"When the books close, and the last bell rings, and carefree days are lost to mundane things, and you remember the faces but not the names, pick up your yearbook and look through it, remember the days so dear to you."

**Coronavirus**

Virus started in Wuhan, China and spread throughout the world quickly. It's a respiratory illness that can be transmitted through animals or humans, symptoms are similar to the flu. The outbreak hit over 85 countries including the US. The global economy was damaged because of the virus, showing numbers similar to the 2008 financial crisis. COVID-19 has had over 500,000 cases although many people are recovering, over 20,000 have died. There currently is no vaccine or cure for Coronavirus (COVID-19).

**Impeachment**

President Donald Trump became the 3rd president in history to be impeached, after he got impeached by the house for trying to get Ukraine to investigate Joe Biden, and refusing to provide the Supreme Court with subpoenaed information. He was charged with Abuse of Power & Obstruction of Congress. He was acquitted of both charges after being put on trial by the Senate.

**Australia**

Australia was struck by disaster when brush fires spread over the country. The fires last over 240 days, starting in 2019. It destroyed over 46 million acres of land. It killed approximately 34 people and affected an estimated 1 billion animals making many animals either an endangered species or driven to extinction. New South Wales was most affected by these fires causing air quality to be 11 times past the level considered, "Hazardous."

**Local News**

The Permanent Fund Dividend was $1606 this year!

**Tatsudas**

On February 27th a rockslide demolished the Tatsuda's grocery & liquor store. The building had water and structural damage. Thankfully no one was hurt during the accident but owners Katherine & Bill Tatsuda were forced to permanently close the store after being in business for over 100 years. The community helped give back & supported the Tatsuda’s employees & family by setting up funds, discounts, food, and even offering jobs. Tatsuda's legacy will live on because of how supportive & caring they are to the community.

**Cruise Ships**

The ports of Seattle and Canada suspended the 2020 Alaska Cruise Ship season indefinitely. The decision was made by the Centers for Disease Control and Prevention after a cruise ship had traces of COVID-19. This decision will impact Alaska’s economy & will affect over thousands of tourism jobs.

**Ward Cove Dock**

The Spokleys & Blinkleys got the green light to start production to build a twin-berth dock at the old pulp mill at Ward Cove. The goal of the berth is to spread out visitors from overcrowding downtown & to grow tourism. It will cost around $50-150 million.

The 2019-2020 Cross Country team had another great season! This year's captains were Ashley Cyr (12), Morgan Elerding (11), and Dwight King (12). The team was lucky enough to get a new incredible assistant coach, Mr. Woodward! Both Mr. and Mrs. Woodward created awesome workouts and pushed the team to their limits! The Cross Country team got to travel to Juneau, Craig, and Petersburg. Regions was held in Sitka! Overall, the team worked incredibly hard at practices and meets. Cross Country had a great season. Let's go Kings!

The Kayhi Kings Football team worked hard and played even harder this year with their season going from early August to late October. With a strong team of 22 players, 12 of them being seniors, they finished off the season with a 1-5 record, and their winning game against Seward ended with a score of 36-5. Their first game of the season on August 16th was televised as the “Game of the Week” on channel two.

Our Kings traveled long and far to represent Kayhi this year with the farthest place being Eielson, Alaska which is a close neighbor to Fairbanks. When the Kings weren’t playing hard they had some really great adventures, and got the opportunity to get up close and see the Bering Glacier up in Seward!

The Kayhi Swim team started practice on August 8th without a coach but with lots of spirit. As the season started the team found a few stand in coaches to help along side of the dive coach until the new coach, Gary Crowe was available. Gary was very impressed with the progress of the team throughout the year. With 28 members, the team sure had a blast in the pool! After weeks of getting to know one another and swimming their hearts out, the team went to Regions in Sitka where they were able to be one of the first to swim in the new Mount Edgecumbe pool. Seven members of the team, three divers and four swimmers went to State.
Members on the swim team include: Emily Boling, John Rolbeck, Emma Campbell, Owen Campbell, Riley Cottle, Anne Coss, Ava Lierling, Ian Eldridge, Jacob Gonzalez, Joseph Gonzalez, Andrew Hildebrandt, Anna Jones, Alec Langberg, Julian Kroll, Shannah, Kyle Kugler, Paris Knuteson, Larry Kuharich, Bryce Mattson, Judy McLoud, Tyler Merle, Savannah Nieshe, Caity Pearson, David Richardson, Jeff Ryan, Laura Sherrill, Anna Smith, Evelyn Staples, Ethan Thomas.

Skinned knees and sprained wrists, these girls have been through it all. They developed a lasting bond and friendships beyond compare through a sport they love and share. Chemistry on and off the court was essential to the Varsity team’s success, no matter what happened. Winning or losing came hard and easy. The Lady Kings earned most victories and others losses. Heading into the new season the Lady Kings were lead by a new head coach Mr. Johnson. The Lady Kings showed tremendous improvement when heading to Regions. Beating out Juneau in a match, “practice comes hard, but games come easy,” said senior Makenzie Merrill. The Lady Kings look forward to what new head coach Kevin Johnson has in store for their upcoming season.

TEMPORARY PAIN, PERMANENT GAIN!

Wrestling sends 23 to State and makes history for Kayhi!

This year’s wrestling season was one for the books! The Captains this year were Charlie Blair, Andy Collins, Sully Schulz (boys) and Hayley Gilson (girls). At Regions, the boys won their twelfth consecutive region title, with a scoring of 201 points. The first place winners at Regions were Degan Linne, Kollin Houchoofd, Brock Thomas, Charlie Blair, and Andy Collins. Kayhi sent 23 wrestlers to State this year. Hayley Gilson placed 1st making her the first Kayhi girls’ wrestling State champion! Other outstanding State placers were Ada Odden 2nd place, Ruby McCue 6th place, and Kai Biagi placed 6th in the boys bracket. All in all, every wrestler worked hard throughout the season whether it was improving their technique, mental game, nutrition, or overall strategy!
Hayley Gilson took 1st place making Ketchikan History! Hayley became the first Kayhi girls’ wrestling champion! Ada Odden also did outstanding at State and took 2nd!

Caden Thomas
“Challenging, fun, & an experience.”
The Kayhi cheer team this year has been devoted in showing their abilities. Long practices and plenty of basketball games, these cheerleaders have one goal: Be better every year. With nine seniors leaving the team this year this team used every second they could together improving and bonding. Endless laughs and fun this cheer team is the best it’s ever been! The remaining teammates are sad to see the seniors go but thankful for the experience and excited for the new members.

The K-Highlites Dance Team started their 9 month season off with a trip to UDA dance camp at the University of Puget Sound in Tacoma, Washington. The team took home 20 blue ribbons, a superior trophy, the Full-Out Trophy, 2 All-American Awards to Leah Call and Jhenna Day, and choreography for their 6 halftime routines to be performed throughout the season. The dancers perform at events such as pep assemblies, football and basketball games. Throughout the year, the team performed their pom, jazz, and hip-hop routines along with specialty routines “Top 40s”, Latin “All-team pom”, and “JLo”. The team also spent the last half of the season preparing to compete at the Region V tournament in Juneau where they were awarded their 9th consecutive superior rating also recognizing Leah Call and Nena Jones as “All Tourney Dancers”, making the season truly one to remember!

"Everything we have done was new and challenging. I had the amazing opportunity to work with a great group of strong female dancers who were awesome! They helped me and taught me a lot about dance. And for the coaches, they always supported and pushed me to do even greater than I imagined. I am proud to be a K-Highlite dancer and I'm excited to do it again next year."
- Jhasen Seludo (11)

"First week of moving to Ketchikan I met Nena, a second year member in the K-Highlites Dance Team. She invited me to come to tryouts, a week or so after I found out that I made the team. I was so happy I even screamed!! Few weeks in I still felt intimidated especially that I couldn’t do any of the tricks, it even came to me to leave the group, but I’m glad I didn’t, because once we started preparing for regions that’s when I realized that I didn’t get myself into a sport. I made a new family. If it wasn’t for the dance team, my first year at Kayla wouldn’t be as exciting as it was.”
- Maegan Chui (11)
Dance for others yes, but dance because it brings us joy so don't let colleagues bring that joy down because of a little mistake made in a performance.
- Jenna Day, Officer

"Keep your chin up and have a good attitude, it goes a long way."
- Avery Thomas, Officer

"No matter what, it's always worth it to go 110% and showcase to our peers and community what it means to be a K-Highlite."
- Leah Call, Captain

"Perform like you'll never get the chance again. Do it for that little beginner who used to watch the big girls in their sparkly dresses and say, "I want to be like her someday.""
- Nea Jones, Co-Captain

"A quote from our Coach Almas husband, Parker "If not now, when?" These words have stuck with me throughout this past year and remind me everyday to give it my all out on the floor because if I don't, then when will it?"

Girls Basketball
“This was an exciting year. We played numerous close games against many of the top teams in the State. We finished the year with 15 wins and 11 losses. We were led by three seniors who showed the younger players how to compete, prepare, and represent all while working hard and enjoying the season together. I look forward to 9 varsity returners coming in with all ready having an idea about how Lady Kings Basketball operates and hungry to win the Region title in Ketchikan in 2021.” - Coach Kelly Smith

Class of 2020

Nadire Zhuta

“Making memories with the girls and making great friendships that will last forever.”

Madison Rose

“Behind the scenes of basketball the goofiness and bonds we create is one of the best parts. Not everyone can be a lady king, there’s pressure, strict situations and learning. Its such a great way to make long lasting connections.”

Lianne Guevara

“Creating life long friendships. Knowing we will always have each others backs, win or lose and working together towards the same goals”
The 2019-2020 season saw the Kings win the State Championship for the first time in 45 years. Gone were eight seniors from that team, leaving room for many new faces to put on the varsity uniform for the first time. Three returners, Seniors Chris Lee, Kristian Pihl and Junior Tyler Slick led this year’s team to a surprising 14-11 record. Senior James Nordlund, Junior Josh Gentry, Sophomore Josh Rhoads teamed up with Freshman Joeben Lorenzo as part of the core group that rotated into the starting lineup throughout the season. The Kings’ played a difficult schedule and competed fiercely in every game. The Kings pushed their home winning streak up to 18 games, which was snapped by a buzzer beater in the last home weekend of the season. Chris Lee broke the school’s All-Time scoring record with 1911 career points, the single season scoring record with 668 points on his way to a 26.7 ppg finish. Kristian Pihl, whose three pointer in overtime of the State Title game will graduate in the top-30 career scoring leaders. James Nordlund was invaluable for his effort on the defensive end and brought toughness on the boards for the Kings. They will be missed.” - Coach Stockhausen

Boys Basketball
Ketchikan’s favorite holiday tradition, the Clarke Cochrane Christmas Classic. CCCC is a basketball tournament, which is three days long and features teams from all over Alaska & the lower 48. This year, Kayhi Boys were crowned champions once again! The boys defeated West Anchorage 60-58. The Kayhi Lady Kings placed 2nd losing against Esperanza from California in the championship game, the score was 54-32. The Pep Band, Pep Club, Cheer, and Dance team cheered their hearts out and gave it their all. Overall, by the end of the tournament everyone was exhausted & had exciting holiday sports memories to look back at!
"2020 Regions was held in Juneau Douglas High School. This year was different because Southeast was the only part of the State that was still having a tournament due to Covid-19 outbreak. Kayhi had a tough time up in Juneau. Although our Dance and Cheer Team’s pulled through with a Superior rating and a Division 4A Win."

Elected to represent this year was Mackenzie Pahang and Carlo Cadiente (freshmen) Maggie Boehlert and Carter Effenberger (sophomores) Noelani Tillson (juniors). Senior Court consisted of Dearly Villaflor, Jackson Kaye, Devyn Sader, Micah Britt, Nadire Zhuta, Carter Thomas, Madison Rose, Edward Davis, Lilly Auger, Besjan Kamberi. After a school wide vote, the elected homecoming Queen and King were Nadire Zhuta and Edward Davis.
Spooky, Scary, Kayhi Kings!

Get into the Halloween spirit!

Halloween at Kayhi was spook-tacular! Pep club held a festive assembly! Teachers went against each other in an action-packed dodgeball game and students had their first costume contest with multiple winners! Students & teachers decked out in fun & scary costumes!
Kayhi’s Got Talent

Each year before winter break, Kayhi holds the annual Winter Variety Show where students and staff alike can show off their incredible talents!
whole lifestyle is very different and I am still confused, but it was an amazing experience and I can recommend it for anybody who thinks of doing an exchange. There will never be the right time so just go!”

Class Act
Helping freshman succeed

This year class act had a total of 36 juniors and seniors helping the upcoming freshmen adjust to their new high school life. Through several games and activities the freshman were able to form a bond with upperclassmen and make new friendships. These activities included freshman orientation, relay day, and even help on how to prepare before finals. The Class Act Mentors truly helped the freshman class of 2023 become comfortable in their new environment to help them succeed.

Members: Lily Auger, Olivia Berg, Leah Call, Emma Campbell, Ashley Cyr, Amanda Dale, Jhenna Day, Morgan Elerding, Nicole Embree, Breanna Gentry, Brayden Kamber, Jackson Kaye, Charlie King, Karly Klein-McMahon, Rachel Knight, Cade McAllister, Preston McLaren, Judy Metsonne, Evelyn Nutt, Catty Peason, Olivia Phelps, Brendan Roof, Madison Rose, Campbell Sande, Sally Shultz, Jhasen Seludo, Lauren Sherrill, Shaye Skillings, Evelyn Staples, Carter Thomas, Jared Valentine, Darryl Villalor, Jalina Williams, Connor Wodehouse, Ashley Yoder, and Nadire Zhuta.

This year Academic Decathlon welcomed a team of fairly new faces. The team worked on personal bonding, finding where strengths lie, and concurring personal bests. Captain, Campbell Sande, says “We had a really fun season and achieved everything we sought out to.” The team earned bronze in the super quiz at State.
For Arguments Sake...

Kick some ass.

Drama, Debate, & Forensics is based almost entirely on public speaking. Students can compete in different events, from dramatic interpretation, duet acting, or reader’s theater, to speaking off the cuff in extemporaneous speaking or with a written speech. Students are required to research, deliver speeches, and directly debate their opponents. This year the competition was tough for Debate, however, the Kayhi team still came out on top! At the final debate in Skagway, not just one but two of Kayhi’s teams made it to the final competition. This year at State, the team got second in the debate overall point system. Many people throughout the year fished and some even got commands!

What is your favorite event to compete in Debate?

“My favorite event is duo acting.”
- Erin Shea (11)

“I would have to say debate is my favorite.”
- Francis Sherman (11)

“My favorite event is public forum debate.”
- Matous Hofmeister (11)
These students were picked by their teachers because they embody the 4 principles inside and outside of the classroom. However, National Honor Society is more than an honor roll. Within the year NHS members participate in several service projects and fundraising activities.

Scholarship, Character, Leadership, and Service

These four principles shape the organization's activities and are reflected in the members' responsibilities.
The Rotary Interact Club is a year-round organization that focuses on improving Ketchikan through community service. They believe in service above self and hold multiple fundraisers throughout the school year for important causes they care deeply about. Some of the fundraisers they held this year were Annual Pie Auction at Pioneer home, Haunted Mansion at the coast base, daddy-daughter dance, and many others. These fundraisers Rotary Interact has hosted, have helped hundreds of people and has taught their members leadership, personal integrity, and the importance of helping others.

Marna Cessnun is the First City Rotary Advisor and Sarah Collins Campbell is the school advisor. Kayhi Rotary Interact is part of and sponsored by First City Rotary of Rotary International and Alaska Rotary District 5010.

Our Team of members who put in efforts (auctioneers, modeling, baking) to raise $6,700 for the Pioneer Home Pie Auction. Breaking our record by over $1,000.

From our first years struggling with the buzzers and research to our successes at both State and Nationals in 2019, we've grown together, and will conquer apart.

This year we made Kayla history again when we earned:
* 3rd in Research Paper
* 1st in Presentation
* 2nd in overall research and quiz bowl

Our team wants to thank Mrs. Landwehr for always having the faith in us that we didn't have in ourselves. We couldn't have done so well without you. We're going to miss you! Good luck wherever life takes you!

To the students who take our place, this team is time consuming, it's a lot of work and you have to really want it. However, it is so rewarding and you will find a life long family. We might not be here anymore but you're being left in good hands. Take care of the team Keenan!

The goal of National Art Honor Society is to spread art and creativity throughout the community and school. This year the group worked with the owners of WF Madden’s Family Entertainment Center to give their white walls some personality. The group was given free reign of their creativity and have pulled through with beautiful pieces.
The E-Sports club is a great extracurricular activity for students who choose not to partake in traditional sports. Right now, they actively compete and play one game and that is Rocket League which was developed by Psyonix.

From left to right: Dametre Martin (12), Gregory Merle (12), Dylan Dolsky (10), Matous Hofmeister (11) representing Kayhi as the Rocket League Team.
This year was a big year for the new Kayhi theatre Club! This was their first musical 24 years that hadn’t been affiliated with First City Players. They performed The Addams Family! With around over 30 members, the cast was energetic on stage and off stage! They started meeting & practicing in early September, and had a great performance in January. The Addams Family play had a great turnout! The community loved it!

The 2019-2020 Yearbook class had one chaotic year, with around 25 hardworking staff members. Yearbook had lots of ups and downs and still managed to finish the 100th Williwaw yearbook, even if it was from home! This year's theme was, “Living in Color,” focusing not just on the senior class but also reflecting on the 100 year anniversary, and how much the book has changed over the years! Yearbook Production & Marketing is a class where you have to be responsible and self-motivated for everything to run smoothly. All members had to take part in selling advertisements, design, photography, and getting out of their comfort zone. In all, Yearbook worked through the challenges that were given to them & had a great time doing it!
Ketchikan High School Tells All

Journalism is a year long class for upperclassmen to take as an elective or English class. Students report on local and school news, write columns and features and are required to write one in-depth article a semester. All articles are published to the school newspaper, the Kayhi Current, and some are even given to the Ketchikan Daily News to publish.

Librarians

The library is the most helpful resource in Kayhi. With the thousands of books ranging from history to fantasy there is so much to learn. The library not only holds knowledge through their wide variety of books but if you have a question the helpful librarians almost always have an answer. If you enjoy the Kayhi library and the coolest librarians known to man, you could become an aide and hang out in there for a whole period! But, if your busy schedule doesn’t allow then keep in mind that you are always welcome to relax with a good book.
In Spanish class, taught by Mrs. Woodward, students learn both the Spanish language and culture. Every month, the students throw a traditional fiesta to celebrate the birthdays in that month. At these fiestas, the students sing the Spanish Happy birthday song, hit a pinata while singing the pinata song, have cake, and other fiesta activities. Every month, students also make a traditional Spanish dish to immerse themselves further in the culture, along with these activities students read books in Spanish, learn to have daily conversations, perform plays in Spanish, learn about Spanish holidays such as Cinco de Mayo, Day of the Dead, and many more activities to learn the Spanish language.
In French class, taught by Ms. Nish, students learn about the language, history, and shaping of the French culture. For exams, students spent the whole period expressing their creativity through the art of making crepes. One student even went home that night and made their family an entire crepe dinner. Being that the arts are very important to the French, students also recreated works of art made by influential French artists to form an art gallery.

**Tsimshian**

Tsimshian language class, instructed by Ms. Victoria, students first learn how to introduce themselves’, as well as say their fathers’, mothers’, and clans’ names. They are also taught colors, greetings, weather, and how to read and speak the language.
Medical Terminology

David White is the instructor, and they learn over 1200 medical terms. That alone can seem as overwhelming as climbing Mr. Everest, but they work together to learn the language of medicine and, at least, the nuts and bolts of how the different body systems work. By their second semester, the kids have a pretty solid foundation to begin shadowing in the different hospital departments and testing out different medical careers.
Maritime is a class for marine safety and seamanship. This fun class is filled with mapping, wet suits and all things navigation. They get to learn how to tie rope, and splice. They also learn rescue tactics and what to do in case of any emergency on the water. Ask any student in the class, there’s nothing better than being down on the dock, and out on the boat on a nice day.
CRANK THE GEARS
INTRO TO ENGINEERING

Intro to Engineering is a new class at Kayhi and it teaches students to understand and construct machines. Students work on various project such as candy dispensers and Rube Goldberg machines.
WE BUILT THIS CITY!

From Left to Right: Brendan Roof (12), Jordan Geary (12), Dearly Villaflor (12), Connor O'Bryan (12), Dwight King (12), Lauren Scarzella (11), Kepler Starkweather Jones (11), Trinity Jackson (11), Jackson Kaye (12), Mr. Lindquist, Scott Johnson (11), Anne Paxton (9), Owen Campbell (10).

**Intro to Architecture**

is an introductory class into the world of construction and architecture. In this class taught by the woodworking teacher, Mr. Lindquist, students learn the basics of making blueprint and designing buildings, as well as using the software necessary to create models and blueprints.
How and why did you pick your instrument?

"I play the saxophone. I first played in the eighth grade. My teacher gave me the saxophone, learned it in four weeks and got my first solo."

-Jalina Williams

"I picked the trumpet because my dad played in high school and I thought it'd be cool to carry on the tradition."

-Micah Britt
How do you get rid of nervous jitters before performing?

"I perform for everyone on stage rather than the people in the audience, that gets ride of the nerves."
- Mady Purcell

"I usually take a deep breathe during the performance and I find my groove."
- Robert Co-Powell

Jazz Choir 081
Both the Wind Ensemble and Symphonic Band are unbelievably talented! They practice everyday during school and carry out several amazing performances. Members attend sectional, rehearsals, concerts, and festivals. Over the course of the year they improve and refine their performance skills.

What’s your favorite performance of this year?

“My favorite concert was the winter concert because it’s Christmas time.”
-Rachel Lomat

“Honor Fest, sometimes we lack in difficult music, but at Honor Fest we got a lot of hard music. Everyone stepped up and was at the top of their games.”
-Phillip Smith
What’s your favorite performance of this year?

“My favorite performance hasn’t happened yet, but it’s the pop performance where they do more modern and more pop culture songs.”
- Trinity Perkins

“So my favorite one was the winter-our Christmas concert. We included movement, which we normally don’t do, and I like Christmas music.”
- Carlo Cadiente
Concert Choir is an elective class about learning voice techniques and singing. Students practice breathing and various warm-ups to perform well at their concerts. They do classical songs from different time periods and often in a different language as well.
Stage Magic and Stagecraft
What Happens Backstage

Stagecraft is a class teaching students the technical works of production. They learn how to operate tools for stage lighting, sounding systems, and constructing scenery.
Boy Conditioning is an elective class taught by Mr. Collins. This is a class where they learn how to stay strong and make healthy choices. Some of the strength workouts they do have a mix of cardio and crossfits style. In this class they play games, run stadiums and weight lift. A variety of exercise programs they do includes cardio circuits and full body exercises.
Girls Conditioning is an elective fitness class taught by both Mrs. Machado and Mrs. Bowlen. In this fitness class you build strength and self-confidence. A variety of exercise programs they do includes yoga, zumba, weight training, circuit training and outdoor running. In girls conditioning students are also taught the fundamentals of healthy eating, and exercise.
Native Art

Native art is a class taught by Debbie McLavey where students learn to make native art including: moccasins, blankets, weaving hats, baskets, and traditional regalia. Through this class kids are able to learn more about native culture while creating beautiful art work.

Top: Moccasins a student made. Left: Shania Murphy (10) working on her art. Middle: Brooklin Dillard (9) working on moccasins. Top right: Monique Clevenger (11) working on her art.

Tribal scholars is an educational program offering core classes along with specialized classes designed to give students a culturally enriched education featuring native culture within a classroom setting. Students get the opportunity to learn native languages and receive college science credits through Tribal Scholars. This year the program has 19 students ranging from 9th grade to 12th. Students include: Ronnie Pungowiyi (12), Aurora Archibald (11), Monique Clevenger (10), Zoe Jackson (11), Arnold Peterson (11), Kaeda Pickrell (11), Aaliyah Macasaet (10), Shania Murphy (10), Kiara Ber (10), Cheyenne Cordova (10), Isabella McGilton-Williams (10), Anna Robinson (10), Fairuz Carr (9), Robbie Pickrell (9), Adam Skan (9), Trinity Thedford (9), Athan White (9), Cody Boyd (9), Christal Sanford-Watters (9).
Drawing and Painting is a staple at Kayhi, and many kids enjoy working with Mrs. Kern, the art teacher. Kern teaches many new artistic techniques, like perspective drawing, facial features, and drawing body parts like hands and feet.

Emily Hall (11) sketching on art paper.
Riley Castle (10) working on a sketch.
Jack Zink (9) creating a paper mask.
Lynnea Adams (9) creating a self portrait.
Dyllan Borer (11) working on her self portrait.
Bowen Linville (9) sketching on art paper.
Sculpture & Pottery is another fun class that is a real treat at Kayhi, with many kids taking this class multiple times while enrolled. In this class, kids work with many materials, like clay, paper, and glass, to make beautiful works of unique art.
Coding has never been more exciting. In Mr. Scarzella’s Computer Science class, kids learn to work with different programs and coding languages to create different software and games. While only being a class of seven, they have plenty of time to work individually on their coding with limited interruptions!
Welding is a vocational class taught at Kayhi by Ms. Miller. This is Ms. Miller’s first year teaching at Kayhi, and many students love her teaching style. This course is designed to give you the skills and the knowledge needed to perform basic welding operations using the Oxy-Acetylene Welding (OAW), Shielded Metal-Arc Welding (SMAW), Arc (stick welding), Gas Metal Arc Welding (GMAW) or MIG processes!
If you want to learn how to maintain and service vehicles, then Mr. McClennan is the guy to learn from! Kayhi offers a variety of automotive courses, from Carwise, which talks about vehicle fundamentals, to Small Engines, where you can be hands on with engines like lawnmowers and dirt bikes.
Mr. McClennan and Kolby Elliott (11) work on an engine together.

Albrim Zhuta and Jameson Parker (9) working in the shop together.

Lane Gildersleeve (10) and Albrim Zhuta (9) working together in the shop.

Madison Purcell (12), Henry Clark (11), Devin Dalin (12), and Mr. McClennan.
Have you ever wanted to build something? Well, by taking these classes, you can gain the skills to build whatever you want, whether it be simple things like a cutting board or a lockbox!

1. Caden Thomas (12) sanding a rifle butt.
2. Tristan Nelson (11) working on a project.
3. Liliane Cadiente (11) using the lathe.
4. Judy Meiresonne (11) modeling a bottle of wood glue.
5. Andreas Neacsu (10) and Jenna Alkhabi (11) gluing parts together.
Scott Johnson (11) working with his project.

Cody Cabezut (12) drilling his box together.

Jester Gabor (11) and Jaredval Caguiat (11) working on a joint project.

Students help build a shed.

PLAY WITH KNIVES

That's what's cooking in Culinary arts taught by Chef Cameo. This class teaches students the basics of cooking and baking. Students make everything from pasta and sauces from scratch to cookies and pies. Culinary Arts also cater events giving students real-life work experience. The class has lots of hands on experiences and LOTS of dishes, but they eat what we make and that's never a bad thing!
Takin’ Care of Business

Have you ever wanted to run your own business? Be a successful Entrepreneur? In this class taught by Mrs. Machado, you can achieve your dreams of becoming a powerful business leader. This class will give you all the tools you need, like business plans, marketing ideas, financial resources, location tips, and career opportunities.

Although Ketchikan High School opened up in 1915, Ketchikan's first ever school was organized in the fall of 1900 on the lower floor of the RedMen building. The owner received $10 a month for its use and the school had around 19 children enrolled. Ketchikan High School has had many locations & lots of restorations over the years to accommodate the growth of the population in our beautiful seaside town. Kayhi has helped several thousands of students receive an education, which has benefited the entire community and produced some amazing humans.
This year we celebrate the 100th volume of the Ketchikan High School Yearbook. Without Yearbooks we wouldn’t be able to reminisce about the accomplishments, changes, impacts and memories Kayhi has made over the years. It is an important and noble school tradition. Through the years, the yearbook has changed a lot, the first books had no pictures at all; it was basically a diary. Nevertheless, not quite that long ago (20 or so years ago), getting photos into the yearbook wasn’t just clicking a button on the computer. Staff would have create their layouts on paper themselves! They would have to glue every caption/photo perfectly onto a piece of paper which would then be sent to a copy machine, everything had to be glued on really good or it could end up being crooked. One thing that has always stayed the same is the goal of yearbook, creating a book that reflects that year & always making it better than the last. Go Kings!

Through Our High School Years...

Yearbook asked seniors what their favorite moments from freshman to junior year were.

Add your own favorite memories!
“Breathe in compassion and breathe out forgiveness.”

“You don’t need everyone to love you, just a few good people.”

“You want to drive on your own.”

“Post Malone debates in Spanish.”

“Christmas locker competition.”

“Beating the best French class.”

“When this girl did this somersault at the Cheer vs. Dance basketball game.”

“When ACDC went to Nationals.”

“E-Sports started.”

“Senior class spilling salsa in the gym.”

“Debates & having a mock dinner party in U.S History.”

“First time taking the SAT.”
The graduating class of 2020 kicks off their senior year with the fourth of July float. This year the class chose “Live In Color” as their theme. Everyone came together to create an awesome theme, while they showed their spirit by spraying each other with paint and blasting color bombs and confetti left and right. What’s a better way to start senior year off than in COLOR?
Senior Summer!

"There is 87 days of summer vacation and school comes around just to end it."

With senior year just around the corner these rising seniors are savoring the freedom of summer! Most seniors spent their summer having a blast before the stressful school year! Whether it be working, spending time with friends, or vacationing with family. Seniors were living in the moment & having a good time!

LAST FIRST DAY

The C/O 2020 kicked off their first day of senior year bright and early at Buggies beach to watch the sunrise. Senior’s decked out in all white for the annual assembly for senior walk-in. The assembly was hosted by the new principal Mr. House who made his first appearance in front of the students of Kayhi. All teachers were introduced in a fun runway show! The senior class plans on having a follow-up senior sunset at the end of the year & hope future senior classes do the same!
The Senior Carnival is an annual fundraising event held at Kayhi hosted by the senior class. The money earned goes towards senior activities such as senior skip-day, senior tea, and PROM! The senior class had a blast choosing themes for their booths from, “Rodeo” to “VSCO Girls” to “Hawaiian.” Everyone from teachers to students had a great busy night & raised money for senior festivities!

THANK YOU!

Yearbook would like to give a big thanks to everyone that helped create the 2019-2020 Yearbook, from Kayhi students & staff, to Ketchikan Daily News, to each and everyone of the businesses that bought an ad. Without this help, Yearbook wouldn’t be able to be as successful as it is! Thank you for all for your support! We can’t wait for next year!
