National / International News

CORONAVIRUS

Virus started in Wuhan, China and spread throughout the world quickly. It's a respiratory illness that can be transmitted through animals or humans, symptoms are similar to the flu. The outbreak hit over 85 countries including the US. The global economy was damaged because of the virus, showing numbers similar to the 2008 financial crisis. COVID-19 has had over 500,000 cases although many people are recovering, over 20,000 have died. There currently is no vaccine or cure for Coronavirus (COVID-19).

IMPEACHMENT

President Donald Trump became the 3rd president in history to be impeached, after he got impeached by the house for trying to get Ukraine to investigate Joe Biden, and refusing to provide the Supreme Court with subpoenaed information. He was charged with Abuse of Power & Obstruction of Congress. He was acquitted of both charges after being put on trial by the Senate.

AUSTRALIA

Australia was struck by disaster when bush fires spread over the country. The fires last over 240 days, starting in 2019. It destroyed over 46 millions acres of land. It killed approximately 34 people and effected an estimated 1 billion animals making many animals either an endangered species or driven to extinction. New South Wales was most affected by these fires causing air quality to be 11 times past the level considered, "Hazardous."

Local News

The Permanent Fund Dividend was \$1606 this year!

TATSUDAS

On February 27th a rockslide demolished the Tatsuda's grocery & liquor store. The building had water and structural damage. Thankfully no one was hurt during the accident but owners Katherine & Bill Tatsuda were forced to permanently close the store after being in business for over 100 years. The community helped give back & supported the Tatsuda's employees & family by setting up funds, discounts, food, and even offering jobs. Tatsuda's legacy will live on because of how supportive & caring they are to the community.

CRUISE SHIPS

The ports of Seattle and Canada suspended the 2020 Alaska Cruise Ship season indefinitely. The decision was made by the Centers for Disease Control and Prevention after a cruise ship had traces of COVID-19. This decision will impact Alaska's economy & will affect over thousands of tourism jobs.

WARD COVE DOCK

The Spokleys & Binkleys got the green light to start production to build a twin-berth dock at the old pulp mill at Ward Cove. The goal of the berth is to spread out visitors from overcrowding downtown & to grow tourism. It will cost around \$50-150 million.

Race Against Time

Work as a team, finish as a family.

The 2019-2020 Cross Country team had another great season! This years captains were Ashley Cyr (12), Morgan Elerding (11), and Dwight King (12). The team was lucky enough to get a new incredible assistant coach, Mr. Woodward! Both Mr. and Mrs. Woodward created awesome workouts and pushed the team to their limits! The Cross Country team got to travel to Juneau, Craig, and Petersburg. Regions was held in Sitka! Overall, the team worked incredibly hard at practices and meets. Cross Country had a great season. Let's go Kings!

IN THE

Zone

The Kayhi Kings Football team worked hard and played even harder this year with their season going from early August to late October. With a strong team of 22 players, 12 of them being seniors, they finished off the season with a 1-5 record, and their winning game against Seward ended with a score of 36-5. Their first game of the season on August 16th was televised as the "Game of the Week" on channel two. Our Kings traveled long and far to represent Kayhi this year with the farthest place being Eielson, Alaska which is a close neighbor to Fairbanks. When the Kings weren't playing hard they had some really great adventures, and got the opportunity to get up close and see the Bering Glacier up in Seward!

Swim and Dive team sends seven to State Meet!

The Kayhi Swim team started practice on August 8th without a coach but with lots of spirit. As the season started the team found a few stand in coaches to help along side of the dive coach until the new coach, Gary Crowe was available. Gary was very impressed with the progress of the team throughout the year. With 28 members, the team sure had a blast in the pool! After weeks of getting to know one another and swimming their hearts out, the team went to Regions in Sitka where they were able to be one of the first to swim in the new Mount Edgecumbe pool. Seven members of the team, three divers and four swimmers went to State.

Skinned knees and sprained wrists, these girls have been through it all. They developed a lasting bond and friendships beyond compare through a sport they love and share. Chemistry on and off the court was essential to the Varsity team's success, no matter what happened. Winning or losing came hard and easy. The Lady Kings earned most victories and others losses. Heading into the new season the Lady Kings were lead by a new head coach Mr. Johnson. The Lady Kings showed tremendous improvement when heading to Regions. Beating out Juneau in a match, "practice comes hard, but games come easy," said senior Makenzie Merrill. The Lady Kings look forward to what new head coach Kevin Johnson has in store for their upcoming season.

TEMPORARY PAIN, PERMANENT GAIN!

Wrestling sends 23 to State and makes history for Kayhi!

This year's wrestling season was one for the books! The Captains this year were Charlie Blair, Andy Collins, Sully Schulz (boys) and Hayley Gilson (girls). At Regions, the boys won their twelfth consecutive region title, with a scoring of 201 points. The first place winners at Regions were Degan Linne, Kollin Houthoofd, Brock Thomas, Charlie Blair, and Andy Collins. Kayhi sent 23 wrestlers to State this year. Hayley Gilson placed 1st making her the first Kayhi girls' wrestling State champion! Other outstanding State placers were Ada Odden 2nd place, Ruby McCue 6th place, and Kai Biagi placed 6th in the boys bracket. All in all, every wrestler worked hard throughout the season whether it was improving their technique, mental game, nutrition, or overall strategy!

Kings, Kings, Kings! The Kayhi cheer team this year has been devoted in showing their abilities. Long practices and plenty of basketball games, these cheerleaders have one goal: Be better every year. With nine seniors leaving the team this year this team used every second they could together improving and bonding. Endless laughs and fun this cheer team is the best it's ever been! The remaining teammates are sad to see the seniors go but thankful for the experience and excited for the new members.

"First week of moving to Ketchikan I met Nena, a second year member in the K-Highlights Dance Team. She invited me to come to tryouts, a week or so after trying out I found out that I made the team. I was so happy I even screamed! Few weeks in I still felt intimidated especially that I couldn't do any of the tricks, it even came to me to leave the group, but I'm glad I didn't, because once we started preparing for regions that's when I realized that I didn't get myself into a sport. I made a new family. If it wasn't for the dance team, my first year at Kayhi wouldn't be as exciting as it was."
- Maegan Chua (11)

"Everything we have done was new and challenging. I had the amazing opportunity to work with a great group of strong female dancers who were awesome! They helped me and taught me a lot about dance. And for the coaches, they always supported and pushed me to do even greater than I imagined. I am proud to be a K-Highlite dancer and I'm excited to do it again next year."
- Jhasen Seludo (11)

The K-Highlights Dance Team started their 9 month season off with a trip to UDA dance camp at the University of Puget Sound in Tacoma, Washington. The team took home 20 blue ribbons, a superior trophy, the Full-Out Trophy, 2 All-American Awards to Leah Call and Jhenna Day, and choreography for their 6 halftime routines to be performed throughout the season. The dancers perform at events such as pep assemblies, football and basketball games. Throughout the year, the team performed their pom, jazz, and hip-hop routines along with specialty routines "Top 40s", Latin "All-team pom", and "JLo". The team also spent the last half of the season preparing to compete at the Region V tournament in Juneau where they were awarded their 9th consecutive superior rating also recognizing Leah Call and Nena Jones as "All Tourney Dancers", making the season truly one to remember!

"This was an exciting year. We played numerous close games against many of the top teams in the State. We finished the year with 15 wins and 11 losses. We were led by three seniors who showed the younger players how to compete, prepare, and represent all while working hard and enjoying the season together. I look forward to 9 varsity returners coming in with all ready having an idea about how Lady Kings Basketball operates and hungry to win the Region title in Ketchikan in 2021." - Coach Kelly Smith

"The 2019-2020 followed a historic season that saw the Kings win the State Championship for the first time in 45 years.

Gone were eight seniors from that team, leaving room for many new faces to put on the varsity uniform for the first time. Three returners, Seniors Chris Lee, Kristian Pihl and Junior Tyler Slick led this year's team to a surprising 14-11 record. Senior James Nordlund, Junior Josh Gentry, Sophomore Josh Rhoads teamed up with Freshman Joeben Lorenzo as part of the core group that rotated into the starting lineup throughout the season. The Kings played a difficult schedule and competed fiercely in every game. The Kings pushed their home winning streak up to 18 games, which was snapped by a buzzer beater in the last home weekend of the season. Chris Lee broke the school's All-Time scoring record with 1911 career points, the single season scoring record with 668 points on his way to a 26.7 ppg finish. Kristian Pihl, whose three pointer in overtime of the State Title game will graduate in the top-30 career scoring leaders. James Nordlund was invaluable for his effort on the defensive end and brought toughness on the boards for the Kings. They will be missed." - Coach Stockhausen

Clarke Cochran Christmas Classic

Ketchikan's favorite holiday tradition, the Clarke Cochran Christmas Classic. CCCC is a basketball tournament, which is three days long and features teams from all over Alaska & the lower 48. This year, Kayhi Boys were crowned champions once again! The boys defeated West Anchorage 60-58. The Kayhi Lady Kings placed 2nd losing against Esperanza from California in the championship game, the score was 54-32. The Pep Band, Pep Club, Cheer, and Dance team cheered their hearts out and gave it their all. Overall, by the end of the tournament everyone was exhausted & had exciting holiday sports memories to look back at!

Regions 2020

"2020 Regions was held in Juneau Douglas High School. This year was different because Southeast was the only part of the State that was still having a tournament due to Covid-19 outbreak. Kayhi had a tough time up in Juneau. Although our Dance and Cheer Team's pulled through with a Superior rating and a Division 4A Win."

Class Act

Helping freshman succeed

This year class act had a total of 36 juniors and seniors helping the upcoming freshmen adjust to their new high school life. Through several games and activities the freshman were able to form a bond with upper classmen and make new friendships. These activities included freshman orientation, relay day, and even help on how to prepare before finals. The Class Act Mentors truly helped the freshman class of 2023 become comfortable in their new environment to help them succeed.

Members: Lily Auger, Olivia Berg, Leah Call, Emma Campbell, Ashley Cyr, Amanda Dale, Jhenna Day, Morgan Elerding, Nicole Embree, Breanna Gentry, Besjan Kamberi, Jackson Kaye, Charlie King, Karly Klein-McMahon, Rachel Knight, Cade McAllister, Preston McLaren, Judy Meirsonne, Evelyn Nutt, Caiti Peason, Olivia Phelps, Brendan Roof, Madison Rose, Campbell Sande, Sully Shultz, Jhasen Seludo, Laura Sherrill, Shaye Skillings, Evelyn Staples, Carter Thomas, Jared Valentine, Dearly Villalor, Jalina Williams, Connor Wodehouse, Ashley Yoder, and Nadire Zhuta.

Drama, Debate, & Forensics is based almost entirely on public speaking. Students can compete in different events, from dramatic interpretation, duet acting, or reader's theater, to speaking off the cuff in extemporaneous speaking or with a written speech. Students are required to research, deliver speeches, and directly debate their opponents. This year the competition was tough for Debate, however, the Kayhi team still came out on top! At the final debate in Skagway, not just one but two of Kayhi's teams made it to the final competition. This year at State, the team got second in the debate overall point system. Many people throughout the year finaled and some even got commands!

Service Above Self.

The Rotary Interact Club is a year-round organization that focuses on improving Ketchikan through community service. They believe in service above self and hold multiple fundraisers throughout the school year for important causes they care deeply about. Some of the fundraisers they held this year were Annual Pie Auction at Pioneer home, Haunted Mansion at the coast base, daddy-daughter dance, and many others. These fundraisers Rotary Interact has hosted, have helped hundreds of people and has taught their members leadership, personal integrity, and the importance of helping others. Marna Cessnun is the First City Rotary Advisor and Sarah Collins Campbell is the school advisor. Kayhi Rotary Interact is part of and sponsored by First City Rotary of Rotary International and Alaska Rotary District 5010.

Our Team of members who put in efforts (autioneers, modeling, baking) to raise \$6,700 for the Pioneer Home Pie Auction. Breaking our record by over \$1,000.

Club raised \$1,8000 in the Peace Dance, and sent it over to Hurricane Dorian Relief.

From our first years struggling with the buzzers and research to our successes at both State and Nationals in 2019. We've grown together, and will conquer apart.

This year we made Kayhi history again when we earned:

- *3rd in Research Paper
- *1st in Presentation
- *2nd in overall research and quiz bowl

Our team wants to thank Mrs Landwehr for always having the faith in us that we didn't have in ourselves. We couldn't have done so well without you. We're going to miss you! Good luck wherever life takes you!

To the students who take our place, this team is time consuming, it's a lot of work and you have to really want it. However, it is so rewarding and you will find a life long family. We might not be here anymore but you're being left in good hands. Take care of the team Keenan!

Spreading Color

The goal of National Art Honor Society is to spread art and creativity throughout the community and school. This year the group worked with the owners of WF Madden's Family Entertainment Center to give their white walls some personality. The group was given free reign of their creativity and have pulled through with beautiful pieces.

This year was a big year for the new Kayhi Theatre Club! This was their first musical in 24 years that hadn't been affiliated with First City Players. They performed The Addams Family! With around over 30 members, the cast was energetic on stage and off stage! They started meeting & practicing in early September, and had a great performance in January. Headlines & Deadlines

Room 235 a room filled with laughs, chaos, and hard work

The 2019-2020 Yearbook class had one chaotic year, with around 25 hardworking staff members. Yearbook had lot of ups and downs and still managed to finish the 100th Williwaw yearbook, even if it was from home! This years theme was, "Living in Color," focusing not just on the senior class but also reflecting on the 100 year anniversary, and how much the book has changed over the years! Yearbook Production & Marketing is a class where you have to be responsible and self motivated for everything to run smoothly. All members had to take part in selling advertisements, design, photography, and getting out of their comfort zone. All in all, Yearbook worked through the challenges that were given to them & had a great time doing it!

Ketchikan High School Tells All

Journalism is a year long class for upperclassmen to take as an elective or English class. Students report on local and school news, write columns and features and are required to write one in-depth article a semester. All articles are published to the school newspaper, the Kayhi Current, and some are even given to the Ketchikan Daily News to publish.

Librarians

Ms. Becky is Kayhi's library assistant and has worked in the Kayhi library for five awesome years.

2019-2020 library aides

The library is the most helpful resource in Kayhi. With the thousands of books ranging from history to fantasy there is so much to learn. The library not only holds knowledge through their wide variety of books but if you have a question the helpful librarians almost always have an answer. If you enjoy the Kayhi library and the coolest librarians known to man, you could become an aide and hang out in there for a whole period! But, if your busy schedule doesn't allow then keep in mind that you are always welcome to relax with a good book.

Spanish

In Spanish class, taught by Mrs. Woodward, students learn both the Spanish language and culture. every month, the students throw a traditional fiesta to celebrate the birthdays in that month. At these fiestas, the students sing the Spanish Happy birthday song, hit a pinata while singing the pinata song, have cake, and other fiesta activities. Every month, students also make a traditional Spanish dish to immerse themselves further in the culture. along with these activities students read books in Spanish, learn to have daily conversations, perform plays in Spanish, learn about Spanish holidays such as Cinco de Mayo, Day of the Dead, and many more activities to learn the Spanish language.

French

In French class, taught by Ms. Nish, students learn about the language, history, and shaping of the French culture. For exams, students spent the whole period expressing their creativity through the art of making crepes. One student even went home that night and made their family an entire crepe dinner. Being that the arts are very important to the French, students also recreated works of art made by influential french artists to form an art gallery.

ALL HANDS ON DECK

Maritime is a class for marine safety and seamanship. This fun class is filled with mapping, wet suits and all things navigation. They get to learn how to tie rope, and splice. They also learn rescue tactics and what to do in case of any emergency on the water. Ask any student in the class, there's nothing better than being down on the dock, and out on the boat on a nice day.

WILLIWAW

100 YEARS & GOING STRONG

#WILLIWAW - *"Sudden gust of cold land air, common along mountainous coast."*

Although Ketchikan High School opened up in 1915, Ketchikan's first ever school was organized in the fall of 1900 on the lower floor of the RedMen building. The owner received \$10 a month for its use and the school had around 19 children enrolled. Ketchikan High School has had many locations & lots of restorations over the years to accomodate the growth of the population in our beautiful seaside town. Kayhi has helped several thousands of students receive an education, which has benefited the entire community and produced some amazing humans.

Courtesy of Ketchikan Public Library and Ketchikan Museums

This year we celebrate the 100th volume of the Ketchikan High School Yearbook. Without Yearbooks we wouldn't be able to reminisce about the accomplishments, changes, impacts and memories Kayhi has made over the years. It is an important and noble school tradition. Through the years, the yearbook has changed a lot, the first books had no pictures at all, it was basically a diary. Nevertheless, not quite that long ago (20 or so years ago) putting photos into the yearbook wasn't just clicking a button on the computer. Staff would have create their layouts on paper themselves! They would have to glue every caption/photo perfectly onto a piece of paper, which would then be sent to a copy machine, everything had to be glued on really good or it could end up being crooked. One thing that has always stayed the same is the goal of yearbook, creating a book that reflects that year & always making it better than the last. Go Kings!

Floating Through Senior Year

The graduating class of **2020** kicks off their senior year with the fourth of July float. This year the class chose "Live In Color" as their theme. Everyone came together to create an awesome theme, while they showed their spirit by spraying each other with paint and blasting color bombs and confetti left and right. What's a better way to start senior year off than in **COLOR**?

Senior Summer!

“There is 87 days of summer vacation and school comes around just to end it.”

With senior year just around the corner these rising seniors are savoring the freedom of summer! Most seniors spent their summer having a blast before the stressful school year! Whether it be working, spending time with friends, or vacationing with family. Seniors were living in the moment & having a good time!

LAST FIRST DAY

Seniors start a new senior tradition, and follow an old one.

The C/O 2020 kicked off their first day of senior year bright and early at Buggies beach to watch the sunrise. Senior's decked out in all white for the annual assembly for senior walk-in. The assembly was hosted by the new principal Mr. House who made his first appearance in front of the students of Kayhi. All teachers were introduced in a fun runway show! The senior class plans on having a follow-up senior sunset at the end of the year & hope future senior classes do the same!

Here Come the Clowns

The Senior Carnival is an annual fundraising event held at Kayhi hosted by the senior class. The money earned goes towards senior activities such as senior skip-day, senior tea, and PROM! The senior class had a blast choosing themes for their booths from, "Rodeo" to "VSCO Girls" to "Hawaiian." Everyone from teachers to students had a great busy night & raised money for senior festivities!

Dolly ♥

Campbell,
From the start you have been
our little dolly, delighting us in the
way you saw the magic, wonder, and
whimsy that are so often missed in
life's details. Over the years you
have also made us so proud of the
way you choose brilliance & bravery
over beauty. Whatever you decide
to do - to see - to be - know that we
believe in you and you are loved,
beyond measure...always.

Laura Sherrill

Ravioli, ravioli, we are so prouidioli!

Talisa,

July 21st will always be my favorite day of the year. That is the day the Lord blessed me with my miracle baby. You were and still are absolutely perfect. I have watched you say goodbye to your friends and start over in a different city/state over and over again. You have never once complained and always embraced change with your head high (literally). I have always admired your strength, passion, and curiosity for life and the world around you. You may be bullheaded, fierce, and sarcastic but you are also beautiful, giving, and goofy (nerd). We are so very proud of you and everything you have and will accomplish in life. Just remember, I will always be a phone call away to hear about your day and tell you what foods you like.

Love you more than anything! -Mommy

Talisa

Gregory *Merle*

Gregory, when you were born, you were so tiny and now you're our big guy! We are so proud of your running, trumpet playing, and BIG heart! You are such a caring person and we are so PROUD of you!
Love, Mom, Dad, and Brub

Tyler *Merle*

Tyler, when you were born you cried so loud and you were our little bundle that we adored! We are so proud of your swimming, drawing, and how kind you are towards other people! You are such an artistic person and we are so PROUD of what you do!
Love, Mom, Dad, and Brub

THANK YOU!

Yearbook would like to give a big thanks to everyone that helped create the 2019-2020 Yearbook, from Kayhi students & staff, to Ketchikan Daily News, to each and everyone of the businesses that bought an ad. Without this help, Yearbook wouldn't be able to be as successful as it is! Thank you for all for your support! We can't wait for next year!
