Four years of high school have already flown by...
Will the years ahead be

filled with as many

lessons in life?
We've mixed
Studying With
Pleasures and Made
Many Lasting
Friendships.
Each person I have met

has helped

to mold my life . . .
I have learned about myself through others and have gained an insight into the future
Though I Will Not Pass This Way Again and I Have Not Used All of My Opportunities, These High School Years Have Helped Me to Grow Both Inwardly and Outwardly.

Like a ship's crew we prepared to embark on the "S. S. High School Days." We knew the voyage would be lengthy—four years—but everyone was excited and eager to be off.

Under the captainship of Mr. Gerald Spitzer we were guided into the relatively calm waters of our Freshman year. President Gary Peters, Vice President Mike Abbott, Secretary Suzy Eichner, Treasurer Dick Parazoo, and Sergeant-at-arms Chuck Hull kept a close watch over their green shipmates. The Frosh Frolic, "Island in the Sun," was certainly no success. The hall was marvelously decorated with one large yellow balloon representing the sun.

By the time we reached our Sophomore year, we were in deep water. Mrs. Carol Ash was skipper and we occasionally found ourselves making little progress. But with the vitality possessed by our leaders, President Jerry Huff, Vice President Alf Forde, Secretary-Treasurer Val Tatsuda, and Sergeant-at-arms Rod Johnson, we couldn't help but be a vigorous crew.

Several of our classmates were at the helms of school functions. President of Spanish Club, F.T.A., and Service Club were Jeff Smith, Linda Elliott, and Clarice Welch, respectively. Varsity members included Ken Pitcher, Alf Forde, Jerry Huff, and Gary Peters. Carolynn Seley, Claudia Hutchins, and Vivian Elliott were members of the pep squad. A couple of side trips to Sitka for the music festival and Juneau for the basketball tournament offered a chance for many of us to turn these towns upside-down.

"Pincus No. 7," the Sophomore Hop, was a delightful experience. The turnout was something less than we had anticipated, but the decorations were wonderfully original, and the atmosphere was one of gaiety.

Entering the breakers of our Junior year, our skipper was again Mrs. Ash. President, Vice President, Secretary-Treasurer, and Sergeant-at-arms were Alf Forde, Gary Peters, Carolynn Seley, and Gary Lidgren. The Junior Play, a very successful comedy entitled "What's Wrong With Girls?", featured Linda Elliott and Dave Urquhart, Pat Weadon and Jeff Smith, Sheila Bengaard and Gary Escher, Vivian Elliott and Ken Pitcher, and for the performance only, Jerry Huff, without a mate.

The Homecoming celebration was a tremendous success. Our own Lynn Wright was a radiant queen. On the varsity were Forde, Huff, Lidgren, Peters, Martin, Tillery, and Pitcher. The team represented us well at the tournament in Sitka.

Class members who were presidents of various organizations were: Linda Elliott, Trampoline Club; Jeff Smith, Torch; Dave Urquhart, F.T.A.; and Myke Shrum, F.H.A.

The Junior Jinx, "Blue Moon," was a marvelous flop, but with Diane Barry as hardworking chairman, the Junior Prom, "Fantasyland," was unquestionably the best dance of the year. Carolynn Seley reigned as queen.

At last the voyage is almost over. We can look back on our last year with particular fondness. With Alf Forde, Martin Dana, Pat Weadon, and Lynn Wright as S.B.A. officers and Rita Peterson, Pat Weadon, Evelyn Demmert, Gary Peters, Sheila Bengaard, Jeff Smith, Myke Shrum, Betty Thompson, Yvonna McCombs, and Jackson Tillery as heads of various clubs, we certainly were active in the life of the school in 1960-1961.

The Senior Ball, "Moon Winks," was a tremendous success as was that sparkling comedy "Personal Appearance." The school fairly burst with happiness over these wonderful undertakings.

Baccalaureate Commencement

Now as we sail into the calm waters of the port we realize that these last four years were merely the preparation for the years to come. Frequently we will find the sea of life to be rough but we will never forget these wonderful years spent at Kayhi. Now as we scatter like drops of spray in the pounding surf, we will nevertheless remember all our friends in other classes and wish all a bon voyage.

SUPERINTENDENT'S MESSAGE

The long tenure of the previous administration of the Ketchikan Independent School District speaks well for Ketchikan: its children; its public, and its schools. We of the new administration look forward to a challenging and stimulating experience.

The educational outlook is excellent for the Ketchikan schools in general and for the high school in particular. The high school building and facilities are superb; there is nothing that cannot be accomplished here.

Co-operation among and between the students, the staff, the administration, the board of education, the parents, and the public will enable us to achieve whatever goals we choose. We need be second to none.

Jack Finch
Superintendent of Schools

VICE PRINCIPAL’S MESSAGE

The school year of 1961 is nearing its end. Soon the Seniors will join the ranks of Kayhi Alumni. No longer will they be active participants in the activities of Kayhi, scholastic, athletic and social. However, feel no regrets. High School was a pleasant interlude on your journey through life and a period you will look back on with many pleasant memories. Remember, too, that all your teachers and the administration of Kayhi will watch you as you journey on to whatever the future may hold for you. We wish you success in your chosen career and as in school, we are on your side and backing you all the way.

C. L. Montgomery
Vice Principal

Mrs. Bushre

PRINCIPAL’S MESSAGE

During the past several years the students of the class of ’61 have been given multiplied opportunities to appropriate for themselves considerable information, to grow in social maturity, to gain life long character traits essential to full and profitable participation in a complex society.

The time has arrived when the student must test his preparation in the crucible of the market place--in a highly competitive society.

This preparation must suffice for a large majority of this class as no further formal learning will be available. Will the student have the courage to take this barest foundation and build a monument of success during his life time? Will the student have the ability and desire to stand alone and contribute in large measure to the improvement of his community, local, national and world? The staff of Kayhi has toiled in order that the answers to these questions may be yes.
