KAYHI '52
Foreword

TO OUR friends and classmates who will treasure this yearbook in the coming years, we, the staff of KAYHI '52, present this book filled with the school day memories of the past year.

We have spent endless hours in securing the ads to help finance its publication, pasted up, cut out, written and rewritten articles in the hope that this book will hold an accurate and interesting account of the year’s activities.

The staff has enjoyed their work and hope that as you look back through the yearbook you will remember your fun and work in KAYHI and will be reminded of the ambitions you had for a bright and constructive future.
Pledge

We pledge allegiance to dear old Kayhi
   So give us power to keep her true colors high,
Push on to greater glory
   So that her honor may never die
Then sing a song to Kayhi
   We bring honor unto her name
High her colors waving,
   Every banner will tell her fame
Maroon and White are fighting
   To bring home the Victory
We pledge our hearts to Kayhi
   And forever our loyalty.

Dedication

We dedicate this annual to those men who by their determination and efforts have encouraged and built up local industry in a never-ceasing attempt to put Ketchikan as well as neighboring towns on a self-sustaining basis of year-round employment.

We hope that we may carry on this work so that their hopes and plans will be realized.

NO DEVELOPMENT can grow without supervision and control. As in the industrial field, our schools must have advisers to help in the advancement of learning.
IT IS the hope for a better tomorrow that keeps life interesting and worthwhile today. When we no longer see in the future a better day, life loses its zest and our day to day living tends to become a routine affair. This is true for individuals, for communities, and for nations. It is that spirit of progressiveness, that ever looking forward to a better tomorrow, that has made America the great nation it is today.

The future holds much for us here in Ketchikan. It holds much in the opportunities which will come to us as individuals, and it also holds much in the industrial development about to come to our community. We should be happy that we are in position to have a part in what will transpire in the years immediately ahead.

J. E. DANIELSON, Superintendent
THE yearbook is a graphic record of Kayhi life for the 1951-52 school year. In the future this record will be a valuable source of information. Many arguments and discussions as to events, clubs, teams, student and faculty personnel will be selected by referring to the annual.

We are grateful to the hard working staff and adviser for the many hours they have spent to make it authentic.

Past records teach us many things, among which is optimism for the future of our nation and of our community. It is our wish that each one of you will enjoy happiness and progress.

Experienced Workers--Seniors

The seniors started as little acorns among the tall timber in the halls of Kayhi in 1948. Freshman officers were Clarke Poorman, president; Lloyd Olden, vice-president; D. D. Gore, secretary; Tom Housholder, treasurer, and Bill Hiatt, sergeant at arms.

Bill Hiatt moved to the States in the fall and Mike Lane was elected in his place. Sponsors were Miss Mary Zehntner and Miss Ethel Evans.

September 17 dawned bright and early with the little acorns arriving at school dressed as tramps (boys in girls' clothing and girls in boys' clothing) and different character costumes. They presented an informal assembly entertaining with hill-billy songs, short dramatic skits and musical numbers. Thus their first root was established among the timbers of Kayhi.

In order to establish themselves even more firmly, the boys entered intramural basketball, softball and track events. Clarke Poorman, Tom Housholder, Lloyd Olden and Jim Graham were subs on the basketball varsity squad. Eby Nell Reagan represented the Tom Housholder, Joyce Carl, Harold Caspersen.

S. B. A. Representatives

Clarke Poorman, Lloyd Olden and Jim Graham were subs on the basketball varsity squad. Eby Nell Reagan represented the class in the yearbook queen contest. The first social event for the little acorns was the Freshman Frolic on October 22. The theme was "The Carnival" complete with booths, novelties, comic hats and confetti. The dance proved to be one of the best dances of the year and a great financial success for the class. Eby Nell Reagan was overall chairman; Lloyd Olden, decorations; Alice Olin, refreshments; Lillian Rodriguez, tickets and posters; Joan Cutler, orchestra, and Wilma Sandburg, Bob Purchwitz and Billy Davis in charge of the booths and s' de shows.

Emerging as twigs, the sophomores took revenge and initiated the freshmen. Lloyd Olden was elected president; Tom Housholder, vice-president; Eby Nell Reagan, secretary; George Cloudy, treasurer, and Joye Carl, sergeant at arms. Mrs. Hurff Saunders and Irven Wengert were faculty sponsors. Again the boys had their basketball team and entered track events. Lloyd Olden was on the first string of the high school team and George Cloudy, Tom Housholder, Jim Graham and Clarke Poorman played with the cubs in the Junior City League. Alice Olin was candidate for the Yearbook Queen and Diane...
Thompson was for the football Queen.

Football called forth Bill High, George Cloudy, Jim Graham, Tom Housholder, Pete Ellis, Ray Miller, Don Olson, Lloyd Olden and Clarke Poorman.

Clarke Poorman was elected sergeant at arms of the SBA and Bill High was sophomore representative to the SBA Council. The twigs presented their Hop in Hawaii on December 8, 1949. The decoration consisted of a dark blue sky, studded with stars and a gleaming moon amid fish nets, palm trees, leis and hula girls. During the intermission Hawaiian punch was served while Clarke Poorman sang a solo. George Cloudy and Joan Cutler were co-chairmen of the dance; Cliff Johnson, decorations; Beth Daigler, entertainment; Carol Burns, refreshments; Robert Spaeth, clean-up, and Bill High, lei making.

Still surviving, the saplings entered their junior year with Pete Ellis as president; George Cloudy, vice-president; D. D. Gore, secretary; Tom Housholder, treasurer, and Gary Emard, sergeant at arms. Ed Hollister, Mrs. Ray Bassett and Al Rambow were the advisers. SBA representatives were Robert Spaeth and Clarke Poorman. George Cloudy was chosen winner of the Malta Stepp Award and Clarke Poorman was elected SBA president for the years 1951-52. Robert Spaeth was elected for the Leslie Bugden award. The class kept busy selling hot dogs, cokes, ice cream bars, game schedule pencils and boosterettes to help defray expenses. Joyce Carl and Harold Caspersen were co-chairmen of the sales.

Alice Olin represented the class in the Yearbook Queen contest.

The juniors entertained the seniors at “Monte Carlo’s.” Clarke Poorman was over-all chairman and Joyce Carl and her crew transformed the gym into a gambling casino.

Tom Housholder and Gary Emard were on the basketball varsity and Pete Ellis was manager.

At last we’re tall timber, the growing has been hard, but fun. This year we were under the watchful eyes of Miss Marjorie Paulus and Ray Bassett. Our officers are Pete Ell’s, president; Joan Cutler, vice-president; Beth Daigler, secretary; Ann Smith, treasurer, and Don Wineke, sergeant at arms. SBA representatives were Joyce Carl, Tom Housholder and Harold Caspersen.

The class won the SBA banner for the first time. We rooted Tom Housholder, the only senior on the basketball varsity. Our class basket-

In September the sophomores chose Bob Adams, Arlene Tibbles, Marlene Tibbles, Jackie Smith, Leonard Marx, Fred Olsen as class officers for the year. In November Bob resigned as president and Bruce Harrod was elected in his place.

Initiation of the freshmen into high school was the first project. Each freshman was required to interpret a popular song. Bob Adams, Marlene and Arlene Tibbles, Arnt Antonsen and Clark Stump arranged the numbers that each sophomore planned with his initiate.

"Real atmosphere," everyone said of the Sophomore Hop. The theme, "Winter Wonderland," was carried out with a snow-laden tree under a revolving colored light, skis, ice skates, cedar boughs and a snowman. The tolo rules adopted for the dance required the girls to pay.

The executive committee included Fred Olsen, Bob Adams, Barbara Ruhle, Bruce Harrod and Marlene Tibbles. Charleen Gallagher had charge of entertainment; Bob Newell, decorations; Marlene Wingren, refreshments; Arlene Tibbles, publicity, and Jerrine Hesketh, the tolo rules.

One the varsity basketball team, the sophomores were represented by Fred Olsen and Arnt Antonsen.

Alta Moulton represented the class in the Annual Queen Contest, coming in second in the final count.

Blue and gold were chosen as the class colors.

During intermission freshman president, Bob Vincent, presented Bruce Harrod, sophomore president, with two gifts in token of freshman initiation week.

As part of the entertainment Arlene Creed gave a piano solo and Carol Ludwigsen gave an accordion solo. In keeping with the decorations, Kay Poole and Lois Droogs sang "The Last Time I Saw Paris."

For refreshments the food committee served cookies and punch.

The committees were as follows: decorations, Bob Nerup, Kenny Madsen, Eddie Anderson, Janice Garrett, John Valentine, Delores McDermott, Don Baker, Penne Simonsen, Joan Homan, Merle Stangeland; food, Margaret Daly, Kay Poole, Judy Burt; advertising, Laurie Scott, Harcourt Tew, Betsy Carr, Joan Homan, Jimmy Womack, Arlene Creed; tickets, Jimmy Sears, Joe Brinson.

As in past years the freshman Initiation this year signified the unification of the new members of high school with the upperclassmen. All proved to be good sports in the hour-long assembly in which the freshmen initiates enacted and sang popular songs.

Organizations in school are composed of those students who have an active interest in school functions. They point the way to better things. As the high-rigger selects the trees to be felled in the lumber camps, so the club members represent the leaders in school work.
"To promote the welfare of the school and to arouse a school spirit of loyalty and cooperation among the students," is the purpose of the Student Body Association. Any person regularly enrolled in high school may join by paying the membership fee which is set by the Student Council, governing body of the organization. This year the fee was five dollars.

The Student Council acts as a co-ordinating body of the association between administration and student body. It is made up of the SBA officers, class presidents, class representatives, fire chief and the yell king.

Under the direction of the SBA president committees are appointed to handle the various assemblies and other activities. The Student Council approves the budget, provides pep assemblies for the visiting teams and rooters. George Cloudy, vice-president, handled the housing of all teams and rooters. Also, he was on hand to greet them on their arrival in town.
PRINCIPAL duty of the high school fire squad is to prevent loss of life in case of emergency. They clear the building, check rooms and see that law and order is maintained during fire drills. It is up to them to see that everything is ready for the city fire department when they arrive.

In the fall the Student Body President appoints the fire chief, assistant and the firemen, who usually are upperclassmen and a few sophomores and juniors. The fire chief confers with the city chief on safety measures.

At the beginning of the year they check to see all fire extinguishers in the building and hose are in operational order.

A fire drill is held at least once a month. During the year the city fire department conducts their own drills as a complete surprise to the whole school.

Leading the Field of Scholarship

THE Ketchikan Chapter of the National Torch Honor Society was introduced in 1935, and since then its members have been striving to maintain a high scholastic standing in their classes. The Torch aids in promoting school citizenship, scholarship, service, and good fellowship among the students of Kayhi.

Students become eligible for membership under a point system based upon points earned in grades and participation in extra-curricular activities.

Points for grades are computed on the semester averages; an “A” evaluates as five points; “B,” three points; “C,” one point; “D,” no points, and “F,” minus one point.

To be eligible for membership, a sophomore must have earned 24 points for grades and activities. This is based on completion of eight semester credits. Juniors must have 50 points and seniors 80 points.

Each year pins are awarded to members designating the number of years in Torch.

If, at graduation time, seniors have earned a total of 110 points, they are awarded the National Torch emblem.

Officers of Torch Society are Lillian Rodriguez, president; Dick Maddox, vice-president; Delphine Danielson, secretary; Pat Crowley, treasurer. Miss Margaret Hyde is adviser.
APPROVAL by the national secretary for articles written, recommendations by the adviser and a grade standing in the upper third of their class are the requirements which these students met in order to be in Quill and Scroll, national honor society for high school journalists. The journalism department of the University of Chicago sponsors this organization.

Contests are sponsored by the organization including editorial writing, feature writing, humor columns and special advertising page layouts.

Robert Spaeth and Karen Kindred were elected to Quill and Scroll last year.

Miss Ethel M. Evans, journalism instructor, is adviser.

Delving in the Past

THE PURPOSE of this club, organized in 1944, is to maintain an active interest in Latin at Kayhi.

Student-planned meetings are held twice a month. Highlight of the year was the annual banquet in St. John's Episcopal Church basement on the Ides of March. Jim Asaph was general chairman, assisted by Marlene Tibbles. Ann Smith was head cook.

An assembly program planned by Arlene Tibbles and Delphine Danielson, entertained high school and Deermount students on March 25th.

The annual picnic was held at Dahlager's beach on May 12th.

Delphine Danielson is this year's winner of the award given each year by Mrs. Dahlager, adviser, to the member earning the most points for participation in club activities.

First semester officers were Marlene Tibbles, president; Bruce Harrod, vice-president; Lillian Rodriguez, secretary; Marlene Sallup, treasurer; Larry Clegg, sergeant at arms; Delphine Danielson, point chairman.

Second semester officers are Bruce Harrod, president; Delphine Danielson, vice-president; Jackie Smith, secretary; Joerene Savikko, treasurer; Bob Droogs, sergeant at arms; Arlene Tibbles, point chairman.

SPANISH CLUB was organized this year to promote interest in the study of the language and the customs of the Spanish-speaking people. Any person who is taking Spanish now or has completed one year of the course is eligible to join.

Meetings are held twice monthly, one school meeting and one home meeting. The main activity for the year was the presentation of the Spanish Club Assembly on March 18. The club presented Spanish skits and songs. Members who desired pins for Spanish Club were able to order them.

Officers are: George Cloudy, president; Clarke Poorman, vice-president; Kenneth Gard, secretary-treasurer; Tom Housholder, sergeant at arms. Lillian Rodriguez was program chairman and Eddie Creed refreshment chairman.

Robert Mathis was the adviser.

"RESOLVED that all American citizens should be subject to conscription in time of emergency," was the topic for debate by high schools this year. Robert Mathis was coach.

Working after school and at night, the teams studied and practiced for the annual tri-school debate in Petersburg April 3, 4, 5. Petersburg, Juneau and Ketchikan participated.

Kayhi's team won the greatest number of points on judges' decisions and earned the plaque for this year. Pete Ellis and Clarke Poorman were chosen for the all-star team.

Members of the affirmative team were Jimmy Asaph, D.D. Gore, Bruce Harrod. Pete Ellis was alternative. Members of the negative team were David Baker, Charleen Gallagher, Clarke Poorman. Nancy Marvin was alternative.

Kaare Johnson was librarian and Bruce Harrod, secretary-treasurer.

Four members of the team, D.D. Gore, David Baker, Bruce Harrod and Clarke Poorman, debated before Lions Club March 26.

Gary Tucker headed the committee in charge of pop and ice cream sales at the City League basketball games during the season. The school board and SBA Council added to this fund to help with expenses. Persons making the trip paid the balance.
DECLAMATION is not alone a contest for dramatic effect. It has the function of giving the student valuable experience in public speaking,” said Robert Mathis, adviser at the introduction to the annual declamation contest April 9.

Prizes were awarded for humorous and serious readings. Don Wineke won the humorous contest with his dramatization of “Tommy Stearns Scrubs Up,” by Clara Lewis Seeman, and Anita Strom was awarded first for the serious readings with “The Mountain Whip-Poor-Will,” by Stephen Vincent Benet.

While judges made their decision, Fred Olsen read “The Crucifixion,” by Lew Wallace.

**Assisting the Principal**

**CUTTING** stencils, mimeographing, typing letters on school business, answering the telephone, are just samples of the work done by the office girls. A large amount of the school clerical work is done by these girls as well as helping the principal.

Working in the office not only adds assistance to Miss Elsie Stouffer, principal, but is also good training for any girl planning to make a career of office work.

Credits are given in proportion to the amount of assistance the girls give Miss Stouffer.
Helping the Librarian

A STUDENT-librarian is on duty second, fourth and fifth periods—when the library is open—and before and after school to assist students in using the card catalog and reference material and in selecting books.

Librarians charge and shelve books, collect fines on overdue books and magazines and assist with accessioning, cataloging, mending, preparing special displays, etc., thereby earning one-half unit of credit a year.

This year's librarians are Nadine Florence, Lillian Rodriguez, Delphine Danielson, Gail Hanson, Joyce Carl and Carol Billingsley.
JUNIORS and seniors, freshmen and sophomore representatives and the journalism class constitute the Press Club. The club sponsors the publication of the school paper and the yearbook.

Meetings are held once a week with programs dealing with the various problems and phases of journalism.

The journalism class does most of the work on the paper but the club members are often given assignments and help out when they are needed. Members of the journalism class are given the staff positions on the paper; however, the club members are eligible for yearbook positions which are largely filled by them.

Miss Ethel M. Evans, journalism instructor, is adviser.

Publicizing Events

KAYHITEMS, a chronicle of school news, has reflected school attitudes through its editorial policy, has recorded school activities and has entertained through the humor columns. It has forwarded educational information to the students through its feature pages since it was first published in 1923. KAYHITEMS and the staff have played important parts in Kayhi in endeavoring to record student interests.

Staff positions are rotated during the term so that all the class could gain as much experience as possible in the newspaper field. This year positions have been largely elective and student choice.

Karen Kindred was editor the first semester and Pete Ellis, the second semester. Pete and Beth Daigler were assistant editors for first and second semesters respectively.
Evening brings the time of relaxation in the lumber camp. In school, music provides an outlet for pleasure in relaxing from strenuous class study.
Harmonious Melodies

UNDER the direction of Mrs. Norma Clegg the Mixed Chorus presented their first concert on December 15. This was the annual Christmas Vespers, featuring a program of religious music before the holiday season. Besides the Mixed Chorus there were songs by the Girls Glee Club, Triple Trio, Mixed Quartet, and the Boys' Quartet.

On March 21 the chorus gave their second concert of the school year. At this concert they gave a program of varied music ranging from classical to popular music.
VOCAL groups joined with the band for a last concert of Festival music in the high school auditorium. April 21. The next day they were flown to Sitka and Mt. Edgecumbe for the annual Southeastern Alaska Music Festival.

Besides the mixed chorus and band, vocal entries included a girls' glee club in the mixed chorus, a triple trio, boys' quartet and girls' trio.

Clarke Poorman, Clark Stump and Delphine Danielson sang solos at the festival.
THE BAND has completed another successful year. They played four concerts besides the music festival. The annual winter concert was January 21. The "Pop" concert of popular tunes was March 4. Then followed the concert at Metlakatla, April 18, finally the concert of festival music with the chorus, April 21.

Proceeds from these concerts was used to help defray expenses to the Southeastern Alaska Music Festival, April 24 through 27.

A part of the band not on the basketball team formed a pep band that played at inter-school basketball games.

Highlight of the year was the trip to Mt. Edgecumbe and Sitka for the Festival. Sixty-two students with the vocal and instrumental directors were flown there for the three days of music.

Walter Welke, professor of music, University of Washington, judged instrumental music, and Wayne Hertz, head of vocal music, Central Washington College of Education, judged the vocal work.

In Rhythm and Tone

Music Boosters Club, organized to promote interest in high school music, especially along financial lines played an important part in making the trip to the Southeastern Alaska Festival possible.

The Reverend Clayton Shotwell was elected president, Mrs. A. L. Florence, vice-president; Mrs. Penne Holmberg, secretary and Rodney Burgh, treasurer. Members of band and chorus working with Music Booster supervisors held Music Booster Tag Day April 5 and raised a substantial amount toward Festival expenses.

Band officers working with Booster Club officers are Clarke Poorman, president; Pat Crowley, vice-president; D.D. Gore, secretary-treasurer.
Championship

Goal

Athletics offers an opportunity for physical expression of energy in school. In like manner the holiday spirit of log rolling contests provides laughs as well as demonstration of skill in the lumber camp.
Pep Squad

Whether the Kayhi Polar Bears won or lost they always knew that they had the Kayhi cheering section right behind them, sparked by the wonderful cheer leading of Yell Queens Alice Olin and Joan Cutler, and Yell King Pete Schust.

When it comes to the school songs, you could always be sure to see Eby Nell Reagan out there to lead the school.

At the beginning of each year, students vote for the Pep Squad. The Pep Squad accompanied the Bears up to Petersburg and the yelling for the team was really a big help.

Back row, left to right: Stephen Krause, Jer- rine Hesketh, Ray Miller. Front row: George Cloudy, Joyce Carl, Shirley Milonich, Bruce Har- rod.

Ushers

One of the least publicized jobs in our school, but one of the most needed, is that of the ushers. Under the capable leadership of George Cloudy, ushers were able to do a wonderful job of getting the people seated at the basketball games, keeping all exits un- blecked and doing many other duties to keep the place in order.

The future of football in Kayhi looks promising as more and more advances toward improvement are being made. The Polar Bears played three games this year, winning one of those.

On October 3, the gridsters went in against a group of alumni. The grads proved to be older, stronger and more experienced than the high school crew and won the honors of the day by a 27 to 6 score.

The Bears met a team from the Coast Guard Cutter Clover on October 13 in the ball park. The home team drew first blood, with the service men evening up in the early minutes of the second half. On the last play of the game, Harold McCann rifled a pass to Wally Winston for the score and the game.

The Coast Guard sought revenge on the following Saturday and got it as they pulled out all stops to win. However, they got a run for their money in an exciting contest.

The Polar Bears missed two conversions, which turned out to be the losing margin. The final score was 14 to 12.
THIS year something new was added to football at Kayhi. John Gill, in his first year of coaching here, introduced six-man football to the boys and the school.

The rules are much the same as those governing the conventional eleven-man game. However, the play is more open and is quite a bit faster than the regular style. The players really enjoyed this game.

A league was formed with three teams. The championship was won by the Wynos who defeated the Underdogs on the last day of the season for the title. The final standings were:

**Leaders of**

**Kayhi** started out the year with a hope of getting somewhere, but the fighting Wrangell team ended it in Wrangell. Kayhi was defeated three in a row in Wrangell to end up her inter-Alaska competition with five wins and four losses behind Wrangell who had six wins and three losses.

On the home court Kayhi won all of its games and defeated both Wrangell and Petersburg two games each here. The Bears won a game in Petersburg to eliminate them and in turn Wrangell took Kayhi in three hot games.

Kayhi won the International Series with Prince Rupert this year, winning all of the games on her home court and on the Rupert gym.

Kayhi should have a strong, hustling team next year with the return of all of the lettermen except Tommy Housholder.
Basketball

The Polar Bears could do no better than fourth place in the city league this year. The team was not out striving for wins, but for experience against the bigger and better teams.

According to Kayhi's finishing in fourth place, it shows it not to be a good team, but on the night of the Rotary-Lions game, Kayhi lost an exciting exhibition game to the Elks. The Elks were then leading the league and could only win by a last-second field goal. Most of the Elks players were on the Ketchikan All-Stars who went up to Juneau this year and won the gold medal trophy.

The winner of this year's City League was the Eagles who were sparked by the Kayhi football and track coach, John Gill, and Duane Vincent, '47.

Working for the Top

Juniors won the class basketball championship without much trouble by defeating the sophomores, 44 to 30, in the playoff game. The juniors were led by the sharp shooting of Marvin Bue, who turned out to be the Polar Bears' leading scorer.

Also backing him up were other varsity members, Phil Tucker, Lyle Simpson, Dick Maddox and Captain Dick Hamlin.

Sophomores were led by Little Red Antonsen, who also made the squad. Fred Olsen was the other mainstay who also played in varsity competition.

Freshmen came in third in the class tourney by humbling the seniors in the consolation game. Vincent and Valentine from the first year class sparked the frosh while Tommy Housholder was the only senior member on the varsity.
Fighting for Lead Position

1. Hamlin grabs ball from swinging Ballard (Petersburg). 2. Ferguson (Wrangell), giving the “Heil Hitler.” 3. Bue flattening the ball on the floor. 4. Maddox drives down floor after taking rebound. 5. Tucker lunging for the ball with a Wrangell player. 6. Simpson and Housholder way up there with Hamlin looking on. 7. Maddox and Otness (Petersburg) arguing as to who is going to get the ball. 8. Bue putting his hands in a Wrangell player’s face so he can’t see. 9. Antonsen on the floor.
International Relations Sought

1. Winners all. Kayhi-Prince Rupert. 2. Simpson moves up towards Rupert invader. 3. Housholder gets jump off to Simpson. 4. Bue waits for the tip from center. 5. Roddy Tait of Rupert moves on down the court with Bue coming up from behind to check him. 6. Maddox screens off Simpson.
The following withdrew: Linden Everson, Ken Madsen, Kenneth Gard, Clarke Poorman, Fred Olsen, Bob Hull, Neal Corbin, Verlyn Miller, Pete Schust.

**Lightning Fast**

Kayhi’s track team took the annual meet with Petersburg this year by a score of 68 to 39. The only new record was by Jim Graham, who broke his own mark for the discus throw with a 115 feet 4½ inches toss.

Outlook was bright for Kayhi’s cindermen in spite of rain. Coach John Gill spent the early weeks of track looking over the many boys who turned out.

In the 880 yard relay the McCann-Maddox-Winston combination was looking for a fast man to replace Lyle Simpson who was not able to turn out this year.

This team holds the all-time track record for the relay.

Marvin Bue replaced Simpson in this position.

Members of the Girls Athletic Association had a busy year from the beginning with initiation of new members to the close of the year when letters and chevrons were awarded.

Nearly every girl in high school was a member. Miss Marjorie Paulus was adviser.

New members were initiated at one of the first regular meetings. Other events included Faculty Night, Dad's Night and the Mother's Day Tea. The annual tea for Petersburg girls was not held since the only girls who were able to come for the basketball games were the typing members.

Several girls worked on outside activities to earn 500 points for a letter. "Polarettes," the girls' basketball team, played one game with Petersburg there, and one with Wrangell here.

John Koel

In his will John Koel, a citizen of Ketchikan for many years, bequeathed $10,000 to be used for the youth of Ketchikan. This money has been invested in government bonds, annual interest from which ($250) is used for a scholarship to the graduating student who has directly evidenced an unusual interest in attitude for a field of study which, if developed, would aid the advancement of Alaska, its resources, its government or its culture.

A faculty committee appointed by the school board selects the winner each year.

Thinking of Something to Wear?

Absorbing, exciting, informative stories and pictures from

Alaska

Published in Alaska, for Alaska, for everyone, THE ALASKA SPORTSMAN is like a breath of fresh, clean air from "The Last Frontier." To you, in reading pleasure, it's better than a nugget of pure gold from "them that hills and rivers beds."

Here you a dash of sporting blood in your bones! With the biggest game on the continent, this big world business, pure hunting and fishing and outdoor sport, has all the excitement that the mountain men held on share where inspiration moments are almost uncommon. Need a vacation? Life magniﬁcent country, the promise of life on sea and wilderness land. You can have it all, do it all, in Alaska. "The Great Land," and you can have it by proxy through THE ALASKA SPORTSMAN.
