At the first pep assembly for the 78-79 school year the junior class of 1980's pep and spirit was high in an attempt to get rid of the beloved stone hawkers award. As freshmen we were lucky enough not to receive the award but luck ran out and we got it as sophomores. But we are proud to say our spirit went way up as juniors. Too bad freshmen!

bottom left: Kevin Andrews: Think hard Kevin!!! Top left: Pep Assembly: Juniors cheer at 1st assembly; bottom right: Terry Miles. Well don't just stand there Terry—DO something! top middle: Vern Speck: I'd rather light than switch.
Four out of the five Varsity cheerleaders were juniors this year. Which is another fact to prove the theory that juniors have the most spirit. It is the second varsity year for Denise Ames, Jill Rhodes and Theresa Nebl, but the third year for Nikie Mondich. Leading the school in cheers, as in the past, the four juniors will be tops once again.
bottom left: Kevin Klepper: Klu-Klux Klan Kevin strikes again! Center (double-page spread) Jim Fields: Once again Jim finds the fantastic foxes! bottom right: George Pitt: found mine.

top left: Nell Moran: Nell is a daze again!
top right: Robert Rodriguez: cool, suave, and sophisticated that's Robert! top middle: Kurt Carbon: Con-artist Kurt at work! mid-left: Barb Meyers and Denise Gray: Denise goes into shock on "candid camera", but Barb doesn't bat an eye. bottom left: Kevin Andrews: Think hard Kevin!!!
Robert and Joel play on Varsity

Robert Rodriguez and Joel Sims are the two new members of the Varsity Basketball team from the junior class. It is Joel's first year and second year playing basketball for Kayhi. Robert has played on Junior Varsity.
Sixteen Juniors Accepted

The class of “81” is a group of students who have a lot of spirit and pep. Each of the 210 students in our class is an individual and has his own set of values.

Our class is well balanced and “gets along.” We’re sure that through our years at Kayhi, students from the class of “81” will always be some of the best in all activities.

Our class has never received the Stonehawker Award and of course never will. When 1981 rolls along, our class will be one of the best classes ever to graduate from Kayhi, because we have hard workers and many talented people.

We’re sure of this because: Full of Power, Zest and Fight, “81” is DYNAMITE!

This year, on October 27th and 28th, Gena Feind was the Kayhi delegate to the Alaska Association of Student Government in Anchorage. She took part in workshops on leadership, spirit raising, and parliamentary procedure. Gena delivered a speech to the other 200 delegates from other schools in Alaska. The speech dealt with the ways that the Kayhi Student Government works and our past and future projects.

Miss Feind brought back ideas on spirit raising, such as the “Battle of the Sexes,” and how to improve our SBA, which she began immediately.

Five sophomores took part in the Southeast Alaska Honor Music Festival this year, which was held in Haines. Three of these students were chosen to play in the band; Joe Roberts on trumpet; Glen Davis on trombone; and John Long on the bass clarinet.

The other two students that were chosen, participated in the Honor Choir. They were Lynn Porter, first Soprano and Margie Landis, second Alto.

All of those who took part agreed that it was a fun trip and a good learning experience.

The first pep assembly of the year was held on Friday, October 20th. The day had arrived for the "stone-hawker" to be awarded. As usual the classes yelled their cheers. The freshmen, unlike last year were the most quiet. Some freshmen started booing, but more started clapping. Peter Carlson, class pres. was asked to come pick up the award and repeat their cheer because no one could understand them. He attempted it, but he didn't even know it himself. The freshmen were to have a new cheer because of the similarity to the seniors cheer. After the freshmen made their second new cheer they had to change it also because it was very similar to the sophomores cheer.

From August 29 to Sept. 7 16 freshmen girls practiced for the J.V. tryouts on September 8. These girls worked extra hard and put in a lot of extra time learning routines and cheers. On the final day the girls were both tense and excited, but under all the pressure they performed very well. It was a hard decision for the judges but Helen Anderson, Shannon Murphy, Abby Peters and Rosie Richardson compose most of the 78-79 J.V. cheerleading squad.

There were seven freshmen who participated in the Drama Club production of “Arsenic and Old Lace” in October. The freshmen literally dominated the cast of “Arsenic” by having over half of the cast. Tony Worrell liked acting so much he tried out for three different parts and got them. Other members of the cast included Jeff Alguire, Pam Ancheta, Amy Apsey, Jeanette Begalka, Martha Berkey and Chris Williamson.

Mrs. Marksheffel has been a teacher at Kayhi for the past 17 years. The first 8 years she was a P.E. teacher and for the past 9 years she has taught business. Mrs. Marksheffel teaches a class in production printing. The class prints the school newspaper, and the programs for the various musical presentations, programs for the games throughout the year. In addition, Mrs. Marksheffel is also the Co-op advisor.

Mrs. Christine Pool, our new school nurse, was a student at the University of Colorado. She is now teaching a new class this year called Health Occupations. The class was to help students learn more about the medical field.

They spend two hours every two to three days at the hospital. They had a chance to get an overall look at the hospital and its functions.

A year off for Mr. Arteaga

Mr. Charlie Arteaga, a counselor here at Kayhi for the past two years and a teacher for nine years before that, will not be here next year. He will be serving as President of NEA Alaska for a one year term, ending in 1980.

Mr. Arteaga has been involved in the education association since 1970.

We all wish him the best of LUCK!

Fortunately for Kay-Hi, this school year has proven to be a lot different than previous ones. There have been numerous changes, but the most significant one has been our new principal—Michael Bruce Slama.

With his arrival came changes in school policy—changes that the majority of the students and staff feel are for the better (with the exception of the misguided one-dance-a-month-policy and the tragically shortened lunch break.) There was NO SMOKING in the girl's bathroom! Certainly these words speak for themselves.

Pep Club

The 1978-79 Pep Club was very busy in raising money for the Southeast Alaska Basketball Tournament that was held in Sitka this year. We also raised money for the Wrestling Tournament that was held in Juneau. Some of the fund-raising projects were the Homecoming Dance, the Gong Show, and a few bake sales. With the most members in Pep Club (180) in the history of Kayhi, the spirit and enthusiasm grew tremendously. The attendance at Kayhi’s games increased also.

Choir

The Concert Choir is under new direction this year by Clarice Stefon. The choir program has undergone many changes with its new director. Students are learning to sight read, learning to produce good tone quality, and learning correct singing posture. Every quarter a try-out is required by each student to provide incentive to learn all their music for the numerous concerts that Concert Choir performs each year. And last but not least, the Concert Choir has a striking new image—glimmering black gowns and shimmering white shirts that are bound to enhance any male or female!
F.H.A.-H.E.R.O.
F.H.A.-H.E.R.O. means Future Homemakers of America, and Home Economics Related Occupations. Its goal is to help youths assume their role in society through home economics education in areas of personal growth, family life, vocational preparation and community involvement.

The purposes of F.H.A.-H.E.R.O. are to provide opportunities for self-development and preparation for family and community living, and for employment, to strengthen the function of the family as a basic unit of society.
The Student Body Association roared right into Fall with the 78-79 school season. One of the first items of concern to be brought to the council by the students was the “teeny-weeny pause” between the second and third hour bells, which was formerly entitled Brunch Break. The matter was brought before his majesty, the immortal new principal, Michael Bruce Slama. Needless to say, he crushed the rebellion. Despite our early defeats, the council strove on to success. Our first big money making project was the annual Civilian-Savings Surplus Sale at the Son’s of Norway Hall. We later hosted a Christmas Pep Assembly in which Santa Claus was the guest of honor. Santa distributed sweet meats to all the Kiddies of Kayhi. S.B.A. played a big part in the Mock Election held at Kayhi on November 3. The election was a big success and proved to be accurate in reflecting the results of the General Election. As 1979 flew in, so did S.B.A. with a record breaking crowd at our tape breaking dance. The highlight of the evening was a special guest appearance by John Travolta, (alias: Gary Miller). Our final major project was a trial put on by attorneys and local judges to recognize National Law Day on May 1.

Torch

TORCH, the Kayhi chapter of the National Honor Society, inducted 29 new members this year. This is by far the greatest number of students to be inducted in the last 20 years at Kayhi. Admission to this prestigious club is based on sparkling character, outstanding leadership, superior scholarship, and totally selfless service.

Band

There are 70 musicians in the CONCERT BAND this year, including sophomores to seniors. The Kayhi Concert Band has one of the most enviable performance records in the state of Alaska, with first division "superior" ratings in every music festival they have attended during the past nine years. A performance in the Seattle Opera House in 1977, the Northwest MENC Convention, and several tours throughout the northwestern states to their credit. They have continually placed musicians in the State Honor Band (ten this year) and the All-Northwest Honor Band. As one Anchorage musician described last year's band in a newsletter as "one of the finest bands I have heard . . . they performed magnificently and looked terrific."

JAZZ ENSEMBLE of 1977-78 was honored by an invitation to perform as "Guest Band" in prestigious Monterey, California in the High School Stage Band competition last June. They raised funds in the last month of school and performed two concerts in the festival, the first a split program with a group of professional musicians out of Los Angeles, and a concert "set" for other bands. Most of the musicians returned this year, to form what is probably Kayhi's best jazz group ever.

STAGE BAND has a large number of returning musicians this year. They will be Kayhi's first stage band to perform in the Southeast Alaska Music Festival and should be one of the strongest jazz groups in the state of Alaska. A good many of the stage band musicians will even go on to perform in Kayhi's Jazz Ensemble in the next few years.

Kayhi Pep Band; numbers 35 players this year. Members are selected by audition from those in Concert Band and Freshman Band. They perform in pep assemblies, athletic events plus practice after school twice a week from October until late March. They are always an important part of the Kayhi contingent in the annual Southeast Basketball Tournament.

Through joint effort of coordinating copy, layout, and photography, the WILLIWAW staff has tried to express the meaning of "Looks like we made it". This effect was achieved through the use of design and content, and was accomplished by much hard work.

The majority of our staff was new in September and since then we have learned much about the problems of producing a book.

Drama

DRAMA CLUB began its second year with a very professional presentation of the high school favorite, "Arsenic and Old Lace." Second Year students, with the addition of some very talented freshmen, were able to provide the people of Ketchikan with an opportunity to enjoy excellent live drama. The Drama Club performed many radio plays and an evening of One-act plays entitled "Goodbye to the Clown" which was the title of one of the plays. Drama Club met regularly to develop dramatic skills.

Kayhi Drill Team

The '78-'79 Dance and Drill Team, the K-HIGHLIGHTS, consisted of nineteen girls this year.

Last summer Deidre Benson, Jennifer Graham, Suzie L'Heureux, Julie Rhodes and Veronica Slaier attended a Drill Team camp in Oregon and were responsible for teaching routines this year.

The girls used some of the drills they had learned at camp (with some changes) as well as some of our own. True to our name, we performed both drill and dance routines, with some pretty hot and zippy jazz moves.

The team's uniforms were very versatile this year, with interchangeable coordinates that really added to our image. They were designed by team member Jennifer Graham, who along with Mrs. Peggy L'Heureux sewed the entire team's uniforms.

We owe most of our success to a very creative and enthusiastic member, who along with an advisor who believed in us, made us what we are - the K-HIGHLIGHTS. Jennifer Graham, Mrs. Knapp, we salute you.
Action packed! A simple but appropriate description of the 1978-79 VARSITY CHEERLEADERS. A fresh start was made in August when we attended a cheerleading camp in Tacoma, Washington. We brought back many new cheers which spiced up the cheering section. Lending support to Kayhi teams was the cheerleaders’ main ambition. We really enjoyed doing so and had a GREAT year!

Wrestlettes

Pin him, screams a Kayhi Wrestlette! Besides cheering on our boys and offering moral support, these girls hand out oranges, keep score and time, keep the official books plus announce the line-up of the night.

In order to travel with the team to the South-East tournament in Juneau this year, the Wrestlettes raised money by working at basketball games and hosting a rummage sale.

The 78-79 Kayhi Wrestlettes include: Bridget Schroeder, Sherene McDaniel, Vickie Kandt, Martha Hughes, Ann Phipps, Shirley Fiscalini and Karen Ren.
The '78-'79 Junior Varsity cheerleaders were made up of four freshmen—Helen Anderson, Shannon Murphy, Abby Peters, and Rosie Richardson, and one sophomore—Jill Woodbury.

We showed a lot of spirit this year by cheering at Swim Meets, Girls' basketball, boys' basketball, and wrestling matches.

We earned money for new uniforms by having baking and garage sales and concessions at the school. We were also able to travel to Thorne Bay with some of the funds we raised.

Kings Knights

The King's Knights is an honor organization at Kay-Hi in which the students are hand-picked and advised by the vice-principal. They devote their time to working at basketball games, swim meets, and by taking money at the doors and posting themselves in the balconies. During fire drills they can usually be seen racing around the halls in a mad attempt to vacate the building.

To prepare for the annual fire drills, they begin each year with a training session at the Ketchikan Fire Department, where they are taught how to handle and control fire extinguishers.

The 78 Cross Country team had a fairly good turnout this season with 10 members-8 boys and two girls. Due to lack of funds, the team was only able to travel ONCE to Juneau for a mid-season meet, which is traditionally the most important meet before South East. Don Loughman did very well in Juneau, taking 5th place. Unfortunately, our team (representing our FINE school) was the only team in South-East without team uniforms. The team is now trying to remedy that degrading situation by selling chips during brunch in order to buy uniforms for next year’s team. The only other action occurring for our team in this traditionally short season were the South-East Championships, which were held in Ketchikan for the first time in years. Dana Horne sprinted to victory in the girls course, taking 2nd in South-East. Hopefully next year we will have more enthusiastic girls turning out for this tough but extremely rewarding sport.

Volleyball Girls Disappoints

This was a somewhat disappointing season for the Kayhi Girls. "We had some pretty good players back this year," said Coach Ortiz, "but we just never put it together."

Spiking was the team's strength with Sue Williams, Julie Vein and Carol Oliver as our best spikers. Sue Williams was our bright spot for Ketchikan as she was picked on the All Tourney team, this was her 3rd straight year.

Thirty-two consecutive games in two years

We had a very good season. With 4 of 5 starters back from last year's championship team the Kayhi girls have looked very impressive. Julie Vein, a 6'2'' senior is the top rebounder and Sue Williams is the teams best ball-handler and is averaging 19 points per game. Carol Oliver is the teams outstanding defensive player. De Ann Bergh, considered to be the best out-side shooter. Pam Chambers and Tina Sims are playing very well this year and improving with each game.

The 1978 season proved to be the most successful season in our school’s history: We went undefeated for the second year in a row; won the Southeast Championship for the second year; and the final touches were the winning of the Girls State Championship (second year), winning the Boys State Championship (1st time) and winning the Combined title two years running. Varsity Basketball in 1979 was one of the most exciting in Kayhi’s history. The final team was composed of 1 Freshman, 1 Sophomore, 3 Juniors, and 7 Seniors. One of the early highlights of the season was the hosting of the Christmas Tournament, which was indeed exciting. Our season was a good one which we ended by placing second in the Conference, thus drawing harder placement in the tournament. We played our long-time rival, Juneau-Douglas, for the championship, winning by a smashing victory of seven points! The final season was ended by Kayhi taking fourth place in the state.

Gaba! Varsity basketball player Greg Cessnun originated the winning curse. Although it has been thoroughly exploited this year, there still seems to be some confusion as to what gaba is, and what kind of power it has. Gaba is a curse, hoax, or jinx, on the other team. Gaba is GOOD luck for us, and bad luck for the opposing team. Gaba is ALL-POWERFUL! After all, we took Southeast, didn’t we?

Kings Take Southeast

Y-E-L-L, everybody yell! And everybody did at the 1979 South-East Boys basketball tournament in Sitka, because Kay-Hi came out on top, and by that we mean Number one!

The first game Ketchikan played was against the Sitka Wolves, on Thursday night. Our boys were the winners! They repeated this performance Friday night too, when they played the Haines Glacier Bears. And their winning streak didn’t stop there—the Kings dribbled, shot, guarded, and pressed their way to first place in the championship game against the Juneau-Douglas Crimson Bears. To say the King crowd went wild is definitely an understatement. We were hootin’, hollerin’, hysterical, and VERY happy. We swarmed over the court and around our boys, who were feverishly busy cutting down their right-full-earned basketball nets. The sweet smell of success was overpowering.

Although our drill team, the K-Highlites, did not place in the South-East competition, any darn fool can see that they are an obvious improvement over previous Kay-Hi Drill Teams. This was their first year climbing back to the top, and we are confident that they will reach their goal in the upcoming years. You’re number one with us, girls!

They got it together, baby do they ever! Our cheerleaders are undeniably the best in South-East, two years in a row! Congratulations, girls—you really lead our school with spirit and pride.

The Junior Varsity squad worked hard this past season and had a number of successes. They proved that they could play against any other Junior Varsity in the conference and play against the Varsity squads from many of the B conference schools. Most of the players have improved this year Ron Alsup, Robert Rodriguez and Joel Sims play on the Varsity squad also. Next year most of the J.V. players will play on the varsity squad.

Freshmen Basketball

The intent of the freshman basketball program is to promote the necessary fundamentals in order to make the junior varsity squads the following year. Our season consists of approximately twenty-five games with the highlight of the season being the competition during the Juneau Tournament which involves eight different teams. This year's group showed excellent mobility and promises to furnish some fine athletes for future Kayhi teams.
Wrestling

"Drive" seems to be the key word for the 1979 wrestling team. There always seems to be something to keep them moving whether it's Coach Beraldi or team captains Dave King and Bobby Willyerd. There are 8 returning Lettermen and our one resourceful wrestler Dave King which was 1st in Southeast and 2nd in State. Dave is also a 4 year letterman. The team also has George Dukes, Dave Pitt and Benny Williams who will bring us many victories in years to come. The first of the season Eric Houtary, Kayhi's heavyweight was out because of injuries. The J.V. squad had quite a bit of help from Chuck Mallot a graduate from Kayhi, who helped Coach Beraldi and Coach Crockett after school.

"The Boyfriend"

Homecoming

The crowning of Homecoming King and Queen was the highlight of half-time activities during the Christmas Tournament Championship game. Six couples vied for the honor. Kayhi students chose Stu Stephens as Homecoming King, and Kathy Ludwick as Homecoming Queen. The two royalty reigned over the Homecoming Dance which followed the game.
Ketchikan High School hosted its third Christmas Tournament. Seven teams besides Ketchikan, (Bothell, Blanchett, Juneau, Monroe, North Pole, Orting, and Queen Anne), competed for first place.

Four of the eight teams were disqualified because of league rules allowing them only a certain number of games.

Second place was taken by the Monroe Rams from Fairbanks, and first place was won by the Bothell Cougars of Washington.
At the end of the championship game, coaches from all eight teams picked basketball players, other than their own, to be on the All-star Tournament Team. Members included: Ron Bolli-
nger, Jeff Henry—Bothell; Dean Montzino—Queen Anne; Bruce
Noonan—North Pole; Ken Broker—Monroe; Larry Bickel—Orting;
Dennis Edwards—Juneau; Dan O’Neill, John Throckmorton—
Blanchet; and Stu Stephens—Ketchikan.
