"With A Little Help"
From My Friends"
What would you do if I sang out of tune,
Would you stand up and walk out on me,
Lend me your ears and I'll sing you a song,
And I'll try not to sing out of key.
I get by with a little help from my friends,
I get high with a little help from my friends,
I'm gonna try with a little help from my friends.
What do I do
When my love is away.

Does it worry you
To be alone?

How do I feel
By the end of the day

Are you sad because
You're on your own
Would you believe in a love at first sight,
Yes I'm certain that it happens all the time.
What do you see when you turn out the lights,
I can't tell you, but I know it's mine.
Do you need anybody,  
I need somebody to love.
Yes We Get By ...
From Our Friends
There have been two who have listened to sounds of nothing merely heard by others

Two who have answered far beyond our asking--

Two who have understood the springs of our reasoning

And led us to water when we thirsted...

Two who have given unselfishly and humbly of themselves with wisdom and generosity

To Mr. Stekl
Asking nothing in return but honest effort and a reciprocal understanding--

Two whom we accepted with too few spoken "thanks".

Through the dedication of this annual we hope to express the gratitude within,

And that your abounding past assets to us at Kayhi are fully realized by all.

And Mr. Green
Superintendent John F. Hayward

John F. Hayward was elected Assistant Superintendent of the Ketchikan Gateway Borough School District in 1965. He was appointed Superintendent of Schools in 1966.

Prior to his position in Ketchikan, Hayward worked as grade teacher, elementary principal, guidance counselor, and high school principal in Petersburg, Alaska, after moving to Alaska in 1952 with his wife, Fern.

Hayward lives on South Tongass with his family: Fern, his two daughters Chris and Cathy, father Francis C. Hayward, and two Samoyeds, Samantha and puppy.

The School Board members meet at eight o'clock on the first and third Wednesdays of each month in the superintendent's office at Schoenbar. Often, special sessions are held to take care of issues demanding more attention than can be given at the regular meetings.

The Class Ring

This ring stands for a major goal in our High School years: that is being an upperclassman, and for our goals in life beyond high school.

The ring itself is not a reward for achieving the rank of upperclassmen—but a symbol of the pride and loyalty to one's class and school, and of the effort on the part of the individual to achieve his goals.

In later years this ring is the key that unlocks the floodgate of memories—happy and sad.

SENIOR HISTORY

We, the mighty class of 70 began our 4-year visit when we entered Kayhi's scarred but sacred halls in September 1966. Joe Moran, Judy McBride, Connie Tisserand, and Margie Goodale were elected to help us get started. We were proud of Bob Berto, Tim Hunt, Tom Craig, and Joe Moran, that year's contribution to the JV's and Kayhi's basketball tradition. We ended our freshman year with $100 in debt, a little satisfaction for the few questions answered and hope for the many left unanswered.

Bill Sharp, Connie Tisserand, Jackie Brozena, and Margie Goodale were our class officers for our second year at Kayhi. Our JV's Bob Berto, Tim Hunt, Mike Martin, Don Walters, and Bill Sharp lost only 4 games our sophomore year and our JV cheerleaders Debbie Singstad, Jeanne Johnson, Mary Lou Thompson, Tonya Lovett, and Judi Christiansen left no doubt that the class of 70 really was full of spirit, pep, and cheer. Our first dance, the Sophomore Hop, was fun for all with Keith Kermit as our own disc jockey. Most of us found that participation had a special meaning in our search and we carried it on in our Junior year.

Tom Craig, Bill Sharp, Jackie Brozena, Gary Boatwright, and Debbie Singstad were elected class officers and Liz Fleenor, Jeff Lee, and Gary Boatwright were the Junior Representatives on Pep Club Council. Our men were active in sports that year again. Bob Berto, Tom Craig, Remond Henderson, and Gary Marr worked hard on the Kings' Varsity Team and Debbie Singstad, Judi Christiansen, and Cathy Taylor helped the 1969 Cheerleaders take first place at the SE Tournament. Wrestling and our new coach, Mr. Adame, became quite popular in 1969. Howard Jackson, Rufus Bunch, and Mike Martin represented our class and did their part in winning the SE Wrestling Tournament for Kayhi. The Junior Play, "Bernadine" was a huge success and a great exhibit of our classmates' acting ability. Our academic achievement was noted when a record number of 26 juniors were tapped into Torch. Our Junior Prom, "The Shape of Things to Come" was held in April. We were especially proud of Leiani Nichols when she was named Miss Greater Ketchikan and Judi Christiansen, second runner-up, in the July pageant.

Seniors at last! SBA officers elected were Jim Grino President, Chris Iversen Vice President, Connie Tisserand Secretary, Brice Quinn Treasurer and Pep Club President Gary Boatwright, Vice President Jackie Brozena, and Representatives Diana Packard, Pam Zaugg, and Helen McKay. We wisely chose Jeff Lee, Joe Moran, Debbie Sharp, and Bill Sharp for our Senior class officers. The Senior Carnival held in November was a financial success. Our Senior Ball in December was a beautiful event with the theme "Caprice de Noël." As usual, the Kings triumphed over the Crimson Bears at Homecoming in January with the help of Senior Kings Tom Craig, Remond Henderson, Gary Marr, and Varsity Cheerleaders Tonya Lovett, Judi Christiansen, Debi Finney, and Patty McBride. Jackie Brozena and Joe Moran reigned as the 1970 Homecoming Royalty. Kayhi did very well in basketball and wrestling again, Howard Jackson, Mike Martin, Rufus Bunch (who was unable to finish the season due to an injury), Richard Shields, and Randy Steward helped make the Kayhi Wrestlers the best in SE Alaska. A special highlight was the SE Basketball Tournament held in Ketchikan in early March. And who can forget our last month at Kayhi with the fun and solemnity of such traditional occasions as Senior Dress Down Day, Senior White Day, Baccalaureate, and finally Commencement.

We've come a long way in our search for knowledge. Some of us gave up along the way, others set new goals. But we all realized the importance of learning, the reason for hope, and the value of friendship. Now we leave a phase of our lives behind to memory's safekeeping, and we go out to fulfill our dreams.

Throughout history, a man has reorganized and marked for special honor those who excel. Ancient and medieval universities established their honor societies. In modern times, the coveted honor of election to Phi Beta Kappa outranks all other distinctions that a college can bestow. In election to the National Honor Society the secondary school faculty honors the attainments already made and recognizes the promise they contain of continued excel-
HONOR SOCIETY

The National Honor Society was founded in 1919 by the National Association of Secondary-School Principals. Although Ketchikan High School has had an honor society called "Torch" for a number of years, it was not until 1934 that it became an official member of the National Honor Society with the granting of Charter 5218. The symbol of N, H, S, is a flaming torch, and after thirteen years of membership in the national organization, our chapter is still often referred to as Torch. Members are elected by the faculty on the basis of Leadership, Character, Scholarship, and Service. Being offered membership in Torch is an honor reserved only for those who have demonstrated excellence academically and socially. Let the flaming torch continue to guide your step along the pathway of ever greater wisdom.

Spanish students set up a showcase displaying treasures brought back from their exciting trip to Spain.

**Trip To Spain**

In the summer of 1969, four Kayhi students, Georgia Mather, Karlene Leask, Michele Zerbetz, Mary Horwath, and their advisor, Mr. Charles, enjoyed an exciting trip to Spain. Their travel included studying at Santiago, Spain, for four weeks, tours of Lisbon, Madrid, and Africa.

Studying in Santiago for four weeks included the language, culture, and the experience of living in a foreign country, along with handling foreign currency. On one occasion, the students traveled to Lisbon, Portugal, for two days. Some of the students who preferred not to go decided to travel to Madrid instead.

While visiting Morocco, Africa, they took a short boat trip across the Strait of Gibraltar, noticing the famous Rock of Gibraltar. After four days of touring Morocco, students returned to the Madrid airport for return flight to New York, and their own home towns.

The Journalism Class put out 6 issues of the newspaper this year including two special papers, an April Fools issue and a Tournament issue. Most of the issues were 4 pages, and there were a couple of 6 page papers. The Journalism Class had to get their own advertising for the newspaper. The students went around to most of the businesses in town to get the advertising. The advertising pays for the paper.

Kathy Mienar, Mary Lea, Brynn Short, Ramona Bush and Miss Beverly Wilson count pennies, nickels, dimes, quarters and dollar bills for Penny Wednesday. Penny Wednesday was sponsored by the Journalism Class for the Foreign Exchange Student Program. The first week Penny Wednesday was held the students donated $22.01.

The first major event for Pep Club was homecoming activities, which included a bonfire, a car parade, and the crowning of homecoming King and Queen.

The next, and by far Pep Club's biggest undertaking, was the Southeastern Alaska Basketball Tournament, held in Ketchikan on March 5, 6, and 7. Pep Club was responsible for housing about 550 out of town visitors and trying to plan activities to make their stay enjoyable. Housing was arranged without too much trouble and the students arrived March 4 on the ferry.

The City Zu, a popular Seattle group, was in town to play for the two dances.

Overall the 1969-1970 year was very successful financially, with nearly $3,000 in the treasury at the end of the year.
Some people would rather watch the camera than watch the game.

Coach Bob Vincent scrutinizes the game.

The students and faculty of Ketchikan High School witnessed the efforts and strides of their basketball team in various clashes throughout the entire winter.

Basketball is best exemplified by the spirit of competition. It is this spirit, the desire to be the best, the desire to win that is possessed by all who enter the competition that makes the game worthwhile. It is to this spirit that the Williwaw Staff dedicates this section.

Junior Varsity

Bill Mackie  |  Phil Tucker  |  Gary Haynes
Ketchikan High School's wrestling team has come a long way since it was established five years ago. Student interest today makes it one of the most popular sports at Kayhi.

This year over thirty students tried out for wrestling, of which twenty-four remained. Out of that twenty-four ten were returning from last year.

The opposite page shows the Southeast Championship trophy which Coach Frank Adam and his men brought home in '69. The team this year has really been working hard and are trying their hardest to keep that trophy in 1970.

This year's varsity team is completely made up of seniors and juniors. However, the junior varsity is really showing promise.

Members of the varsity wrestling team are: Ralph Mackie, Darrell Tisserand, Clyde Collins, Tony Martin, Howard Jackson, Mike Martin, Mike Eierding, Richard Shields, Bill Moran, Jim Borgen, Larry Clark, Dave Nelson, and Manager Scott Swain.

This year the boys call themselves BAGUBAS which stands for Brutally Aggressive Guys Uninhibited By Aggression. By their record of no losses and four wins so far their motto seems to hold true.

THAT'S US!!!!

THE FIRST DISSOLVING PULP TO BE PRODUCED IN ALASKA—IN FACT, THE FIRST PULP OF ANY KIND TO BE PRODUCED IN ALASKA—WAS MADE IN 1954 BY THE KETCHIKAN PULP COMPANY. THAT MAKES US 16 YEARS OLD THIS YEAR, THE SAME AGE AS MANY OF YOU WHO ARE IN KETCHIKAN HIGH SCHOOL NOW. SO WE'RE GROWING UP WITH YOU.

THE FIRST 16 YEARS HAVEN'T BEEN PARTICULARLY EASY FOR US, WHAT WITH PROBLEMS CAUSED BY WEATHER, TIMBER SUPPLY, OPERATIONAL PROBLEMS AND STAYING COMPETITIVE WITH OTHER PULP MILLS THAT ARE A LOT NEARER TO THE MAJOR MARKETS.

AND WE SUPPOSE YOU HAVE HAD YOUR PROBLEMS, TOO,

BUT THE IMPORTANT THING FOR ALL OF US IS THAT WE HAVE KEPT IN THERE, TRYING ALL THE TIME. AND WE BELIEVE IN THE FUTURE OF KETCHIKAN, TOO. WE LOOK FORWARD TO MANY MORE YEARS IN KETCHIKAN, SHARING PROBLEMS OF THE COMMUNITY, WORKING OUT PROBLEMS TOGETHER AND HELPING OUR FRIENDS AND NEIGHBORS. THIS IS A GREAT PLACE IN WHICH TO LIVE, WORK AND GROW.
