MY BOOK

Saying Farewell to the Old School House

The Kayhi '55

PUBLISHED BY
JOURNALISM CLASS AND PRESS CLUB
of
KETCHIKAN HIGH SCHOOL
Ketchikan, Alaska

Ethel M. Evans

Dedication

WE, the staff of THE KAYHI '55, affectionately dedicate this annual to Miss Ethel M. Evans, journalism instructor, who by her determination and untiring efforts has made this annual possible. By dedicating this annual to her, we hope to express our sincere appreciation for her patience and understanding with us.

Miss Evans has taught journalism here for ten years. During this time she has given her time and efforts to promote the journalistic field at Kayhi and has done so with great success.

Miss Evans will be long remembered for the marvelous work she has done in directing past Kayhi annuals and in advising the Press Club and annual staff.

* * *

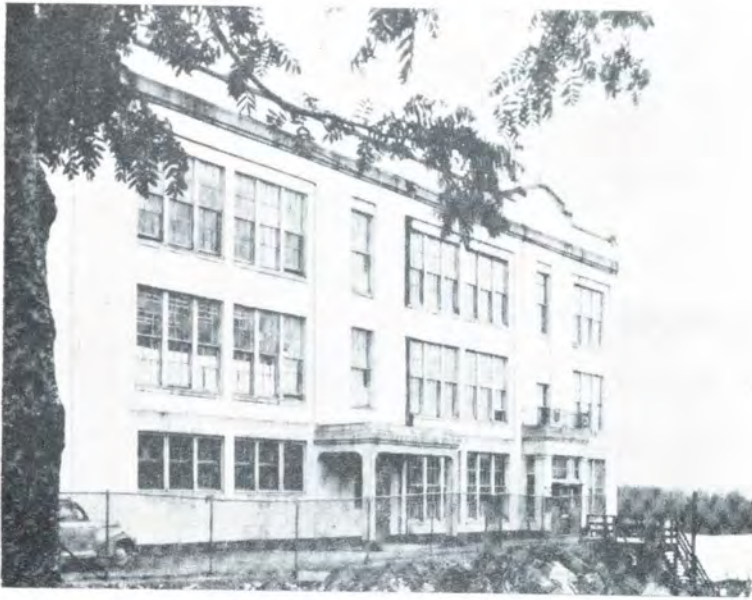

Appreciation of one's endeavor is perhaps the greatest reward that can come to anyone, especially when that work is in the teaching field. The dedication of this book came as a surprise followed by a deep feeling of humbleness mingled with gratefulness to each person who has helped with this production during the past ten years.—The Adviser.

Foreword

TO OUR friends and classmates who will treasure this yearbook in the coming years, we, the staff of KAYHI '55, present this book filled with the school-day memories of our last year in "old Kayhi."

We are finally leaving "old Kayhi" after she has faithfully held the hopes and dreams of Kayhi students for more than 30 years, and we are ready to enter a "New Kayhi," for which we have planned and dreamed. Yes, we are leaving the OLD, and entering the NEW, the theme of this yearbook.

Members of the staff have enjoyed their work and hope that as you look through the yearbook, you will remember your fun and work here and will be reminded of the ambitions you had for a bright and constructive future.

J. E. Danielson, Superintendent of Schools

Superintendent of Schools

THE realization of a new, modern, well equipped high school building is one of the many accomplished improvements in Ketchikan which J. E. Danielson, superintendent, has helped to bring about. His expert guidance has helped to gain for us a faculty with the highest qualifications, and a fully accredited school of which we can be justly proud.

Mrs. June Finsen, secretary to Mr. Danielson, carries on the official correspondence, does secretarial work and handles all routine office matters, including working on final high school schedules during the summer.

Mrs. Dorothy Banta, bookkeeper for the school system, issues checks, receives all money, and keeps records of all business.

A Message from the Superintendent

IT HAS been said that the things desired most in life are often difficult to attain. Perhaps this has been partially true in so far as our new high school building is concerned. All the delays which have occurred should cause us to appreciate even more the many new facilities which will be made available.

Progress on the building, even though at times very slow, has nevertheless been continuous and the time is now drawing near when the transition will be made "from the old to the new." A real effort has been put forth to bring into existence a high school plant which will be modern and complete in every way, and there need be no hesitation in stating that the students of Kayhi have much to look forward to in the years ahead.

Words from the Principal

MOST every one has had the experience of moving—of going from an old and familiar environment to something new. The new location and accommodations are often responsible for changes in the mode of living.

No event in Kayhi is more anticipated than moving to the new high school. New facilities mean greater opportunities to carry on an increased, a more varied and a greatly enriched school program.

Many changes will come. Some of the old customs and practices regarded as an essential part of Kayhi will of necessity be eliminated. Others will be adapted to meet the demands. New ones will develop and take their place in the ever mobile and all inclusive spirit of Kayhi. This is the law of progress and achievement.

Miss Elsie M. Stouffer
Principal

ALWAYS tactful and efficient, with answers to any varied daily problems is Miss Elsie M. Stouffer, our principal. She is ever willing and able to assist in guiding us in our course of study.

Mrs. Polly N. Bushre, secretary, helps Miss Stouffer with the many office duties. They issue tardy and absence slips, grant permission to leave the building, schedule school events on the calendar, designate weeks for selling pop by organizations, issue the morning announcements, compile information about classes from students' preference forms, and help make up the final high school schedule.

Bus Drivers

THE Northern Bus Company of Ketchikan provides the buses and bus drivers to transport students to and from school. The bus drivers have to put up with plenty of chatter and confusion each day; nevertheless they always seem to have a friendly smile for each passenger.

The school buses are driven by George Kammerzell, Clark Lewis, Earl Lane, George Arnold, Leonard Kemp, Bob Wagner, Frank Vest, Richard Clark, Ira Brougher, Bill Wyatt.

BEHIND the scenes at Kayhi we find the custodians busily keeping the school in order. Their work is hard and tedious, and their reward is small, but without them school would cease to function properly.

Senior Class History

THE Senior Class of '55, began as the newest, freshest, and greenest in 1952, only to have the mean and malicious sophomores descend upon them and initiate them into high school. After recuperating from this frightful ordeal, the youngsters decided to show their elders that they were growing up, and put on the Freshman Frolic.

Fellow students spent "An Evening in Paris" which proved to be both a social and financial success.

The Class, under Bob Vincent, president, began to show some of its talent and beauty when Janice Montgomery won the honor as Queen of Kayhi, '52, and Anita Strom won the declamation contest. Laurie Scott won the Bert Myking Award for scholarship. Jean Smith and Ethel Fowler were majorettes for the drill team. The boys carried their share by beating the old folks, Seniors, in the Intramural consolation game.

Another new year and the Class of '55 was fast losing that fresh innocent look and in its place came a look of determination and eagerness. Sophomore officers were headed by Bob Neup, president, who later withdrew to go south, and Jerry Johansen, vice-president, took over Bob's duties. The youngster's determination was beginning to take effect on the second step of the stairs. Ten sophomores were chosen as members of Torch Honor Society and Kathy Ruaro was elected secretary.

In athletics, the adolescent sophomores were showing up the more experienced upper-classmen with Jerry Johansen, manager of the football team, Dixon Tucker, Jim Auger, Jerry Johansen and Bob Vincent on the basketball varsity. In the intramural basketball games the sophomores won second place. The girls did

their share to bring honor to the class. Joan Homan was elected Song Queen and Shirley Wildegans won the declamation contest. Arlene Creed represented the class in the yearbook contest and Penne Simonsen was the Malta Stepp nominee. In GAA, the girls won the basketball tournament after a hard-fought game with the seniors. One of the big events of the year was the Sophomore Hop to dance with Kenny Young chosen to reign over "Neptune's Kingdom" for one evening.

The Class of '55 began a new era as they entered their Junior year, at last, as upper-classmen. Bob Vincent was elected sergeant at arms of the Student Council, while Kenneth Young headed the class officers. Looking forward to the future, the class motto was chosen: "Let the ropes of today ring the bells of tomorrow."

A beautiful banner in blue and white, the class colors, was designed by Joan Homan. It symbolized the class awaiting the ever-current changes of tomorrow. Scholastically, the Class ranked first, leading the other classes both semesters.

The Junior Class proved to be the class of basketball players. Headed by Captain Bob Vincent, Jim Auger, Dixon Tucker, Jerry Johansen and John Valentine led the Bears to a successful season. Jim Auger was chosen Most

Inspirational Basketball Player of '54. At the basketball tournament held at Sitka, Jim was also named to the All-Star team of Southeastern Alaska. Not to be outdone by the boys, the Junior girls won the interclass basketball tournament. Headed by co-chairmen Judy Carl and Diane Lewis, the class earned money by selling pop and hot dogs at the inter-school basketball games.

The first girl cheer leader to be elected in Kayhi was Kay Poole, with Laurie Scott by her side as assistant. Kathy Ruaro was elected to lead the musical pep section as Song Queen. Jerry O'Connell was junior nominee for the Malta Stepp Award.

Penne Simonsen was chosen co-editor of Kayhitem, and was also awarded third place in the "I Speak for Democracy" essay contest.

Kay Poole and Kathy Ruaro were nominated by vote of the Student Body as candidates for "Queen of Kayhi '54."

Concluding their eventful year, the juniors entertained the seniors with the annual Junior Prom. Described by many as "the most beautifully decorated dance ever held at Kayhi," the last big social event of the year had a combined theme "Moonlight and Roses," and "Stairway to the Stars" and the class was nearing the top.

Bursting with energy and self-assurance, the Class of '55 entered Kayhi for its last venture in something new. It won the SBA membership award. Jim Auger was elected SBA President and Bob Vincent was elected to lead the Senior Class into its new and glorious year.

"Dear Ruth" was presented by the class to a capacity house with William Nicholas as director.

Always ready to try something new, the seniors next sponsored a masquerade Halloween dance.

Frank Garrison was elected football captain, and later with Jim Auger, was chosen Most Inspirational Football Player. Bob Vincent was re-elected captain of the basketball team as the Polar Bears gave way to the Kayhi Kings., and at the close of the season was named Most Inspirational Player.

Roberta Bailey and Penne Simonsen were elected to head the Pep Squad.

Jerry O'Connell and Penne Simonsen were named co-editors of the Kayhi '55, and Jan Montgomery and Jim Sears were co-editors of Kayhitem.

Carol Burrow was elected Queen of Kayhi '55. Candidates were Kay Poole, Carol Burrow,

David Baker was awarded first place in the "I Speak for Democracy" essay contest while Penne Simonsen and Loralee Schamp won second and third place.

As the story goes to press, the class, slowly, but surely, is reaching the top of the stairs with the Senior Ball, Senior White Day, the Senior Banquet, and finally Graduation yet to come. These events will be met with gladness and a little sadness for never again will the class be a group with a common goal. This is the time for the class to pull the ropes of today, to ring the bells of tomorrow."

Junior Class

AT LAST we have attained part of our goal started in the fall of 1952. We are juniors. Next year we will be seniors. It has been a busy year with money making plans for junior and senior expenses, selecting class rings and planning for the Junior Prom to honor the seniors.

Soroptimists entered all the girls at a dinner where they explained the advantages and requirements of requested professions.

The boys made themselves known by taking part in athletics. John Gilbert and Don Maddox were on the varsity squad and plan to be out for sports again.

Don Maddox was selected sergeant at arms of the Student Body Association; Ed Borgen was one of the yell leaders.

Favorite expression of juniors at all basketball games was "Ice Cold Pop," for it was by selling pop at games that they made a part of their expenses.

Freshman Class

ABOUT 105 freshmen entered the halls of Kayhi at the beginning of the year ready to make a good start in their first year of high school.

Polar Bear Jamboree was the theme of the Freshman Frolic October 22 at the first class dance of the year.

Drawings of life-sized polar bears doing stunts decorated the walls. The decorating committee spent hours drawing and painting the bears under the direction of Bert Kimura, adviser.

During intermission the refreshment committee served punch and cookies.

Howard Holman as master of ceremonies presented gifts to the Rocky Ford Trio who provided the music.

Chairman of committees were Joyce Shumate, theme; Sandra Adams, refreshments; Charlene Zachary, decorations; Howard Holman, entertainment, and Kenny Kiffer, clean-up.

TO PROMOTE the welfare of the students of Kayhi, and arouse the school spirit of loyalty and co-operation among the student body, is the purpose of the Student Body Association. Any person, enrolled in school, may become a member by purchasing an SBA card, the certificate of membership. The cost of membership is set by the governing body, the Student Council.

This Student Council acts as a co-ordinating body of the association between the administration and the students. Its membership is made up of the SBA officers, class presidents and class representatives.

Under the direction of the SBA president, committees are appointed to handle the various assemblies, election and other activities. The Student Council approves the budget, provides housing facilities, pep assemblies, and banquets, for visiting teams and rooters. Also the Council conducts special surveys requested by outside agencies.

SBA Activities Story

During the school year the SBA Council engages in several projects. This year three of these have included a trip by the Council to the new high school, which is now being constructed; a contest sponsored by the Council to select a permanent design for the SBA cards; and a March of Dimes project, in which the members of the Student Council sold tickets to a teen-age dance held at the Elks Club.

In addition to these projects, the Student Council cooperated with the Music Department in connection with the Southeastern Alaska Music Festival held here in April.

Fire Squad

THE FIRE SQUAD set up by the Student Body Council has a two-fold purpose: that of prevention of fire and responsibility for the evacuation of all persons from the building in case of one. They are responsible for calling the City Fire Department in event of a fire and stand ready to help the department if needed.

The fastest time for the evacuation of the building was 1 minute 55 seconds. This involved the moving of approximately 650 students and teachers from classrooms to designated places on the playgrounds. Roll was taken immediately upon assembling there. Teachers reported their roll so that all could be accounted for.

The Fire Squad had its first drill under the auspices of the City Department. The department called the drill after giving talks about fire prevention. This was staged during Fire Prevention Week and follow up drills were held once a month for the rest of the year.

The squad wishes to express appreciation to the City Department for their help during the year.

Service Club

DEDICATED to the service of the school the Service Club takes the responsibility for the jobs to which nobody has been assigned.

When movies are shown you find a Service Club member at the projector. Ushering at games and programs, which have a need for them, is another task. It's the Service Club that sets up the stage for programs, runs the public address system, moves the furniture, does general repair, and any odd work that may arise.

Members are given points for each job successfully completed. Letters are awarded to students who earn the required number of points.

Torch Society

SCHOLARSHIP, citizenship, good fellowship and service are the objectives of these Torch members.

The Torch Honor Society was introduced into Kayhi in 1935, but it was not until last year that a National Charter was obtained.

Eligibility for membership is based upon points in grades and participation in school activities. Each year the senior members are awarded the National Torch emblem if they have attained a total of 110 points.

QUILL AND SCROLL MEMBERS

Back row, left to right: Jean Smith, Frank Roppel, Jim Sears, Bob Vincent, Miss Ethel M. Evans, adviser. Front row: Jan Montgomery, Inge Karlson, Jerry O'Connell, Penne Simonsen.

Quill and Scroll

QUILL and Scroll, national honor society for high school journalism, is open to juniors and seniors whose grades are in the upper third of their class. They submit a printed article for approval by the national secretary and must be recommended by the adviser for their work on high school publications.

A formal initiation held March 28 gave nine Kayhi students membership.

Former high school members with four who were elected last year assisted with the ceremony.

Press Club

PRESS CLUB sponsors the publication of the school paper and the yearbook. Members are composed of the journalism class and any student interested in the work of the journalism department. This year, each home room elected a room representative who took care of the circulation and subscription selling of that particular room.

Meetings are held once a week except during press week. Activities dealing with the various phases and problems of journalism are discussed.

Although the journalism class does most of the work on the paper, Press Club members are given assignments and help out when they are needed. In this way, members are able to earn Cub Reporter Pins. Miss Ethel Evans is adviser.

Office Help

THE DUTIES of students who work in the office are small, but actually very important. The student's efficiency and dependability help to keep the office working as an organized unit.

Their jobs range from alphabetizing material, collecting absentee slips from each class, and sorting and arranging classification cards, to answering the telephone and running errands for the office secretary and Miss Stouffer.

The office help this year included: Sandy Mullins, first hour; Carol Entwit, second hour; Marilyn Garrison, third hour; Vona Traylor, fourth hour; Judy Johansen, fifth hour, and Frances Christopher, sixth hour.

Librarians

STUDENT librarians serving the school library this year are Deann Gingg, Darlene Magden, Darlyne Davis, Joyce Shumate, Jacie Homan, Joyce Boomer, Doreen Shrum and Carole Cartwright.

Student librarians charge books and magazines to students and members of the faculty and assist students in the use of card catalogues, compute and receive fines, shelve books and magazines, file pamphlets, repair torn books and magazines and arrange displays and bulletin boards.

The library is open from 8:30 a. m. until noon, and from 12:50 until 4:15 p. m.

Library science is a regular class requiring 50 minutes a day for a school year before the one-half credit is earned. Mrs. Jules Dahlager is adviser.

GIRLS Athletic Association started off the year in September with a new adviser, new officers and a new point system. The first major tournament of the year was volleyball. A basketball tournament followed. Minor activities such as tumbling, softball, badminton, track and ping-pong were scheduled after the major tournaments.

In December, the girls gave their annual Christmas program which included skits, songs and readings. Suckers were passed out to students at the end of the program.

In January the GAA girls sponsored and served at the basketball banquet for the visiting Wrangell team.

An interclass basketball tournament was held during February.

Parent-faculty night was held in March when parents and teachers were entertained by the girls.

The annual Varsity Drag honoring basketball players was held March 24. Last activity of the year was the awards day assembly in May.

Drill Team

DRILL Team was organized with Marilyn Garrison as captain and Judy Garrison as assistant. The girls wore white skirts and blouses with maroon Kayhi sweaters.

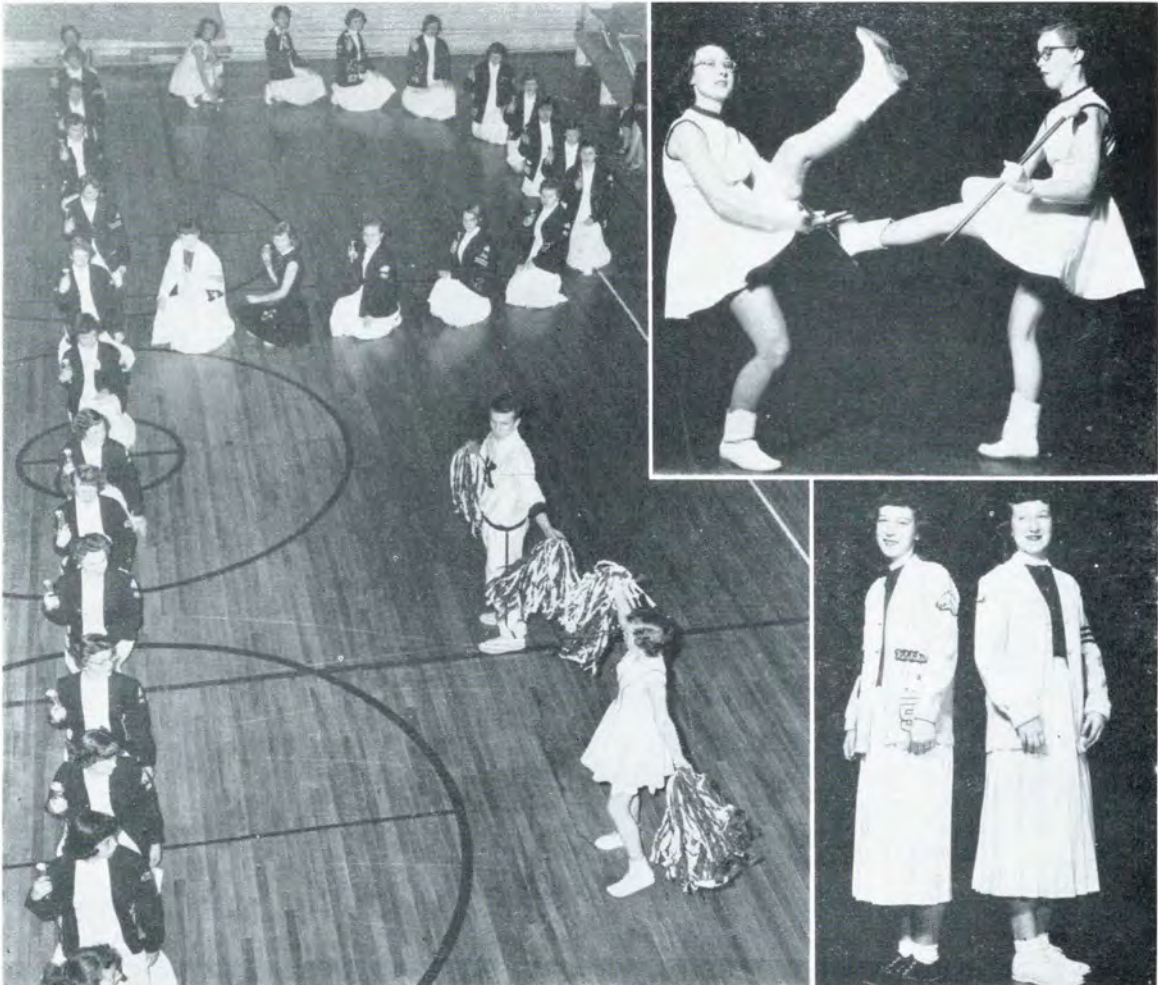

After tryouts, Janis Dill and Jane Garrison were elected drum majorettes. Their uniforms were of white corduroy and blouses with maroon trimming around the neck and arms.

Drill team performed at half time for Prince Rupert, Sitka, Wrangell and Petersburg games.

They performed with the lights out, carrying flashlights, which made a pleasant effect.

Band

BAND OFFICERS

Left to right: Daniel Shafland, treasurer; Jim Miller, vice-president; Jim Sears, president; Judy Lovely, chairman of awards; Marcia Sulser, secretary.

THE BAND began its year with intensive practice and by giving several concerts for the schools.

The music departments went on a trip to Metlakatla December 1, and there presented their first major concert.

They were also host to a return trip from the Metlakatlans. The band presented its annual Talent Show March 24, taking acts and talent from the entire school.

With final practices and plans set for the festival the music department presented its annual spring concert as a preview of the coming Southeastern Alaska Music Festival, April 28, 29 and 30. This climaxed a year of hard work by the band.

For outstanding individual participation in all activities band members will receive recognition by means of a letter.

Band

BASKETBALL games, pep rallies, and popcorn and pop sales created various and interesting activities for all students of the band. The band played at all basketball games and pep rallies and assisted the eighth grade band in playing for city-league games.

They purchased a popcorn popper with money earned in the Fourth of July stand.

They went caroling by bus throughout the town at Christmas and played in the Mother's March on Polio Parade.

Several members organized a dance band which played for several dances.

Climaxing the year was the Southeastern Alaska Music Festival here April 28, 29 and 30, in which eight schools participated.

More than 450 band and chorus members from Juneau, Sitka, Douglas, Mt. Edgecumbe, Craig, Wrangell and Petersburg participated in the final concert.

Various activities such as concerts, candy sales and milk sales were used as a means to raise money. To further this they had a "Sweetheart Ball" March 19.

Chorus meets five days a week. Small groups and soloists are chosen from the large chorus groups and rehearse during the noon hour and after school.

Small groups performed before civic groups during the year.

Mrs. Irven Wengert, vocal director, is not new to Kayhi music department. She taught here from 1947 to 1951.

K Club

LETTERMEN of the class of '55 have piled up an impressive record for their class. They took part in two undefeated football seasons against local competition, helped set scoring records in basketball for Ketchikan, helped set relay, 440-yard race, mile race, shot put and discus records for the school and were undefeated on their own court this year.

Having earned their letters the boys were members of K club.

K Club Lettermen

TO BE eligible for a sports letter, an athlete must play one-third of all games, or have a first or second place or two third place wins in conference track meet.

New lettermen were turned out in football and basketball this year.

Sweat and hard work are synonymous with gaining a letter this year in Kayhi.

Competition was keen and rough.

Football

Mike Cusack
Manager

KAYHI'S eleven-man team played two games this year against two local teams. They defeated the first team composed of Coast Guardsmen and pulp mill workers, 24 to 0, in a rough contest.

In the second game the police department put a team against Kayhi and were defeated, 45 to 0. The field was muddy, but the Kings out-classed them all the way around for an easy victory.

Coach Bill Martineson's Kings finished off the season by electing Don Maddox as captain for next year.

Kayhi Kings

KAYHI'S Kings finished their regular basketball season with 19 wins and four losses.

They earned the international trophy and the second place trophy from the Southeastern Alaska tournament.

Kayhi dropped the first game of the season to Prince Rupert and then won three games from them in a row to get the international trophy.

Tourney play at Sitka showed Kayhi handily winning its first game from Sitka and then defeating Mt. Edgecumbe only to lose to the dead-eye Juneau team for second place.

Juneau defeated Anchorage two games in a row to win the coveted all-Alaska championship.

Alumni were handed a defeat, 60 to 37, when the Kings ran over them in the annual alumni game.

Bob Vincent and John Gilbert were co-captains of the basketball team this year. Gilbert was elected captain for next year.

Interschool Basketball

KAYHI was a tough contender in interschool play this year as was shown by their 19-to-4 game with the schools they played.

Juneau was the only team that defeated Kayhi. Each game with that school was a tough fight. Prospects look even better for next year.

Upper: Don Maddox, forward; Bob Vincent, guard; Ed Marshall, guard.
Lower: Carl Corbin, center; Jerry Johansen, guard.

City League Basketball

EAGLES again won the City League championship by defeating Kayhi in the last game. Kayhi placed second and was followed by the Coast Guard who took third.

Kahi lost only one game to the Eagles in the entire series and gave every team they played a good fight.

Good sportsmanship was the keyword in this year's City League season.

Preliminary Teams

PRELIMINARY teams were at a minimum this year with only four high school teams turning out. The senior team played a number of games with the J.V.s and the freshman basketball teams in preliminary games. After the basketball season they scrimmaged the varsity a number of times and many of the members took part in the senior versus next year's varsity players.

Saxman, church league teams and the eighth grade teams, one of which was from Metlakatla, played in the preliminaries also to provide many good games for the spectators.

Track

TRACK men started off the season in good form, being blessed with good weather, and a fine coach, W. C. Martineson.

Cindermen broke in the track early in the season; running laps and conditioning themselves by doing calisthenics.

Ketchikan relays were scheduled for the first week in May with Juneau, Wrangell, Petersburg and Sitka of the Southeastern district invited.

Track men will be trying to better the Ketchikan relay records set in previous years.

Jim Auger was captain of track this year.

Pep Club

PEP CLUB was organized for the first time this year by the Pep Squad to promote school spirit and to raise money for rooters to attend the Southeastern Alaska tournament at Mt. Edgecumbe.

The club has over 70 members. They all helped to put on their bake sales, cupcake sales, a rummage sale, dances and a car wash.

Club members also entertained the visiting teams and rooters at pep assemblies.

Each member received points for his participation in the club's activities. The students with the highest number of points were eligible to attend the tournament provided their citizenship and grades met the required standards.

Pep Squad

WE'RE from Kayhi! We couldn't be prouder. If you can't hear us now we'll yell a little louder!"

This is merely a sample of some of the yells the 1954-55 cheer leaders have produced.

Whether the Kayhi Kings won or lost they could always be sure they had the Kayhi cheering section right behind them, spurred on by Bobby Bailey, yell queen, and Ed Borgen and Penne Simonsen, assistants.

Audrey Stump, song queen, with a hop, skip and a jump was always ready to swing into one of Kayhi's school songs.

The Pep Squad has worked hard to create enthusiasm for school games, pep assemblies and to make the visiting teams welcome.

What Happened This Year

By Dave Baker

JUNE, 1955, opens up a new year for the students of Kayhi, as well as other people of the world. Yet it pulls the shade on an old one, an exciting and interesting one. Reviewing the events of the past year is of interest to everyone.

World Progress

Although some of the quieter events of the year were overshadowed by more spectacular news, great scientific steps were taken, many of them in progress at the present time.

Science contributed to international co-operation in the case of the present Antarctic expedition, spearheaded by the ship "Atka."

Transportation was made easier and faster by such means as the new Scandinavian Airlines route over the north pole. Men began to utilize the huge wind belts above the earth to speed up travel.

In the field of medicine, favorable results were found with the Salk polio vaccine, which may help immensely in the control of one of the world's most crippling diseases. New tuberculosis vaccines may reduce that illness by 50 per cent.

Scientists harnessed the atom to the U. S.'s "Nautilus," the world's first atom-powered submarine.

Progress in automobile propulsion was furthered through work on the gas turbine.

International Friction

There was a busy but often grim side to world news, too. Differences between the free world and the communists were brought to a peak in the dispute between Chiang Kai-shek's nationalist China and Red China. The U. S. stepped into the conflict by using the 7th Fleet to help evacuate the Tachen islands; at the same time control of the Russian government changed hands from Malenkov to Bulganin. What these events will mean to future world peace is a matter of guesswork.

The long-turbulent Indo-Chinese war came to an abrupt end, after years of hard fighting. The fall of the French fort, Dien Bein Phu, was not only tragic; it was an example of the heights of heroism and bravery to which men can rise.

On the political side, France lost a great man and a strong leader when Pierre Mendes-France's government fell. That nation will certainly miss the man who resolved the Indo-Chinese conflict and pushed West German rearmament.

In the U. S., democrats followed Alaska's

example in sweeping the congressional elections.

Sports

Athletics flourished in America. The basketball world was again led by one of the finest teams Kayhi has yet produced, and the football parade was headed once more by the Cleveland Browns. The New York Giants defeated the Cleveland Indians in the World Series, for four straight games; and at last the U. S. wrested the Davis Cup tennis crown from the Australians.

Local Happenings

The first big news in Ketchikan was the July 19 dedication of our pulp mill. This was followed by the Beaver Falls utilities dedication. Citizens relaxed when the blockade was lifted upon completion of the new tunnel. Work continued on the Civic Center-Armory fund.

Ketchikan made the news in Hollywood through the filming of the movie "Ketchikan," the title of which was later changed to "Cry Vengeance." There has recently been a rumor that the same Hollywood company may base a film on the life of one of Alaska's great citizens, Father William Duncan.

The city underwent another poor fishing season, with prospects for this year little better.

Ketchikan's newspapers continued to follow the fast pace and high standards of "Kay-hitem's."

Elsewhere in Alaska

Alaskans were struck a blow by discontinuation of the Alaska Steamship passenger service, together with a fight over airline services to Alaska.

The Territory was honored by visits from Adlai Stevenson, 1952 presidential candidate, and Secretary of the Interior Douglas McKay.

Big news at present is the Sitka pulp mill, on which work is scheduled to start this fall.

Alaskans are still pushing statehood plans, and the legislature recently called for a constitutional convention. In spite of prospects to divide the territory into two parts—Alaskans still want to be first—the biggest state!

School News

The prospect of the new high school was truly welcome as Kayhi had a record enrollment of 300 at the start of the year. Work on the project is nearly finished, and plans were made to move in during the summer.

The most important event of the year is the coming graduation date for Kayhi's seniors. Long the leaders in the school, this great class is bidding farewell to Kayhi after four years of "blood, sweat, and tears."

Absorbing, exciting, informative
stories and pictures from

ALASKA

Published in Alaska, by Alaskans, for everyone, THE ALASKA SPORTSMAN is like a breath of fresh, clean air from "The Last Frontier." To you, in reading pleasure, it's better than a nugget of pure gold from "them thar hills and stream beds."

Have you a dash of sporting blood in your veins? Want the biggest game on the continent, fish for tackle-busters, trap luxurious furs? Want to mine, homestead, build industry where enormous resources are almost untouched? Need a vacation? Like magnificent scenery, the romance of life on sea and wilderness land? You can have it all, do it all, in Alaska, "The Great Land," and you can have it by proxy through THE ALASKA SPORTSMAN.

Acknowledgments

Dear Ketchikan Citizens, Local Photographers, High School Students and Faculty: It isn't easy to put out an annual. It takes co-operation, and we thank you heartily for the co-operation and patience that you have given us during this school year.

Another vital asset to a publication is money. About one-fourth of the cost is paid by the various high school organizations for their pages in the annual.

Most of the money, however, is raised from advertising space taken by Ketchikan merchants who give us their backing. Without them, no annual could be published, and we want to thank you merchants for your generous assistance.

Sincerely,

The Staff of KAYHI '55
