DEDICATION

TO THE Ketchikan branch of the National Torch Honor Society for its support of the ideals of higher scholarship and for its encouragement of higher learning, we dedicate the KAYHI 1953.

It is the dream of every student to bear a brighter flame in his torch of learning and we feel that the honor society has done its utmost to further that end by setting a goal which can only be seen by those who bear the brightest flames.

ADMINISTRATION
A GREAT wealth of information and experience has been acquired through the ages and has been handed down to us for our use. As the torch of knowledge has been passed from generation to generation it has acquired greater and greater brilliance until today those who live in ignorance do so, in most instances, by choice.

As Americans knowledge is attainable by us everywhere—in the classroom and library, from newspapers and magazines, through visual education, from correspondence courses, radio, television, lectures and roundtables. Let us not be unmindful or indifferent to the abundance of educational opportunities about us.

Let us remember that knowledge will enable us to deal more effectively with life’s problems and that it represents a means of adding a richness and a fullness to our living.

J. E. Danielson
of the Flame of Knowledge

Message from the Principal

FOR CENTURIES, the world has recognized the torch as a symbol of learning and advancement. It is fitting that the group in Kayhi, which sustains a high degree of scholarship and academic achievement should form an organization called the Torch Society.

The honor of achieving membership in Torch is significant. It not only means scholastic achievement but that the student has formed a definite pattern to aid him in the accomplishment of life's goals. He has learned to work and he has learned to utilize his time. He can take direction and, above all, he has learned that each day's work is a particular and specific job to be well done.

Elsie M. Stouffer.

THE PRINCIPAL’S office is crowded each morning with students requesting admit slips to class after absences the previous day or by late comers who are tardy. Miss Elsie Stouffer, principal, and Mrs. Nancy Fortlage, secretary, are kept busy with this work until classes are in progress.

To Higher Endeavor

The library shelves have a goodly collection of college catalogs which seniors find valuable when they begin to decide on which school of higher education they wish to attend.

Many of them have worked during summers and after school during winter months to save money for at least their first year at college.

Advisers and the librarian are always ready to help them.

For eight years before bursting through the gate into the Olympic Stadium, the Torch Bearers struggled across the mountains and plains of their grade schools. In 1949, their long cross-country struggle behind them, the Bearers leaped through the entrance and began the lap around the arena that would end with their placing of the Torch high on the Olympic Pedestal.

Leading the runners was Pat Crowley, president. Close behind him were Phil Tucker, vice-president; Delphine Danielson, secretary; Marvin Bue, treasurer, and David White, sergeant at arms.

Near the beginning of their journey a group of enemies, the sophomores, descended upon the runners and tried to slow them down by dressing them in weird costumes. Being tired from evading the sophomores, they decided to take a rest, thus they had the Freshman Frolic, “Shine on Harvest Moon.”

After the journey reconvened Patricia Root represented our class in the contest for Queen of the Kayhi annual. Being out of condition from the rest, we placed second in the contest.

As we came to the end of the first quarter of our journey, Delphine Danielson received the Bert Myking Award.

At the beginning of the second curve in our journey Pete Schust was elected president; Dick Maddox, vice-president; Pat Crowley, secretary-treasurer, and Harold McCann, sergeant at arms. As we progressed on our way we encountered a new group of freshmen. Still tending our wounds from our trouble on the first curve, we took it out on them. They received an initiation that was an initiation.

Five of our best runners, Dick Hamlin, Lyle Simpson, Dick Maddox, Phil Tucker and Marvin Bue, were selected for the basketball team. We were all proud of them and celebrated the occasion with a dance. The only difference was that the girls were requested to pay. This type of dance is now a tradition at this point in the journey.

Having reached the end of the second curve we were all looking forward to the end of our long journey.

Harold McCann outran Pete Schust as we came into this third curve, so he moved into the office of president and Pete descended to vice-president. Phil Tucker was elected to keep the events of this stretch in our journey on record; and Marvin Bue,

to keep track of the money earned and spent. Wally Winston was elected sergeant at arms.

We had to start thinking of ways to make money right away, as our funds were low. Some of us sold pencils to spectators along the way, and during the basketball games, we sold ice cream bars and hot dogs. One of our leaders, Bob Drogs, was chosen for the Leslie Bugden award. We were all proud of him, but did not have time to stop along the way and celebrate for we had little time left to complete the lap and reach the foot of the Pedestal.

During this part of our journey Dick Hamlin was chosen basketball captain for the year and Harold McCann, football captain. We received our class rings, and our banner of green and gray.

Just as the end of our third curve was coming in sight, we had our Junior Prom. This time the boys had enough money and we could make them pay.

Pat Crowley took the lead again as president, and led us around the final curve and into the home stretch. Lyle Simpson was second in line. Gerda Nergaard was elected to keep the minutes and Delphine Danielson our money. Wally Winston was again elected to keep us in line and orderly. The first thing we did was hang our banner where everyone could see it. Then the wittier ones and those with some talent tried out for our senior play. Due to circumstances beyond his control, Bob Drogs was forced to resign from the SBA presidency and Dick Hamlin, another prominent member of our class, took his place. We chose Gerda Nergaard to represent us in the Queen of the Annual contest. She was elected and later crowned at a student body assembly. At the same assembly she and Pete Schust were honored as the Best Mixers of Kayhi for this year.

Pete Schust was elected “The Most Inspirational Football Player” and Dick Maddox was elected “The Most Inspirational Basketball Player” showing that our class carries many great athletes.

As all this glory passed by, the end of our journey came into view. Senior White Day, the Senior Banquet, and the Senior Dance all passed by fast. Our journey was at its end for Commencement was passed and our Torch was placed high on the Olympic Pedestal.

The Play, 'My Favorite Girl Friend'

"MY FAVORITE girl friend," a laugh—provoking farce presented in three acts was chosen as the senior play this year.

The story was centered around Spring (played by Alice Van Gilder) and the trials and tribulations that her boy friend, Hildy (Pete Schust), has to go through to see her. Spring lived with her married brother, Roland Rudd (Gary Tucker), and his wife Vera (Mary MacIsaac), who didn’t like Hildy.

Burt Kimura was director. Props, costumes and other off-stage work was done by various members of the class.
“SNOW WHITE and the Seven Dwarfs” was the theme of the Junior Prom given by this class at the close of the 1952 school year.

Walls of the gym were decorated with the figures of the dwarfs, boughs of trees and many forest animals.

“Fred Kirkland’s Rhythmairs” set the pace for the dancers while in the kitchen refreshments were being prepared by a group of eighth graders.

The evening reached its climax when Jean Mayo was named queen of the Prom. The beautiful crown which was worn was made by the combined efforts of the class and was presented to the school for the crowning of all future Prom Queens.

Junior Class Initiative

BEGINNING their junior year in high school, the class of '54 elected the following officers: Charles Traylor, president; Bob Adams, vice-president; Sharon Morgan, secretary; Charleen Gallagher, treasurer; Ann Hildebrandt, sergeant at arms; Don McCann and Clark Stump, SBA representatives.

Since there were only two inter-school basketball games, the class had a bake sale to earn money for their expenses.

Margaret Schust came in second representing the class in the Queen of KAYHI '53 contest. Jeanette Allain designed the banner for the class of '54.

On February 18, class pins and rings arrived and several were set in stones which was a pleasant change from the plain ones.

With the junior class as host, the Junior Prom ended the 1953 school social season.
"Pink Nightmare" was the theme of this year's Junior Prom. The gym was transformed through the hard efforts of juniors who came down after school, in the evening, and even in their study halls to decorate.

Three walls were covered with midnight-blue painted paper, with a pink elephant parade on one wall and various assorted decorations on the others.

Amid an atmosphere of dim lights, soft music and gaiety, the Queen of the Prom was crowned and was enthroned in the royal chair.

Juniors

As It Grows in Brightness

This year's campaign for SBA president between Jackie Smith and Arnt Antonsen was the liveliest Kayhi has ever seen. Each “party” put up signs galore in favor of its candidate, in the hope of outdoing the other.

One of Jackie's complete with real diaper, said “Time for a change. Vote Smith.” Signs on the clocks in every room announced that it was time to vote for Arnt.

Signs were displayed on almost half of the lockers, announcing that either Arnt or Jackie was the best candidate, and sure to win.

James Vanderweele won first place for Alaska in the VFW Auxiliary essay contest.

Sophomores

HIGHLIGHT of the sophomore year was the annual Sophomore Hop, December 12. "Neptune's Kingdom" was the theme with a throne for the King, Kenneth Young. Fish nets draped the walls, and pictures of underwater scenes and animals were used as decorations.

Jack MacDonald, as master of ceremonies, introduced the program.

Dance committees were, decorations: Bob Vincent, Arlene Creed, John Valentine, Laurie Scott, Jim Auger; program: Judy Carl, Jack MacDonald, Morton Hofstad; publicity: Diane Lewis, Joan Holman; refreshments: Penne Simonsen, Audry Miller, Margaret Ann Daly, Katherine Ruaro, Anita Strom.

Bob Nerup, elected class president, withdrew from school to go south in February; and Jerry Johansen took over his responsibilities.

Arlene Creed represented the class in the yearbook queen contest. She came in third in the final count. Penne Simonsen was the Malta Stepp citizenship nominee for the class.

As Freshmen Kindle the Flame

FRESHMEN started the year with fear and trembling, and were crowded nearly 90 strong into an already overcrowded school building. First on the social calendar was the Freshman Frolic October 3, which they put over with great success.

Decorations were life sized figures in Spanish costumes and heads of high school students. Burt Kimura, adviser, took the pictures and enlarged them to life size.

Committee chairmen for the dance were Dian Hilligass, decorating; Carol Erickson, refreshments; Barbara Garton, entertainment; Mike Selfridge, orchestra; George Tanino, publicity; Jim Jones, clean-up.

During intermission members of the class demonstrated square dancing and led their guests in the Virginia Reel. Jean Corbin played a piano solo.

SBA

"To promote the welfare of the school and to arouse a spirit of loyalty and cooperation among the students," is the purpose of the Student Body Association. Any person regularly enrolled in high school may join by paying the membership fee which is set by the Student Council.

The Student Council acts as a co-ordinating group between administration and student body. The Council consists of the SBA officers, class presidents, class representatives, yell king and the fire chief.

Committees are appointed to handle the various assemblies and other activities. The Student Council approves the budget, provides assemblies for the visiting teams and rooters. The vice-president handles the housing of all visiting teams and rooters.

Student Council

Fire Squad

THE PRINCIPAL duty of the fire squad is to help prevent the loss of life in case of fire. The fire squad is responsible for clearing the building of all students, closing windows and doors, turning off lights, and maintaining order during drill or in case of a real emergency. The fire squad must check the fire fighting apparatus at the beginning of each year.

At the beginning of the school year the Student Body president appoints a fire chief, his assistant and firemen.

Torch Honor Society

Scholarship, citizenship, good fellowship and service are the objectives of these Torch members. The Torch Honor Society was introduced in Ketchikan in 1935. Eligibility for membership is based upon points earned in grades and participation in school activities. Each year senior members receive pins as emblems of their achievement.

Of Superior Scholarship,

Quill and Scroll

QUILL AND SCROLL, national honor society for high school journalists, is open to juniors and seniors in the upper third of their class scholastically who have worked on high school publications.

Applicants must submit a story they have had printed with a recommendation from the adviser for the approval of the national secretary. The organization sponsored by the journalism department of the University of Chicago encourages youthful writers to enter national writing contests by offering scholarships that enable the student to go on to college. These contests include editorial writing, feature writing, humor columns, advertising layouts. Besides this they criticize newspapers and yearbooks and offer valuable suggestions for improvement.

Because the Journalism Department cut the number of publications this year, applications were not filed until the close of the term, so no formal organization was possible. However, acceptance of memberships reached here in time for them to wear their pins to the Music Festival in Juneau.

In Advancement of Friendship

LATIN CLUB BANQUET

PURPOSE of this club, organized in 1944, is to maintain an active interest in Latin at Kayhi.

Student planned meetings are held twice a month. Highlight of the year was the annual banquet in St. John’s Episcopal church basement March 14, with the theme “World Peace.” All members took part in a play “The Gods Condescend.”

The annual picnic was held at the Dahlager beach May 6.

James Asaph won the prize for greatest number of club activity points.

Spanish Club

Spanish Club was reorganized this year to promote interest in the study of the language and customs of Spanish-speaking people. Any person who is taking Spanish or who has taken Spanish is eligible to belong.

Past and present students of this language, feeling themselves committed to the established school activities, felt that time did not permit their giving their wholehearted support to this activity; so meetings were irregular.

With the greater number of students showing interest in the language for the school year 1953-1954, members hope for a greater variety in programs next year, with outside activities as well as those which are carried on within the school.

SHIRLEY Wildegans was awarded first place in the declamation contest April 28 when the contestants gave their readings before the high school assembly. Although many persons turned out for this activity when the declamation picture on this page was taken, only three were prepared for the finals. The winner, Carol Billingsley and Ethel Andis entered the humorous reading group. There were no entries in the other groups.

A crowded schedule climaxed by the music trip to Juneau for the Southeastern Alaska Music Festival is responsible for the decline in interest. The Rev. John Grissett, Mrs. Robert A. Bushre and Mrs. Nancy Fortlodge were judges and Burt Kimura, adviser.

Sylvia Freimuth introduced the contestants and Maureen Kinerk read “The Highwayman” while the judges were reaching their decision.

of Personal and Group Opinion,

Debate

"RESOLVED: The Atlantic Pact Nations should form a Federal Union," was the 1953 debate topic. Under the direction of adviser Bert Kimura, the Ketchikan team placed third in the tri-city debate this year, with Petersburg and Juneau at Petersburg. Even though suffering a loss from last year’s graduation, and a late start this year, the Kayhi team showed up well in its arguments. This year’s winner, Juneau, will keep the trophy for the ensuing year. Other winners have been Juneau, 1951, and Ketchikan, 1952.

Those on the teams this year and making the trip to Petersburg were Charleen Gallagher, Bruce Harrod, Marlene Tibbles and Ray Ostling for the negative, and Jim Asaph, David Baker, Shirley Knox and Nancy Marvin for the affirmative.

Dixie Anne Holman and Roger Williams were librarian and chairman respectively. Miss Elsie Stouffer, principal, and Burt Kimura went along as chap­
eron and coach.

Press Club

PRESS CLUB has functioned as a publicity organization more efficiently this year than at any time since its re-organization in 1944. With no journalism class, interested students kept the work on the paper and annual going. Meeting on Tuesdays and Thursdays for 30-minute periods, they gathered the material for KAYHITEMS and did the work on the KAYHI '53.
Through School Publications

Kayhitems

KAYHITEMS, the school paper, is a true reflection of life at Kayhi. It has recorded school activities, forwarded educational information, and entertained the students through its feature pages, editorials, and humor columns since its birthday in 1923.

This year, the light of KAYHITEMS was nearly extinguished, for without a sufficient number enrolled in journalism class, the task of putting out a paper seemed impossible. The club members themselves, however, kept the press rolling.

Editors this year were Robert Droogs and Dick Hamlin. Robert Droogs had to drop membership in the club and Dick carried on as editor.

Press Club consists of any sophomore, junior or senior interested in Journalism. Freshman membership is appointed.

Band

Highlights of the year for members of the Kayhi Band was the four-day trip, via Ellis Air, to the Southeastern Alaskan Music Festival in Juneau, beginning April 23. They received both encouragement and criticism from Walter Welke, adjudicator and director of the 250-piece Festival Band.

The Kayhi Band joined with choral groups for an early fall concert and for the Christmas Vespers program. On March 26, with the All-City Grade School Band as guest performers, the Kayhi Band presented their Spring Concert in the new White Cliff auditorium.

With more than 350 people attending, standing room was at a premium.

Two new French horns were provided by the school board and some music was added to the library.
"The band has good spirit, good conduct, stamina and ability to develop intensity, shows good taste and follows wishes of conductor," were some of the favorable comments of the judges at the Southeastern Alaska Music Festival in Juneau April 24 and 25. Also he said that the personnel showed much pride in their organization.

He said that the group showed good training and background. Elwood Rickman, director, said that the latter comment was especially complimentary to Louis Vacca who was director the four previous years and who helped with the organization of the Southeastern Alaska Music Festival.

The next festival will be in the new high school building here in 1955.
Voices Raised in Song

Director

On APRIL 23 the chorus and band groups left for Juneau for the Southeastern Alaska Music Festival. Vocal entries other than the mixed chorus included Glee Club, an octet and a girls' sextet. Solos were sung at the Festival by Delphine Danielson, Helen Davis, Clark Stump and Robert Parrish.
THE ANNUAL Christmas Vespers under the direction of Mrs. Ben Perry was presented December 21 in the high school auditorium. This was the first concert given by the chorus, a program of religious and Christmas music.

On April 16 they gave the annual Spring Concert.

April 11 was Festival Flyers Day when members of the band and chorus groups sold Festival Flyer buttons on the streets to raise money for the trip. The school board furnished the rest of the money except for $10 that each student provided for expenses.

ELEVEN-MAN SQUAD

Football, reinstituted here in 1949, has made a valiant effort against the elements of weather and started this season with efforts to schedule games with other schools.

Only outside game this year was with Anchorage there September 27. With a heavier defense Anchorage was able to win an easy victory, 37 to 0. The opposing team outweighed local gridders 30 pounds per man.

While most of the intra-squad playing was with six-man teams, the eleven-man squad tangled with a service man's team of Coast Guardsmen and ACS players October 24. The Service men won, 25 to 12.

SIX-MAN TEAMS

WITH TRANSPORTATION costs prohibitive and a scarcity of football squads in southern Alaska high schools, Coach John Gill divided his football players into four six-man teams for intramural playing.

Pat Crowley and Dick Maddox were co-captains for the KKK’s; Harold (Red) McCann, captain of the Southern Gentlemen; Wally Winston, the Yanks, and Pete Schust, the Pete’s Persuaders.

In the play-offs the KKK’s came out ahead with three wins and no defeats; Southern Gentlemen were second with three wins and one loss, then the Yanks with one win and three losses, and trailing the league was Pete’s Persuaders with no wins and three losses.

Winning was figured on the following percentages: KKK’s 1.000, Southern Gentlemen .750, Yanks .250, Pete’s Persuaders .000.
It Is Carried On the Basketball Court

The POLIO epidemic which raged in Ketchikan this year prevented Kayhi from playing in the Southeastern Alaska Tournament. The Southern Division series between Wrangell and Petersburg was won by Wrangell, who in turn was defeated by Douglas for the Southeastern title.

Douglas was defeated by Fairbanks for the All-Alaska title. After the epidemic here had abated the Polar Bears challenged Fairbanks to an extra-conference game, but they declined because of a crowded schedule there.

With five senior players who had been on the varsity squad since their sophomore year, the local fans were disappointed that Southern Division opponents felt obliged to cancel their games with us.

However, Kayhi engaged in the series with Prince Rupert, B. C., and divided honors, 41 to 35 and 32 to 33 there, and 48 to 45 and 42 to 44 here. Since the agreement was that in case of a split in wins, the team in possession of the trophy would keep it, the trophy remains in Ketchikan.

Seniors Win Class Games

Senior cagers came in first in the inter-class basketball tournament with sophomores second; followed by the juniors and then the freshmen. In the tournament the seniors scored 79 points, the sophomores 78, juniors 34 (one game) and freshmen 26 (one game).

Marvin Bue was high scorer with an 18-point average.

These games are run off after school at the beginning of the season with the coach watching the work-out for possible varsity players.

Five of the senior players have played since they were in the sixth grade and have been on the varsity since they were sophomores. They won the class tournament last year.

Softball

NINETEEN hundred fifty-three was the first year for a scheduled softball league. Coach John Gill chose four players, John Gilbert, Bob Vincent, Gary Tucker and Pete Schust as captains and each of them chose a team from those boys who were turning out.

A round robin was scheduled with each team playing the others once. Serious Ones took the series with a 3 to 0 record followed by the Pile Drivers with 2 to 1. Goof-Offs were next with 1 and 2, and trailing were the Quiz Kids, 0 to 3.

To End the Season on the Track Field

Track

Track season got to a good start this year. Except for small showers sunshine was had practically every day for the first few weeks. Part of the first weeks were spent playing softball and just running their laps.

A track meet was scheduled for May 8 here. Many dash and distance men are back and many underclassmen will find places on the team.

Kayhi records for previous years in track are:

100-yard dash—10.5 seconds—Stenford 1949
220-yard dash—25.2 seconds—Stenford 1949
440-yard dash—57.2 seconds—Dick Maddox 1953

**Pep Squad**

With a jump, twirl, and a note of music the 1952-53 Pep Squad made their entrance at the Prince Rupert-Kayhi basketball game.

Duties of the Pep Squad consist of preparing and teaching new yells and songs, directing school enthusiasm at all inter-school sports and planning pep assemblies. They help make the visiting teams welcome in any way they can and set an example of good sportsmanship for the Kayhi cheering section.

Students try out before an assembly in the fall and are elected by the Student Body Association members.

**Ushers**

At the first of each school year the SBA appoints ushers for the job of keeping order and directing spectators to their seats at the basketball games. Due to the limited schedule in which Kayhi only played two games with Prince Rupert here, only three ushers were appointed.

SEPTEMBER 10 started out the busy year for the Girls Athletic Association with the election of officers. At the next regular meeting they initiated the new members.

Over a hundred girls were in GAA this year. Miss Marjorie Paulus was adviser.

The tenth anniversary was celebrated at Faculty Night. Other events included Dad’s Night, Mom’s Night, and the Team Dance. Outside activities brought several of the girls letters and chevrons by earning 500 points.

The year closed for the GAA girls with the court of awards where several of the girls received their letters and chevrons.

GAA officers elected Alice and Louise McLeod as majorettes after try-outs in the gym. After Louise dropped from school, Jane Garrison and Janis Dill were elected. They wore white skirts and sleeveless white blouses with a wide maroon belt.

The Drill Team performed for the Prince Rupert games, using flashlights turned on the ceiling for effect.

Because the basketball teams were not able to see the Drill Team perform during the half-time of the games, the girls gave a special performance during the noon hour for them this year.

Malta Stepp Memorial

CAPTAIN MALTA STEPP, a student here until 1936, when he completed the junior year, was killed in England September 30, 1943.

Each year the name of the student outstanding in citizenship is inscribed on the plaque honoring his memory.

Nominations and elections are made on the qualities of honesty, dependability, initiative, attendance, punctuality, courtesy, improvement, extra-curricular activities, student office and the quality of doing more than is expected of a student.

Lions Club

In 1946 the Lions Club of Ketchikan provided for a five hundred dollar scholarship to be awarded a graduating senior. Choice is based on scholarship, results of an examination and personality of applicant.

Only seniors with a "B" average in school work may take the test. Other qualities considered by the selection committee are citizenship, dependability and social activities.

John Koel

In his will John Koel, a citizen of Ketchikan for many years, bequeathed $10,000 to be used for the youth of Ketchikan. This money has been invested in government bonds, annual interest from which ($250) is used for a scholarship to the graduating student who has directly evidenced an unusual interest in attitude for a field of study which, if developed, would aid the advancement of Alaska, its resources, its government or its culture.

A faculty committee appointed by the school board selects the winner each year.

Absorbing, exciting, informative
stories and pictures from

ALASKA

Published in Alaska, by Alaskans, for everyone. "THE ALASKA SPORTSMAN" is like a balm of health, drawn
soothingly from "The Last Frontier." To you, in reading pleasure, it is better than a nugget of pure gold from "One that
holds and toasts both." Have you a dash of " Alaska" blood in your
veins? Want the biggest "ake" on the con-
tinent, with fishable waters, very hospitable
town? Want to mine, homestead, build in-
dustry where Margin resources are almost
unsearched? Need a vacation? Like magnific-
ence nature, the essence of life on sea and
wilderness land? You can have it all, do it
all, in Alaska. "The Great Land," and you
can enjoy it all even through "THE
ALASKA SPORTSMAN."
