I am very excited to come back to the game I love next year, as a proud senior. Let's go lady kings volleyball!" - Madison Purcell (11)

KAYHI WRESTLING

This years wrestling season was one for the books! The boys won their eleventh consecutive Regions title, with ten individual Regional champions. Matthew Rodriguez (12) was named 'Most Outstanding Wrestler' for Southeast Alaska, and Sully Schultz (11) and Gabe Tabb (10) were awarded 'Good Sport' winners for the tournament. The girls team also improved immensely, winning second place at Regions, sending four girls to state including Louisse Bueno (10), Hayley Gilson (9), Ruby McCue (9) and Ada Odden (9). Go Kings!

STATEWRESTLING

This year the team sent a total of seventeen wrestlers to State, with a total of thirteen boys and four girls. Patrick Rauwolf (12) and Degan Linne (9) both placed third at the Tournament, and both Brandon Weiber (12) and Andy Collins (10) placed fifth in the tournament. There were lots of close matches earlier in the tournament that prevented some good wrestlers from advancing further. Senior Brayden Linne was ranked 1st going into the tournament but unfortunately wasn't able to compete due to an ankle injury. "I am very proud of the team this year, after losing 20 seniors from last year, the team did great. I will be sad to see this group of seniors go, I have been coaching Matthew, Brayden, and Patrick since Kindergarten." - Coach Rick Collins.

Desert, California for a dance camp. They earned a Superior rating and took home the overall Leadership Award, starting off the year with a bang. Over the course of the season they perform at Football Games, Pep Assemblies, Wrestling, and Basketball Games. At each event they perform one of their six routines; including Football, 'Two Step', Pom, Hip-Hop, Jazz, and 'Footloose'. Aside from just dancing the team participates in an assortment of activities outside of practice, such as volunteering, dance team dates, and just hanging out as a team. The team also traveled to Regions to compete for a Superior rating from a panel of judges and earned their eighth consecutive Superior Rating! Overall making the year one to remember!

LADY KINGS

Kayhi Kings Basketball is a huge part of Ketchikan High School. This year the Lady Kings struggled at the beginning of the season losing a key player, Payton Simmons (12) to an ACL injury. Facing these adversities lit a fire in the Lady Kings. Despite the odds, this group of ladies won their 6th CONSECUTIVE REGION TITLE! The Varsity team of 3 Seniors, 2 Juniors, 2 Sophomores, and 5 Freshman practiced everyday after school to fight for et another win. We can't wait for another great season. GO KINGS!

CLASS OF 2019

The Kayhi Kings started the year with their sights set on a season that would make their supporters proud. Throughout the year the team exceeded expectation after expectation and ended the season as State Champions. The team started off 5-1, went through a rough patch in January going 3-6, and won 13 out of their 14 final games, overall ending their season with a record of 23-8. Although at times it came close, the team took first place in the Clarke Cochrane Tournament. the Region V Tournament, and

the State Championship, for the first time in 45 years!

Ultimately, the dream team consisting of eight seniors, three juniors, two sophomores, and one freshman, came out on top. "This is the last time I'll play with these guys," Chris Lee said. "It meant the world to us to get this game", said Chris after winning the State Title. Although there has been some talented teams in the past, this year's team came together as one like never before to make Kayhi and Ketchikan proud, and to make history as State Champs. GO KINGS!

Clarke Cochrane Christmas Classic

The CCCC is an annual Tournament held by Ketchikan High School. It is three days long and features teams from all throughout Alaska as well as some from the West Coast. This year the Kayhi Lady Kings took third place in the tournament, after playing some tough teams from California, The Kayhi Boys Basketball Team placed first in the tournament after playing Lewis & Cark! It was a game filled with heart, but the Kings wanted it more and they took home the win. The Pep Band also played their hearts out at this Tournament, adding an extra layer of Kayhi Spirit to the festive CCCC. The K-Highlites Dance Team also debuted each of their routines at the half-times. Overall It was a great holiday tradition for the town and for the Kings!

The Annual Region V Tournament was hosted by Mt. Edgecumbe High School in Sitka Alaska this year. You could say Kayhi made a showing. In the first game of the Tournament the Kayhi Lady Kings had fans on the edge of their seats in a game that had Kayhi down by

two points with seconds left in the game. Senior Ashley Huffine made the pass to freshman Shaelynn Mendoza who shot the buzzer beating three pointer to advance Kayhi in the tournament that the Lady Kings would later win against rival Juneau Douglas, claiming their sixth consecutive Regions Title. The Kayhi Boys Basketball team entered the Tournament as the 1st seed and won both of their two games against Juneau Douglas to claim the Region Title as well. The K-Highlites Dance Team kept the streak going Saturday morning at the Dance Team Adjudication when they earned a Superior Rating for the eighth year in a row! The Kayhi Cheer & Stunt team tied it all up in a bow when they earned first place in the Cheerleading portion of the Tournament, announced at the Saturday evening awards

A Big Thank You to KDN Photographer: Dustin Safranek for most of the Regions Photos!

ASAA STATE CHAMPS

Every year, ASAA hosts the State basketball and cheer championship in March. This year Kayhi worked hard to gain a trip to Anchorage and fight for the State Title. Both boys and girls basketball teams, the cheer and stunt team competed and Kayhi returned home with TWO STATE TITLES! On the first day of the Tournament the cheer portion of the competition took place. After each team participated in a 'Game Day Simulation" they performed their choreographed routine. At the end of Day 1 the rankings were announced. When asked if the Region V Champion cheerleaders expected to win at State, Senior and Captain Maya Parker (12) said, "Well when they announced JD as second place I kind of had a feeling, the competition was between us and Juneau." And sure enough, the Kayhi Cheer and Stunt team brought home the first State Title in nine years. The boys basketball team was seeded number 8 and shocked everyone in the first round when they defeated the number 1 seed, East Anchorage. The Kings continued to fight throughout the tourney as they moved on to play against these Interior Alaska teams. In Game 2 they battled back to defeat the Soldotna Stars, earning the Kings a spot in the State Championship game for the first time in 47 years! The Championship game was scheduled against frequent State Champions, the Dimond Lynx. The Kings knew to win they

would have to give it everything they had, and from the half court buzzer beater by Chris Lee (11), to the crucial three pointer made by Kristian Pihl (11) with seconds left in the game, the team played as one to earn the title

as STATE CHAMPIONS!

MAXIMILLANO GONZALEZ

Puebla, Mexico

"OH HECK NO" - Max's mom upon finding out he was coming to Alaska. Max, however was nothing but excited. Since his arrival in August he has enjoyed fishing, hiking, spending time with all of his dogs and friends, and crossed one major item off his bucket list - building a snowman. Although he misses his friends, family, and the food from back home; he likes Alaskan salmon and crab. When asked what he'll miss most from Alaska he simply answered the views, and the people he's met.

BERTILLE GAUTRON

@bebert303 Niort, France

Berti initially imagined the United States, she pictured lots of fast food and big trucks however, she soon found that Alaska is much different from the continental U.S. She misses the bread from home but has liked her host families and having this new American life, some highlights of her year were participating in Wearable Arts. Prom, and going to Mexico. When she goes home she says she's gonna miss drive through coffee stands and all the people who have made her exchange great.

Academic DECATHALON

Academic Decathlon (AcDc) is all about learning new things and competing with others through tests of your knowledge and skills. The ten events in the Academic Decathlon are Art. Economics, Essay, Interview, Literature, Mathematics, Music, Science, Social Science, and Speech. Every year there's a new theme that the learning material in most of the events will ollow, and this year the theme was the 1960's. Last year's AcDc team won Kayhi's first-ever State Championship and went on to win the Division III USAD National Championship, so this year's team had a big act to follow. The team competed gainst Craig and Juneau-Douglas high schools in two regional meets, in December and January, and they will compete in the State Tournament in Anchorage in February. - Peter Stanton

What's different this year?

Well, for starters the topic. But this year, the team is much newer and doesn't have the same energy and drive as the dream team last year. That doesn't mean that we won't work hard!

Besides the new topic, the ream was a complete different experience for me this year. Its safe to say that every year is different, but it was definitely something noticeable.

Your favorite part of this season?

When we played an interactive video gamel it was so much fun, and there was so many of us playing together! -Trinity Perkins (9)

DRAMA Forensics

Orama, Debate, and Forensics is an activity that is based almost entirely on public speaking. With an array of different events, from acting in dramatic interpretation, duet acting, or reader's theater, to eaking off the cuff in extemporaneous speaking, or with a written speech like in original oration. Many Sudents also compete in public forum debate which enters on a monthly, national topic and requires the dudents to research, deliver speeches, and directly Sebate their opponents. The Kayhi DDF team had a great year, with two teams making it to the final debate, and continually placing highly in all of our ents. Because of this success, the team is bringing amany of the competitors to the state competition,

Theatre

Elub

Theatre Club is back in its third year. There are 20 unique students who have come to meetings, with a steady 15 who show up to each meeting. " This is our most ambitious year yet. We have mixed Dinner Theatre with Interactive Theatre in the show, "Once Upon A Murder, a Fairytale Whodunnit" in November. And in February we will do more traditional style theatre with the play "She Kills Monsters." Each meeting is started with physical and vocal warm-ups, and then we move to improvisational games. The rest of the time we read plays out loud, or work on public speaking by giving famous speeches. We also are learning, set building and design, how to costume, stage lighting, stage makeup, and prop making. In the beginning we only met for an hour, but we kept going over, so then we moved to 1.5 hours, and class would end and students would say "I don't want to go, I want to stay here and read more parts." While prepping for a play we are at two hours a day. We love it. -Carena Wood

Yearbook

Senior Editors Maya Parker and Lizzie Porter.

The 2018-19 Williwaw staff was the biggest its been in years. We had a total of 20 students in the class that spent the year committed to making this yearbook one of the best to look back at. As a team we created the theme "Keeping up with the Kings". Adviser of the class this year was the awesome Mrs. Allegra Machado, Senior Editors were Maya Parker and Lizzie Porter. We spent the entire year designing the pages and creating this memory book for the students and staff of Kayhi to enjoy. Countless hours are spent by the hard working staff taking pictures. editing, interviewing, and designing. It's big work but a lot of fun. "I enjoyed my four years of taking photos for the Yearbook and spending the many hours to make it, I'm going to miss doing yearbook very much when I graduate. Thanks for the memories." explains Senior Lizzie Porter.

Tribal Scholars

Tribal Scholars is an advanced education program for that's open for all native high school students. It offers a supportive, engaging, and culturally-enriched educational alternative schooling. This school year, the Tribal Scholars attended the Elders & Youth Conference and the AFN Convention in Anchorage, and helped with the ANB/ANS Grand Camp event in Ketchikan. The students have had lessons in Lingít

(Tlingit), X_aad Kíl (Haida), and Shm'algyack (Tsimshian) throughout the year. They studied personal finance, algebra, the scary stories of Roald Dahl, horror fiction, government, Native history, Black history, environmental science, and marine biology. Naa Sgóonwaaní áyá

Certified G Assistants

The University of Alaska Southeast CNA certification program is brand new to Kayhi as of 2018. Twelve spots are offered for students interested in working in or learning about the medical field. Students learn about and practice the foundations of medical caregiving for elderly and critical care patients in hospitals and nursing homes. The skills they learn include helping patients with personal hygiene, transferring disabled patients, and feeding those who are unable to feed themselves. Students aged eighteen will take the State Boards in April and hopefully then become certified by the state of Alaska.

The Medical Terminology (Med Terms) class is intended for juniors and seniors (priority to seniors) who meet GPA and prerequisite expectations and who have an interest in entering the medical field. The class studies the terminologies associated with all body systems, which include approximately 1200 Latin based terms. Med Terms is a yearlong course and earns 1 high school credit, however Ketchikan High School works in cooperation with UAS to offer students 3 college level credits as well. During the second semester, students may enter into the "Job Shadowing Program" which gives them the opportunity to spend time observing and participating in various departments within Ketchikan Hospital, and several other medical clinics within the Ketchikan community.

The class is typically visited by several medical guests and instructors throughout the year. This year, the students became CPR and First Aid certified, and many volunteered at the Ketchikan Health Fair. Many of the students are also currently enrolled and participating in the CNA (nursing) program through UAS as well.

Sculpture and Pottery is another elective taught by Mrs. Kern here at Kayhi. In this class, students learn the basics of how to manipulate clay on and off of the potters wheel, along with many other projects, like a mask, or a plaster mold, or even a glass mosaic. Students who have taken this class before are free to make whatever their heart desires, whether it be made with pottery, clay, plaster, or anything else that is offered.

Library

The Library is a great place to get all of the knowledge and facts you need. They have an assortment of computers that you can use at your disposal, as well as thousands of books, ranging from history, to poetry, to romance. If you still can't find a book, you can ask one of the librarians for a recommendation. The Library is also a great place to meet and hang out with friends - as long as you aren't too loud!

Welding

This course is designed to give you the skills and knowledge needed to perform basic welding operations using the Oxy-Acetylene Welding (OAW), Shielded Metal Arc Welding (SMAW) or Arc(stick welding), Gas Metal Arc Welding (GMAW) or MIG processes. Plasma Cutting and Oxy-Acetylene flame cutting will also be covered. General information on metals and other commonly used welding processes will be covered as lecture topics. Taught by Mr. Lindquist, Welding is a great class to get you started towards an awesome career!

Small Engines

Small Engines is an elective at Kayhi. This is the introductory class for anybody interested in cars, by servicing many small engines (no pun intended), like dirt bikes, lawnmowers, and even motorcycles. This is one of the many classes that Kayhi offers that will also help with the building blocks of getting a job in the automotive field. This is a very popular class with the Freshmen, but anybody can take it. This class is also required to advance into the Automotive Class.

Automotive

Automotive is a class taught by Mr. McClennann.
This class is taken after you have passed the Small
Engines class, and dives deeper into maintaining
and servicing vehicles, like trucks and cars. You
must be at least a Sophomore and have completed
the Small Engines class.

Woodworking and Building Construction are two of most hands on CTE Electives offered at Kayhi. Taught by Mr. David Lindquist. These classes take our students back to learning about one of Ketchikan's root industries, Timber.

Woodworking provides students a fun creative educational experience working on different projects such as sconces, stools and boxes, while Building Construction teaches the backbone of construction modeling and procedure to prepare them for future careers.

Keeping it Safe..

Both the Woodworking and the Building Construction classes learn many safety tactics as part of the curriculum. They are required to wear safety goggles and gloves when needed, especially when cutting lumber, or nailing things together.

Computer Technology

This year Computer Technology class is focusing on programming, specifically game programming. During first semester they worked on learning Javascript programming language with the help of an online internet resource called Code Avengers. They learned about how to create lines of code to accomplish many different tasks including specific lessons that focus on game development and greating simple games. Second semester will focus on using a game engine. Game engines make coding games easier so programmers don't have to worry about hings like how objects collide, or making Zure gravity is applied correctly to objects Sin the game, and many other features of real life physics. They will use the game engine Godot 3, which is similar to Unity or Unreal Engine. They will create some simple games and be able to play them.
